Who Is My Neighbor As Defined By Christ? Denoise P. Sullivan Jr. D.Min.,2024-06-23 In a twenty first century world many struggle to understand and carry out the commands given by Christ in the first century AD originally given by God more than a millennium earlier Are these commands still applicable in our twenty first century lifestyles Do we really need to love the Lord and love my neighbor If so do we even know who God and our neighbors are In Who is My Neighbor as Defined by Christ author Denoise P Sullivan Jr addresses a host of questions Who exactly is my neighbor Do I need to treat everyone as my neighbor What does treat someone as a neighbor even mean What does it look like to love myself and to then transfer that love to my neighbor What does fellowship and communion with God mean How does fellowship eventually lead to you seeing others as Christ sees them This guide delves into what the Bible says about loving your neighbor and how Jesus taught and still teaches about this key commandment Sullivan encourages you to see your neighbors through Jesus eyes and strive for a more loving equitable society

Who Is My Neighbor? Wayne Gordon,2010-10-20 An expert in the law once asked Jesus what he must do to inherit eternal life and his question initiated a very interesting conversation The Law says to love your neighbor as yourself Jesus pointed out so the next logical question is Who is my neighbor Rather than offering an exhaustive list of neighbors and non neighbors Jesus told a story the Parable of the Good Samaritan Out of that famous parable Dr Wayne Gordon draws more than forty characteristics of the man who was beaten robbed and left for dead on the road to Jericho the character Jesus created to show Christians how to recognize their neighbors Dr Gordon brings that character vividly to life in Who Is My Neighbor and helps readers use Jesus parable as a reference point for their interactions in their community and the world And as readers catch Jesus vision of neighborliness they will also find practical suggestions for meeting needs and changing the lives of those around them that is their neighbors *Bankers Monthly* ,1922
