Chicana/o and Latina/o Fiction Ylce Irizarry, 2016-02-15 In this new study Ylce Irizarry moves beyond literature that prioritizes assimilation to examine how contemporary fiction depicts being Cuban Dominican Mexican or Puerto Rican within Chicana o and Latina o America Irizarry establishes four dominant categories of narrative loss reclamation fracture and new memory that address immigration gender and sexuality cultural nationalisms and neocolonialism As she shows narrative concerns have moved away from the weathered notions of arrival and assimilation Contemporary Chicana o and Latina o literatures instead tell stories that have little if anything to do with

integration into the Anglo American world The result is the creation of new memory This reformulation of cultural membership unmask the neocolonial story and charts the conscious engagement of cultural memory It outlines the ways contemporary Chicana o and Latina o communities create belonging and memory of their ethnic origins An engaging contribution to an important literary tradition Chicana o and Latina o Fiction privileges the stories Chicanas os and Latinas os remember about themselves rather than the stories of those subjugating them NACCS Book Award National Association for Chicana and Chicano Studies 2018 MLA Prize in United States Latina and Latino and Chicana and Chicano Literary and Cultural Studies Modern Language Association 2017

Historical Dictionary of the Seventh-Day Adventists Gary Land,2014-10-23 Seventh day Adventism was born as a radical millenarian sect in nineteenth century America It has since spread across the world achieving far more success in Latin America Africa and Asia than in its native land In what seems a paradox Adventist expectation of Christ s imminent return has led the denomination to develop extensive educational publishing and health systems Increasingly established within a variety of societies Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent In the process it has become a multicultural religion that nonetheless reflects the dominant influence of its American origins This second edition of Historical Dictionary of the Seventh Day Adventists covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on key people cinema politics and government sports and critics of Ellen White This book is an excellent access point for students researchers and anyone wanting to know more about Seventh day Adventism

The London Literary Gazette and Journal of Belles Lettres, Arts, Sciences, Etc, 1825 Of Mani, Marcion, and Bardaisan Saint Ephraim, Aeterna Press, I DESIRE to utter one more refutation against the three of them i.e. Marcion Mani and Bardaisan that is against Marcion in the first place who says that a heaven is found also beneath the Stranger Let us ask who bears up those heavens and what is in them For a power is necessary to bear them Or can it be that the heavens of the Stranger are resting on the heavens of the Maker so that he is the all sustaining Maker as indeed is the case But if they say that the heavens of the Stranger hang by the power of the Stranger we also will deal frowardly with the froward and say that

he who is above the heavens cannot support the heavens but only if he were beneath them But if he is the same person who is above the heavens and below them it is clear that the place of his possessions is the same and in the midst of it are collected those Souls whom ISU brought up hence For a Supporter is required for those heavy Souls whom he brought up thence inasmuch as when his possessions are found enfolded within his bosom there is required for them another power which supports them Aeterna Press
