## **My Speed King Life With Donald Campbell:**

**My Speed King** Tonia Bern-Campbell, 2002 The love affair between British speed king Donald Campbell and vivacious singer Tonia Bern was one of the great romances of the 20th century But passion turned to tragedy with the dramatic death of Campbell on Lake Coniston in January 1967 as he attempted to break the world water speed record in his famous jet boat Bluebird In this portrait of her love affair and marriage to Campbell Tonia tells the inside story of her heady lifestyle with Britain's national land and water speed hero The collision between the two worlds of 1960s jet set and show biz promised a fast and furious ride but their volcanic marriage and the pressures of trying to combine two high profile careers sometimes took their toll on the relationship Writing soon after Donald's death Tonia turned her tremendous sense of personal loss into a vivid evocation of what it was really like to be married to a man with a great lust for love making and high speed record breaking But it has taken her until now to choose to tell the whole story

**Land Speed Records** Don Wales, 2018-03-22 The Land Speed Record is a fascinating story of human endeavour of man and machine battling time to be the fastest Since 1898 many have dreamed of being the fastest on earth first with electric then steam then petrol moving forward to the jet car and into the present and future with rocket power The glory years of the record are studded with iconic names such as Malcolm and Donald Campbell Henry Segrave John Cobb George Eyston and more recently Craig Breedlove and Richard Noble The next race is on for 1 000mph with the latest British attempt by Bloodhound SSC In this colourfully illustrated introduction using many photographs from the Motoring Picture Library at Beaulieu Malcolm Campbell's grandson tells of the brave drivers and powerful machines that have propelled themselves into the record books

**Hammer Complete** Howard Maxford, 2019-11-08 Think you know everything there is to know about Hammer Films the fabled Studio that Dripped Blood The lowdown on all the imperishable classics of horror like The Curse of Frankenstein Horror of Dracula and The Devil Rides Out What about the company's less blood curdling back catalog What about the musicals comedies and travelogues the fantasies and historical epics not to mention the pirate adventures This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail including budgets shooting schedules publicity and more along with all the actors supporting players writers directors producers composers and technicians Packed with quotes behind the scenes anecdotes credit lists and production specifics this all inclusive reference work is the last word on this cherished cinematic institution

**Donald Campbell** David Tremayne, 2011-09-30 Generations are familiar with the haunting black and white television footage of Donald Campbell somersaulting to his death in his famous Bluebird boat on Coniston Water in January 1967 It has become an iconic image of the decade His towering achievements and the drama of his passing are thus part of the national psyche But what of the man himself The son of the legendary Sir Malcolm Campbell who was famous for being the ultimate record breaker of the inter war years he broke the land speed record nine times and the water speed record four times with his Bluebird cars and boats Donald Campbell was born to speed He was outgoing and

flamboyant yet carefully orchestrated the image he presented to the world Some saw him as a playboy adventurer others such as the radio producer on the twenty first anniversary of his death as a reckless daredevil with a death wish He was known to take solace in extra marital dalliances and was obsessed with spiritualism And in his final years battered by a 360 mph accident while attempting the land record on the Bonneville Salt Flats in Utah and his prolonged and anti climactic subsequent effort on the treacherous Lake Eyre in Australia Campbell appeared a haggard and often frightened man He had become trapped on his record breaker s treadmill as he continually sought to prove himself to his illustrious father in whose long shadow he felt forever trapped

**DONALD CAMPBELL THE MAN BEHIND THE MASK** paints a fascinating portrait of an intense complex superstitious yet abnormally brave man who was driven not only by the desire to prove that he was worthy of the mantle of his father but also by his fervent and unswerving desire to keep Britain at the forefront of international speed endeavour This book generates a unique insight into how his desperate fear of failure finally lured him into taking one risk too many

**The Bluebird Years** Arthur Knowles, Graham Beech, 2001 Illustrated throughout The Bluebird Years details what really happened in the final fateful crash in which Donald Campbell attempted to break the world water speed record at 300 mph New analysis is featured by Ken Norris Bluebird s designer

*Fast on the Sand* Aldo Zana, 2022-03-14

The 1928 quest for the Land Speed Record on the sands of Daytona Beach was a first for America a singular mix of technology thrills and tragedy Tens of thousands lined the dunes along the beach a crowd larger than any yet seen at Indianapolis 500 Three contenders two Americans and a Briton raced for the ultimate distance averaged top speed in magnificent machines built by different schools of design This book chronicles the high speed drama The top American driver Frank Lockhart 25 survived a spectacular accident and rebuilt his Stutz Black Hawk only to meet his fate in the new runs The facts and myths behind the competition are examined in depth for the first time along with the innovations and fatal mistakes of vehicle design
