A Study of Meaning in
Ezra Pound

Noel Stock

Reading The Cantos A Study Of Meaning

Mark Byron

Reading The Cantos A Study Of Meaning:

Reading the Cantos Noel Stock, 1966 **Reading the Cantos (Routledge Revivals)** Noel Stock, 2010-11-30 First published in 1967 this is a study which tackles the central problem of meaning within Ezra Pound's *The Cantos*. It deals with the question of important critical issues as well as of interpretation and understanding. Students of modern poetry will derive great benefit from this vigorous and lucid analysis of Pound's masterpiece. Noel Stock's finding is radical: that *The Cantos* is not really a poem at all but rather notes towards a poem. It is a collection of fragments of varying quality, some of extraordinary power and beauty but in no sense formed into a work of art.

Reading the 'Cantos:' a Study of Meaning in Ezra Pound Noel Stock, 1967 *Language, Sexuality, and Ideology in Ezra Pound's Cantos* Jean-Michel

Rabat, Jean-Michel Rabaté, 1986-01-01 *Ezra Pound's Cantos* remains among the most influential and difficult of twentieth-century poetic writings. But now for the first time Rabat's powerful and original study presents a theory of reading adequate to the challenge of Pound's writing. Using elements from Lacanian psychoanalysis and Heidegger's powerful meditation of poetry and language, this book constructs a theory of reading which both gives full force to the strategies of writing deployed in the *Cantos* and to the historical and political situations to which those strategies are a response. This study provides a fresh reading of the familiar Pound canon: Homer, Dante, Ovid, but also of the less well-known Ruskin, Browning, Frobenius. Pound's practice of quotation is understood in the context of a new poetic discourse characterized by parapraxis, ellipsis, condensation, and autonomous voices which refer the division of the speaking subject back to an omniform intellect capable of taking on any new personality at will. Crucial to an understanding of Pound's situation is the relationship between Chinese and Greek culture, an analysis of which allows Rabat to elaborate the tragic dimension in Pound's life and works. This book also parallels and contrasts Pound with his major contemporaries such as Eliot and Joyce, and with his immediate heirs like William Carlos Williams, H. D., Zukofsky, and Olson.

[Approaches to Teaching Pound's Poetry and Prose](#) Demetres P. Tryphonopoulos, Ira B. Nadel, 2021-04-05 Offers pedagogical techniques for teaching works by Ezra Pound, including his prosody, his references to classical and Asian traditions, and his role in modernism, as well as his fascism, anti-Semitism, and other problematic beliefs. Gives syllabus suggestions for undergraduate and graduate literature courses, including many online resources.

The Ezra Pound Encyclopedia Demetres P. Tryphonopoulos, Stephen J. Adams, 2005-04-30 Ezra Pound forever changed the course of poetry. The author of a vast body of literature, his enormous range of references and use of multiple languages make him one of the most obscure authors, and because of his fascism, anti-Semitism, and questionable sanity, one of the most controversial. This encyclopedia is a concise yet comprehensive guide to his life and writings. Included are more than 250 alphabetically arranged entries on such topics as Arabic history, Chinese translation, dance, Hilda Doolittle, Egyptian literature, Robert Frost, and Pound's publications. The entries are written by roughly 100 expert contributors and cite works for further reading. Ezra Pound forever changed the course of poetry. His vast body of poetry and critical works make him one of the 20th century's

most prolific writers and his influence has shaped later poets great and small His enormous range of references deliberate obscurity and use of multiple languages make him one of the most difficult authors and because of his Fascism anti-Semitism and questionable sanity one of the most controversial figures in American literary history This encyclopedia is a concise yet comprehensive guide to his life and writings Ezra Pound and the Career of Modern Criticism Michael Coyle, Roxana Preda, 2018 Forty five years after his death and more than seventy years after his indictment for treason Ezra Pound remains a deeply controversial figure Today it is hard to imagine a poet sparking national debate but Pound did just that His receipt in 1949 of the first ever Bollingen Award for Poetry started a hue and cry that spread to every US periodical that made even a pretense of following cultural issues even Time weighed in It took two years for things to simmer down and when they finally did literary study looked profoundly different Everyone engaged in the study of poetry today professors and students alike works in an environment shaped by that national crisis of conscience The present book considers this untold story and investigates not just what critics have had to say about Pound but also why they have asked the questions they have asked It is routine for reception histories to distinguish between professional studies and more popular responses this book encourages us to consider why we make that distinction and what the costs of doing so might be Unprofessional responses to Pound have often been ideologically and politically embarrassing for Pound scholars who have in response policed the distinction between professional and popular readings with extraordinary vigilance As a result the history of Pound's reception unfolds as a kind of drama perhaps the last ongoing theater for McCarthyite cultural political anxieties Michael Coyle is Professor of English at Colgate University and has published widely on Pound Roxana Preda is Leverhulme Fellow in American Literature at the University of Edinburgh and President of the Ezra Pound Society

The New Ezra Pound Studies Mark Byron, 2020 Essays on recent developments in Pound scholarship and research including newly available primary sources and methodological advances in cognate fields *The Pound Biennial* Anderson Araujo, Ron Bush, 2025-04-11 The Ezra Pound Studies Biennial claims a place as the flagship journal entirely devoted to Pound's work at a time when Pound studies represents one of the most active fields in modernist scholarship Elaborating on the life work and international reception of one of the prime movers of the modernist revolution in the arts and letters this inaugural volume joins an ever increasing number of studies examining Pound's letters prose poetry translations companions and international reception and taking the form among other things of critical essays and editions digital projects and monographs Building on this work the current volume features twelve high caliber contributions written by a diverse group of established and emerging Pound scholars Their subjects include the genesis of Pound's Pisan Cantos the poet's political and economic preoccupations his association with modernist women writers his fascination with typography and with the Italian Renaissance and his translations of Noh plays and French poetry
