Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917:

Readings in Russian Civilization, Volume 2: Imperial Russia, 1700-1917, 1969 *Readings in Russian Civilization, Volume 2* Thomas Riha, 1969-08-15 This new and enlarged version of Readings in Russian Civilization is the result of fairly extensive revisions There are now 72 instead of 64 items 20 of the selections are new The first volume has undergone the least change with 3 new items of which 2 appear in English for the first time In the second volume there are 6 new items all of them appear in English for the first time The third volume has undergone the greatest revision with 11 new items of which 6 are newly translated from the Russian It is the editor's hope that items left out in the new edition will not be sorely missed and that the new selections will turn out to be useful and illuminating The aim throughout has been to cover areas of knowledge and periods which had been neglected in the first edition and to include topics which are important in the study of the Russian past and present The bibliographical headnotes have been enlarged with the result that there are now approximately twice as many entries as in the old edition New citations include not only works which have appeared since 1963 but also older books and articles which have come to the editor's attention From the Editor's Preface a judicious combination of seminal works and more recent commentaries that achieves the editor's purpose of stimulating curiosity and developing a point of view C Bickford O'Brien The Russian Review These three volumes cover quite well the main periods of Russian civilization The choice of the articles and other material is made by a competent and unbiased scholar Ivan A Lopatin Professor of Asian and Slavic Studies University of Southern California **Readings in Russian Civilization Volume II**

Thomas Riha, 2009-02-15 This new and enlarged version of Readings in Russian Civilization is the result of fairly extensive revisions There are now 72 instead of 64 items 20 of the selections are new The first volume has undergone the least change with 3 new items of which 2 appear in English for the first time In the second volume there are 6 new items all of them appear in English for the first time The third volume has undergone the greatest revision with 11 new items of which 6 are newly translated from the Russian It is the editor's hope that items left out in the new edition will not be sorely missed and that the new selections will turn out to be useful and illuminating The aim throughout has been to cover areas of knowledge and periods which had been neglected in the first edition and to include topics which are important in the study of the Russian past and present The bibliographical headnotes have been enlarged with the result that there are now approximately twice as many entries as in the old edition New citations include not only works which have appeared since 1963 but also older books and articles which have come to the editor's attention From the Editor's Preface a judicious combination of seminal works and more recent commentaries that achieves the editor's purpose of stimulating curiosity and developing a point of view C Bickford O'Brien The Russian Review These three volumes cover quite well the main periods of Russian civilization The choice of the articles and other material is made by a competent and unbiased scholar Ivan A Lopatin Professor of Asian and Slavic Studies University of Southern California *Historiography of Imperial Russia: The Profession*

and Writing of History in a Multinational State Thomas Sanders, 2015-02-12 This collection of the best new and recent work on historical consciousness and practice in late Imperial Russia assembles the building blocks for a fundamental reconceptualization of Russian history and history writing

War and Punishment Hein Goemans, 2012-01-06 What makes wars drag on and why do they end when they do Here H E Goemans brings theoretical rigor and empirical depth to a long standing question of securities studies He explores how various government leaders assess the cost of war in terms of domestic politics and their own postwar fates Goemans first develops the argument that two sides will wage war until both gain sufficient knowledge of the other's strengths and weaknesses so as to agree on the probable outcome of continued war Yet the incentives that motivate leaders to then terminate war Goemans maintains can vary greatly depending on the type of government they represent The author looks at democracies dictatorships and mixed regimes and compares the willingness among leaders to back out of wars or risk the costs of continued warfare Democracies according to Goemans will prefer to withdraw quickly from a war they are not winning in order to appease the populace Autocracies will do likewise so as not to be overthrown by their internal enemies Mixed regimes which are made up of several competing groups and which exclude a substantial proportion of the people from access to power will likely see little risk in continuing a losing war in the hope of turning the tide Goemans explores the conditions and the reasoning behind this gamble for resurrection as well as other strategies using rational choice theory statistical analysis and detailed case studies of Germany Britain France and Russia during World War I In so doing he offers a new perspective of the Great War that integrates domestic politics international politics and battlefield developments

A History of Russia Volume 1 Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss's accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful with both professors and students including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps that supplement and amplify the text fully updated bibliographies accompanying each chapter as well as a general bibliography of more comprehensive works a glossary and chronological and genealogical lists Moss's *A History of Russia* will appeal to academics students and general readers alike

Russian Conservatism Paul Robinson, 2019-10-15 *Russian Conservatism* examines the history of Russian conservative thought from the beginning of the nineteenth century to the present Robinson charts the contributions made by philosophers politicians and others during the Imperial Soviet and post Soviet periods Looking at cultural political and social economic conservatism in Russia *Russian Conservatism* demonstrates that such ideas are helpful in interpreting Russia's present as well as its past and will be influential in shaping Russia's future for better or for worse in the years to come

Managing "modernity" Rudra Sil, 2002 Compares industrial management in two late industrializers Japan and Russia as a basis for an original theory of institution building

Russian

Liberalism Paul Robinson,2023-09-15 Russian Liberalism charts the development of liberal ideas and political organizations in Russia as well as the implementation of liberal reforms by the Russian and Soviet governments at various points in time Paul Robinson s comprehensive survey covers the entire period from the late eighteenth century to the present day Robinson demonstrates that liberalism has always lacked strong roots in the Russian population being largely espoused by a narrow group of intellectuals whose culture it has reflected and has tended toward a form of historical determinism that sees Russia as destined to become like the West Many see the current political struggle between Russia and the West as being in part a conflict between the liberal West and an illiberal Russia By explaining the historical causes of liberalism s failure in that country Russian Liberalism offers an understanding of a significant aspect of contemporary international affairs After Putin s February 2022 invasion of Ukraine understanding Russian political thought is a matter of considerable importance

Russian Literary Journals, Dostoevsky, and Tolstoy in St. Petersburg, 1877 Linda M. Mayhew,2025-09-25 In 1877 the atmosphere in Russia was highly contentious Amid war with the Ottoman Empire the nation was also grappling with intense intellectual and political conflicts Various groups and individuals were fervently engaged in shaping the country s future navigating a landscape marked by strict censorship and deep ideological divides This game set in St Petersburg immerses students into the vibrant and combative world of Russian literary journals Students assume the roles of editors writers and social activists navigating the complex intersection of literature and politics The periodicals they produce are filled with subtle political commentaries regarding the monarchy education religion and women in society all designed to slip past the censors As writers such as Fyodor Mikhailovich Dostoevsky and Count Lev Nikolaevich Tolstoy compete to publish their work they must align with intellectual factions Populists Slavophiles or Westernizers and find allies to advance their literary and political ambitions Editors face the dual challenges of maintaining their publication goals and appeasing the censors deciding which articles and novels make it to print In this game writers present their work at Elena Shtakenshneider s literary salon sparking discussions on themes such as the relationship of art to society women s roles access to education the Russian Orthodox Church and paths to political reform In this charged environment the success of a journal can determine its influence on Russia s future The editor of a thriving journal may even earn an audience with Tsar Alexander II with the opportunity to advocate for a constitutional monarchy endorse the existing autocratic structures or propose sweeping political and social changes

Russia and Eastern Europe, 1789-1985 Raymond Pearson,1989 **No Harmless Power** Charlie Allison,2023-08-22 Lively incendiary and inspiring No Harmless Power follows the life of Nestor Makhno who organized a seven million strong anarchist polity during the Russian civil war and who developed Platform anarchism during his exile in Paris as well as advising other anarchists like Durruti on tactics and propaganda Both timely and timeless this biography reveals Makhno s rapidly changing world and his place in it He moved swiftly from peasant youth to prisoner to revolutionary anarchist leader Narrowly escaping Bolshevik Ukraine for Paris this book also chronicles the friends and

enemies he made along the way including Lenin Trotsky Alexander Berkman Kropotkin Emma Goldman Ida Mett and others No Harmless Power is the first text to fully delve into Makhno's sympathy for the downtrodden the trap of personal heroism his improbable victories unlikely friendships and his alarming lack of gun safety in meetings Makhno and the movement he began are seldom mentioned in most mainstream histories Western or Russian mostly on the grounds that acknowledging anarchist politics calls into question the inevitability and desirability of the nation state and unjust hierarchies With illustrations by N O BONZO and Kevin Matthews this is a fresh humorous and necessary look at an under examined corner of history as well as a deep exploration of the meaning and value if any of heroism as history

The Life and Thought of Filaret Drozdov, 1782-1867 Nicholas S. Racheotes, 2018-10-25 The Life and Thought of Filaret Drozdov 1782 1867 The Thorny Path to Sainthood is an intellectual biography of the foremost historical figure in the religious world of nineteenth century Russia The product of decades of archival research most of which was in the Russian language this is the first book length study of St Filaret in English The volume is designed for specialists engaged in imperial Russian history students in upper level undergraduate or graduate courses and for readers interested in Eastern Orthodox spirituality and observers of the contemporary Russian scene who wish to understand traditional church state relations Deeply researched and including a formidable bibliographic component the volume also serves as a reference guide to scholars desiring to study at greater length one of the many topics raised Racheotes argues that Filaret was far more than a neo patristic theologian steeped in the tradition of the Eastern fathers He was simultaneously a valued monarchical apologist and a guardian of the privileges of the Russian Orthodox Church to the point of subtly resisting the state By means of translation select passages from sermons letters and official reports are available in English for the first time Often preaching before three reigning tsars writing or editing such monumental documents as Alexander I's will and Alexander II's decree emancipating the Russian serfs leading the drive for a Russian translation of the Bible and preparing Orthodox catechisms are but a few examples of St Filaret's historical importance His centrality to policy formation with respect to the so called Old Believers his incessant campaigns for clerical education reform and for translation into Russian of the seminal works of Eastern theologians account for the enduring influence attributable to this Archbishop Today his pronouncements are enjoying a revival among a new generation of religious historians in Russia and are often adduced by a host of contemporaries arguing for Russian exceptionalism

Revolutions and the Collapse of Monarchy Zhand Shakibi, 2007-02-23 What causes revolution What brought about the end of the last major monarchies of the modern period Were Louis XVI Nicholas II and Mohammad Reza Pahlavi the unwitting victims of historical circumstance or did their own actions help to bring about the revolutions that overthrew them This powerful and original book is the first comparative study of the revolutions in Bourbon France Romanov Russia and Pahlavi Iran Zhand Shakibi analyses fully the timing and causes of these three revolutions and reveals the important similarities between them Revolutions and the Collapse of Monarchy argues provocatively that it is often the monarch's own

personality that provides the vital spark which produces revolution This ambitious and important book challenges the Marxist interpretation of history and adds a compelling new perspective to theories of revolution

Russian Populism Christopher Ely, 2021-12-30 Russian populism the belief that the peasantry embodied authentic Russian identity and once liberated from their poverty would lead the country to a brighter future has animated Russian thought across the political spectrum and inspired much of Russia's world historical literature music and art in the 19th century This book offers the fullest and most authoritative account of the rise proliferation and influence of populist values and ideology in modern Russia to date Christopher Ely explores the complete story of Russian populism Starting from the cursed question of how to reconnect the popular masses with the Europeanized elite he examines the populist obsession with the peasant commune as a model for a future socialist Russia He shows how the desire for revolution led Russian radicals to flood into the countryside and later to pioneer terrorism as a form of political action He delves into those artists influenced by populist ideals and he tells the story of the collapse of populist optimism and its rebirth among the Socialist Revolutionary neo populists The book demonstrates that populism existed in forms ranging from radical socialist to religious conservative Blending lively theoretical analysis with a wealth of primary sources and illustrations Russian Populism provides a highly engaging overview of this complex phenomenon it is invaluable reading for anyone interested in the momentous final decades of the Russian Empire

Public Justice and the Anthropology of Law Ronald Niezen, 2010-10-21 In this powerful timely study Ronald Niezen examines the processes by which cultural concepts are conceived and collective rights are defended in international law Niezen argues that cultivating support on behalf of those experiencing human rights violations often calls for strategic representations of injustice and suffering to distant audiences The positive impulse behind public responses to political abuse can be found in the satisfaction of justice done But the fact that oppressed peoples and their supporters from around the world are competing for public attention is actually a profound source of global difference stemming from differential capacities to appeal to a remote unknown public Niezen's discussion of the impact of public opinion on law provides fresh insights into the importance of legally constructed identity and the changing pathways through which it is being shaped crucial issues for all those with an interest in anthropology politics and human rights law

Readings in Russian Civilization Thomas Riha, 1969

Russia John M. Thompson, Christopher J. Ward, 2018-04-17 This lucid account of Russian and Soviet history presents major trends and events from ancient Kievan Rus to Vladimir Putin's presidency in the twenty first century Russia does not shy away from controversial topics including the impact of the Mongol conquest the paradoxes of Peter the Great the inevitability of the 1917 Revolution the Stalinist terror and the Gorbachev reform effort Tackling those topics and others the new edition is updated to discuss the Russia Georgia war of 2008 the 2013 2014 Euromaidan protests in Ukraine the war in eastern Ukraine and the Russian annexation of Crimea Distinguished by its brevity and amply supplemented with useful images and suggested readings this essential text provides balanced coverage of all periods of Russian history and

incorporates economic social and cultural developments as well as politics and foreign policy **Russian Foreign Policy in the Twenty-first Century and the Shadow of the Past** Robert Legvold, 2007 Because the turbulent trajectory of Russia's foreign policy since the collapse of the Soviet Union echoes previous moments of social and political transformation history offers a special vantage point from which to judge the current course of events In this book a mix of leading historians and political scientists examines the foreign policy of contemporary Russia over four centuries of history The authors explain the impact of empire and its loss the interweaving of domestic and foreign impulses long standing approaches to national security and the effect of globalization over time Contributors focus on the underlying patterns that have marked Russian foreign policy and that persist today These patterns are driven by the country's political makeup geographical circumstances economic strivings unsettled position in the larger international setting and above all its tortured effort to resolve issues of national identity The argument here is not that the Russia of Putin and his successors must remain trapped by these historical patterns but that history allows for an assessment of how much or how little has changed in Russia's approach to the outside world and creates a foundation for identifying what must change if Russia is to evolve A truly unique collection this volume utilizes history to shed crucial light on Russia's complex occasionally inscrutable relationship with the world In so doing it raises the broader issue of the relationship of history to the study of contemporary foreign policy and how these two enterprises might be better joined *World History in Brief* Peter N. Stearns, 2007 With its brief global rather than West centered approach *World History in Brief* Sixth Edition seeks to show how different civilizations developed in a global context Rather than overwhelm students the chief goal of *World History in Brief* is to present the big picture to facilitate comparison and assessment of change and to highlight the major developments in the world's history This text also emphasizes the global interactions of major civilizations so that students can compare and assess changes in the patterns of interaction and the impact of global forces such as migration and technology exchange The compact size of this text gives instructors the opportunity to take advantage of additional supplementary readings

Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual

property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 Books

What is a Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and

editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
