No Heaven No Hell:

No Heaven, No Hell Jane Brindle, 1998-11-12 Virginia is the living image of her great grandmother She has the same presence and outstanding beauty But behind her smile lies a terrible secret One by one people die only her loving sister remains It seems she has inherited the unspeakable evil that took her great grandmother to the grave Sex and the Devil's Wager Lee Huxley, 2009-11-25 Anti erotic elements in feminism have joined forces with Islam and Christianity to condemn prostitution the male gaze and the natural love men have for the feminine body as a symbol of universal beauty The author whose religion is based in Tantra regards these attitudes both wrong and offensive to pagans Lee Huxley claims to be a knower an enlightened one who sees with the third eye and whose wisdom and lateral thinking demonstrate his special insights in this book Lee knows the truth the unthinkable that Jesus Christ the hellfire and damnation preacher is not the Son of God but the Son of Evil If Christ is the Son of Evil then Lee argues from this basis that Judaism Christianity and Islam are blasphemies This book asks how Western civilization could be founded on lies delusions and blasphemies that even today are still taken seriously This book is the result of a lifetime of research which has culminated in the formulation of the Devils Wager The Devils Wager challenges you the reader to name any moral idea from the worst evildoers of history that is as evil as the central teaching of the Bible and the Koran namely that God will resurrect the human race and torture most of them in hell for all eternity Fifty per cent of the damned will be women The male God of monotheism is a hellfire pyromaniac Jesus Christ and Allah are arsonists who burn women alive This is the feminist issue of our times Lee uses the writings of theologian and lapsed Catholic Mary Daly one of the greatest feminist thinkers to explain their common conviction that feminism must now assume the role of the Antichrist and bring an end to monotheism *Peace by Peaceful Means* Johan Galtung, 1996-07-31 Two definitions of peace underlie this major work The first definition of peace is dynamic the state of affairs that makes the nonviolent and creative handling of conflict possible The second definition is static an absence of direct structural and cultural violence *Life Words* Dwight Lyman Moody, 1875 The Saints' Everlasting Rest ... Alice? Bill Bailey, 2011-06-01 Description Is Alice is a powerful and fictionalised love story The novel was written solely as a manuscript gift for my partner and publication is therefore dependent upon her wishes Her primary one along with pleasure about its surprising publication is anonymity She is not Alice and I am not Theo This is not a biography Fiction is used in Is Alice to illuminate an actual madness along with a real search for the ideas that may help in understanding the living and political nature of consciousness the structure of normality and the real world and its incoherent collapse into the hell that is known as schizophrenia There are passages from the patient's point of view which make this novel an unusual project That is because the inner landscape of madness does have a logic and meaning that should be acknowledged and evoked instead of ridiculed or misunderstood Contemporary psychology nevermind clinical psychiatry fails in its attempt to address the nature of consciousness or its creation of the world I believe philosophy underpins psychology not the other way around About the Author Born in a small rural town in North Carolina Bill Bailey began his itinerant life after graduating from university with a degree in philosophy and a keen interest in judo After being drafted and subsequently ejected by the US Army for being incompatible he found work as a prison guard in Canada and continued his study of judo before briefly prospecting for gold in British Columbia Having meanwhile accidentally married a Texan heiress he moved to Houston Texas where he managed a ranch scrambled motorbikes rallied sports cars worked as a bouncer taught English and French and organised the first white collar union in the US meat packing industry He placed third in the Southwestern US Judo Championships light heavyweight division and was awarded his black belt Backing quickly away from Texas after stumbling into the acting profession he moved to London Within a year of his arrival he became the first full frontal male nude on the British stage and consequently

was featured in a full page photo in Life Magazine opposite Lennon and Ono In the course of his acting career he has worked extensively in film in Hollywood and Europe television and London s West End During the Miners Strike of 84 85 Bill wrote a play about the strike and toured the embattled coalfields performing with a small company of actors He is the published author of five novels called The Haug Quintet an investigation of the political nature of consciousness set in a compelling fictional landscape
