Singing the Psalms with My Son T. Wilson Dickinson, 2023-06-02 What will the future hold for our children In a time of looming climate catastrophe this question inspires anxiety fear and guilt In *Singing the Psalms with My Son* Wilson Dickinson charts a path where the practices of parenting lead to transformation and hope The everyday tasks of caring for children radiate with the alternative energy of creativity and cooperation If we learn from them our homes can become schools for movements of joy and justice rather than fortresses fearfully set against the world Dickinson turns to the Psalms for guidance on this journey The prayerful poetry of the Psalter gives us refuge where we can cry in lament while still joining creation in

praising God With honesty humility and humor Dickinson weaves meditations on individual Psalms with reflections on life as a parent We accompany him and his son as they find the sacred and revolutionary possibility of ordinary activities like reading children s books playing in the backyard and celebrating holidays Coupled with guidance for personal and communal use these meditations invite us to harness the power of parental love and childish wonder to work for a hopeful future
