Read the Scriptures with the insight of our forebears Christians live in the house built by the church fathers Essential Christian doctrines were shaped by how figures such as Justin Martyr Irenaeus and Augustine read the Bible But appreciating patristic interpretation is not just for the historically curious as if it were only a matter of literary archaeology Nor should it be intimidating Rather the fathers gleaned insights from Scripture that continue to be relevant to all Christians How the Church Fathers Read the Bible is an accessible introduction to help you read Scripture with the early church With a clear and simple style Gerald Bray explains the distinctives of early Christian interpretation and shows how the fathers interpreted key Bible passages from Genesis to Revelation Their unique perspective is summed up in seven principles that can inspire our Bible reading today With Bray as your guide you can reclaim the rich insights of the fathers with reverence and discernment Reading Scripture with the Church Fathers Christopher A. studying the writings of the leaders of the early church reveals how the Bible was understood in the centuries closest to its writing He also lays out how modern Christians can benefit from patristic interpretation of Scripture Reading Scripture Like the Early Church: Seven Insights from the Church Fathers to Help You Understand the Bible James L. Papandrea, Jim Papandrea, 2022-11-22 In this brief yet penetrating book Dr James Papandrea reveals what the early Church Fathers actually taught and believed about the Holy Scriptures as well as how they read understood and interpreted the Word of God He explains the process by which the books of the Bible were selected and demonstrates the harmoniousness and complementarity of the Gospels With Dr Papandrea's guidance you will see how Scripture attests to the truth of the sacraments Catholic doctrines and the hierarchy of the Church founded by Christ You will come to understand how the Church Fathers differentiated the literal and figurative interpretations of Scripture it will likely surprise you You will come to appreciate as never before the multiple layers of biblical meaning from the historical and prophetic to the allegorical apocalyptic eschatological and typological Dr Papandrea further explains How Scripture was written and why the Bible is infallible and reliable Why revelation is dynamic and why authentic scriptural interpretation cannot contradict doctrine How our approach to reading the Old Testament differs from that of reading the New The spiritual senses of Scripture and how the Old Testament is fulfilled in Christ The importance of understanding the fullness of Scripture and the dangers in taking
