Reagan Electionomics How Reagan Ambushed The Pollsters:

Reagan Electionomics Donald John Devine,1983 *Reagan's Revolution* Craig Shirley,2010-02-22 Today s political scene looks nothing like it did thirty years ago and that is due mostly to Reagan s monumental reshaping of the Republican party What few people realize however is that Reagan s revolution did not begin when he took office in 1980 but in his failed presidential challenge to Gerald Ford in 1975 1976 This is the remarkable story of that historic campaign one that as Reagan put it turned a party of pale pastels into a national party of bold colors Featuring interviews with a myriad of politicians journalists insiders and observers Craig Shirley relays intriguing never before told anecdotes about Reagan his staff the campaign the media and the national parties and shows how Reagan instead of following the lead of the ever weakening Republican party brought the party to him and almost single handedly revived it Liberalism Versus Conservatism François B. Gérard,2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what do these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author America's Right Turn Richard A. Viguerie,David Franke,2004 Liberal media activists beware Richard A Viguerie venture capitalist of the conservative movement described as funding father of the right and David Franke a founder of the conservative movement detail how conservatives shut out by the liberal mass media of the 1950s and 60s came to power by utilizing new and alternative media and then created their own mass media Rendezvous with Destiny Craig Shirley,2014-04-08 A first rate work of insider history A monumental accomplishment National Review The election that changed everything Craig Shirley s masterful account of the 1980 presidential campaign reveals how a race judged too close to call as late as Election Day became a Reagan landslide and altered the course of history To write *Rendezvous with Destiny* Shirley gained unprecedented access to 1980 campaign files and interviewed more than 150 insiders from Reagan s closest advisers and family members to Jimmy Carter himself His gripping account follows Reagan s unlikely path from his bitter defeat on the floor of the 1976 Republican convention through his underreported wilderness years through grueling primary fights in which he knocked out several Republican heavyweights through an often nasty general election campaign complicated by the presence of a third party candidate not to mention the looming shadow of Ted Kennedy to Reagan s astounding victory on Election Night in 1980 Shirley s years of intensive research have enabled him to relate countless untold stories including at long last the solution to one of the most enduring mysteries in politics just how Reagan s campaign got hold of Carter s
