My Nights And Days:

Day Brought Back My Night Stephen Charles Ainlay, 2024-05-10 Originally published in 1989 *Day Brought Back My Night* explores the lives of people who have lost sight in late life as a result of age related visual disorders As life expectancy in western society has increased the number of people who fall into this group has grown yet little had been written on this plight This major study filled the gap in the literature and will still be of great value to practitioners scholars and students in the fields of social gerontology medicine social work and nursing Stephen Ainlay surveys the various etiologies of age related visual disorders and establishes the medical framework of the problem His primary concern however is to understand people s experience of vision loss and he makes use of extensive interview data to establish the ways in which people come to terms with their own aging The stories told here reflect people s responses to a changing body as well as shifting relationships with friends family members medical practitioners and service providers They reveal hopes and fears lost priorities and new initiatives relationships that recede and relationships that are newly established Above all they comment on the drama that is involved in people s struggle to find continuity in their lives In this way the book is as much an exploration into the problem of identity as it is a study of sensory loss in later life *An English Garner*, 1897 *Rivulet of Darkness* Albert B. Garcia, 2022-08-11 In 1979 young David De Le Cruz and his parents move out of their rented one bedroom house in town to be closer to his father s job David s dad takes care of a local farm just outside of Hanford California David thinks moving to the country will be a new beginning to a great life until something unsettling starts to happen Late at night David experiences strange manifestations unsure of what they mean and what is happening to him He is surrounded by horrors and haunted by a darkness that opens a world he is forced to face David s Aunt Vera his father s older sister uses her spiritual beliefs through the practice of witchcraft to help him face the evil that feeds off of his fear Her efforts are not enough Flashes of images flow out from his mind like small streams of remembered nightmares These dreams become David s window to the outside world while trapped inside his own rivulet of darkness *How to Create Heart-Based Hospitality: The Future of the Hotel Hospitality Experience* Peter McAlpine, This book shows hoteliers how to create a spirit of hospitality that is impossible to create with the globally pervasive standards manual based concept of SOP Customer Satisfaction Heart Based Hospitality is an energetic and spiritual concept of hospitality and it provides a completely new direction in hospitality It is based on creating an ever increasing spirit of unconditional love Metta loving kindness compassion and heart warming care which are the forgotten essence of hospitality By working with energy especially heart energy and by developing the spiritual capacity of the staff you can create limitless levels of spiritual and energetic hospitality far above the traditional SOP Customer Satisfaction ceiling As you develop Heart Based Hospitality you can increase the softness gentleness loving kindness compassion and heart warming care of the staff and the energetic warmth of the hospitality without limit Heart Based Hospitality is a concept and a direction that enables the spirit of hospitality to evolve energetically and spiritually It will

revolutionise the hospitality industry I call the level Heart Based Hospitality because it is created by working with human energy especially with the energy of the heart by developing the heart's intelligence by increasing heart coherence so as to open the heart to experience ever stronger emotions of love and by developing spiritual capacity which increases the desire to show unconditional love Metta loving kindness heart warming care and compassion from the heart The future hospitality experience will be energetic and spiritual Hotels in the future will also use heart field energy techniques to change the energetic vibration of the hotel staff the guests and spaces They will also infuse spaces facilities and guest accommodation with pleasant feeling energy through specific meditations I have written the book in order to bring about a revolution of change in the hotel industry The book shows hotels how to implement and develop the process of creating Heart Based Hospitality Part 1 the Introduction to the book explains what the book is about Go to this link http://heartbasedhospitality.com/page_id_57800
