**Math & Reading, Grade 2** Brighter Child, 2014-01-02 Master Skills Math Reading provides parents and students with the perfect resource for fun standards-based activities with real-life applications for skill mastery. The Master Skills series helps your child master crucial skills for school success. Short engaging practice activities support Common Core State Standards for second graders. The Master Skills workbook series provides comprehensive practice in reading, reading comprehension, and math for students in grades K-3. Short activities with bright illustrations are fun to do. Both parents and students will like the colorful, engaging pages that target essential skills for school success.

*Writing Sense* Juli Kendall, Outey Khuon, 2006 Writing is all about making meaning. The prospect of teaching writing to a classroom full of students, some who speak English and some who don't, can be overwhelming. When students learning English are at different levels, the task is even more challenging. *Writing Sense: Integrated Reading and Writing Lessons for English Language Learners* outlines the classroom conditions necessary for successful writing instruction with English language learners, whether in writing workshop and/or small group instruction. It includes 68 classroom-tested lessons for grades K-8 that show kids at all levels of language acquisition how to make connections, ask questions, visualize, make mental images, infer, determine importance, synthesize, monitor meaning, and comprehension, and use fix-up strategies. The five main sections are geared to the stages of language proficiency, and lessons are divided into younger and older students, spanning kindergarten through to grade eight. There are extensive lists of suggested books for mentor texts, as well as lists of mentor authors to facilitate teachers' planning and instruction.

*The Complete Book of Time & Money, Grades K - 3*, 2017-07-27 GRADES K-3 With age-appropriate activities, this beginning time and money workbook helps children build knowledge and skills for a solid foundation in early mathematics and real-life application. INCLUDES This elementary math book features easy-to-follow instructions and practice in working with US coins and bills and telling time in hours, half hours, quarter hours, and minutes. ENGAGING This telling time and counting money workbook features colorful photographs and illustrations with fun, focused activities to entertain children while they grasp concepts and skills for success. HOMESCHOOL FRIENDLY This elementary workbook for kids is a great learning resource for at home or in the classroom and allows parents to supplement their children's learning in the areas they need it most.
