Real Leadership In Realtime How To Lead With High Skill At High Speed:

Real Leadership! Are You Ready? Richard S. Dillard, Andrea L. Wagner, 2015-06-29 As Leadership goes so goes the group the organization the nation et al Yet in spite of this multi millennial axiom and the simple fact that we are the best leadership educated society in the history of business our encounters with genuine leaders remain extremely rare Real Leadership Are You Ready examines this perplexing phenomenon and qualifies the problem as an unwillingness and or inability to use new leadership information to improve our performance It also provides the solution a Leadership Enrichment LIFE cycle LEL c to help individuals and organizations build and sustain durable Leadership Platforms If you are ready to enrich your personal leadership and raise the level of leadership in your organization this book is for you But I caution you ahead of time this book and its measures of merit are a little different than the typical leadership development offering It won't offer instant solutions or allow for a casual engagement by the passive reader No It offers much more than that The principal measure of merit for Real Leadership Are You Ready is the extent to which it will steal you and your organization away from the impersonal and futile trappings of fake leadership and enable you to move toward the personal and productive outcomes of Real Leadership With your commitment and this book as a guide the personal and organizational platforms that emerge will not only provide better support for the weight of those who choose to follow your lead they will actually be able to withstand the world's difficult tests of time and torrent

Leader's Guide: Building High-Performing Teams Alexander Maasik, Ott Jõgi, 2016-09-22 At first glance leadership seems like magic There seem to be so many unknowns Some say it's more like art than science That's not true What many people don't know is that a lot of magic is based on rules There are best practices common procedures to follow acts that everyone replicates and processes every magician knows You can see those acts and processes in here
