

It's Not Easy Being a Stepmom

Let's get a few things straight. I adored Snow White. I will do whatever you've heard—that I was an "evil stepmother" who tried to harm her—is completely false. Everything I did, I did for her own good. And when I tell my side of the story, I know you'll believe me.

First of all, unless you've raised a teenage girl yourself, you have no idea what an ordeal it can be. Teenage girls are lazy. They're impulsive. They eat junk. They dress like gypsies. And they need constant supervision, because they're big stars. Snow White was a typical teen. Maybe you've heard differently. But if there's one thing I'm known for, it's being a straight shooter.

Second, I was *just* stepmother. Stepmothers have a bad reputation. They're often called "evil," or "wicked." For some reason, the world hates them. Why? I don't know.

But I do know this: a "real" mother can get testy every now and then, and nobody raises an eyebrow. But if a stepmother loses her temper just once, it's on the front page of *The Malicious Times*.

Finally, I'm a widow. I'm not asking for your sympathy, believe me. But when my husband died, I was left to raise Snow White—all by myself. I was a hardworking single parent who didn't get a speck of help from anybody. And when things went wrong, I got all the blame. Read on and see for yourself.

Snow White's Own Story Reidulf Molvaer,2010 Folktales were created to solve problems of young people and as they were given symbolic form they could even deal with delicate facts of life indirectly This is also the case with the story of Snow White As a young woman she had many traumatic experiences and her meeting with the seven dwarfs almost meant her undoing But a man who really loved her came to her rescue and made her free and happy In Snow White's Own Story the famous tale is told in plain language with the true meaning laid bare It is Snow White for adults a folktale meant as therapy for young women in similar situations Reidulf Molvaer lived for 20 years among people who regularly use folktales in the upbringing of their children in order to make them psychologically socially and morally well adjusted members of their communities Publisher's website <http://www.strategicpublishinggroup.com/title/SnowWhitesOwnStory.htm> *Folktales Retold* Amie A.
