Red Domination In Spain The General Caus:

The Red Domination in Spain Spain. Ministerio Fiscal,1961 **Hemingway & Franco** Douglas Edward Laprade,2011-11-28 Este volumen es un análisis fundamental para entender los lazos del escritor norteamericano con la España republicana y su posterior acogida durante los años de posguerra por parte del gobierno del general Franco Los primeros tres capítulos examinan las alusiones literarias e históricas de algunas de sus obras en referencia a España su relación política y literaria con Rafael Alberti y la recepción del escritor a la luz de su ideología Los últimos cinco capítulos ofrecen y explican los documentos españoles depositados en el Archivo General de la Administración en Alcalá de Henares que testimonian cómo el gobierno franquista siempre consideraba a Hemingway un escritor comunista y por tanto peligroso y objeto de censura **The Red Domination in Spain** Spain. Ministry of Justice,1953 **"Spain Mad": British Engagement with the Spanish Civil War** Tom Buchanan,2024-06-15 Taking inspiration from a police informant's comment that his workmates had gone Spain mad in response to the Spanish Civil War this book uses biographical studies to explore the nature of British engagement with the conflict The opening chapter presents a general analysis of the subject and assesses the available evidence Some 2400 Britons volunteered to fight in the conflict and some 500 died there Accordingly the International Brigades are well represented in the book with chapters on two of the commanders of the British Battalion Wilfred Macartney and Fred Copeman and the Anglo Canadian volunteer Frank Whitfield Two of the other subjects George Orwell and Felicia Browne fought in other units However the book shows that engagement in the Civil War could take many forms hence the chapters on the journalist Philip Jordan clergyman E O Iredell and the humanitarian activist and politician G T Garratt The remaining chapters look at three historians and writers who have shaped the understanding of the Civil War in Britain Orwell Hugh Thomas and Jim Fyfe The book is based on extensive new research and many of these subjects have never previously been studied in any depth **The Red Domination in Spain, the General Cause, Causa General. [Notes for the Spanish History, 1936-1939].** ,1953 **Censura y recepción de Hemingway en España** Douglas Edward Laprade,2005 Aquest llibre és un estudi de la censura i recepció que les obres d'Ernest Hemingway van tenir a Espanya En el primer capítol es demostra que quan el nord-americà va escriure Per a qui toquen les campanes defensava la política cultural de l'Aliança d'Intel·lectuals Antifeixistes per a la Defensa de la Cultura A més s'hi ofereix una anàlisi al·legòrica de la novel·la amb l'objectiu de demostrar com el text s'assembla a les al·legories d'Alberti El segon capítol resumeix la crítica espanyola sobre les obres de Hemingway Es fa atenció especial a les ressenyes anticipades que es publicaren a Espanya abans que els seus llibres apareguessin en el país Cinc dels set capítols d'aquest llibre són resultat de la recerca que s'ha dut a terme en l'Arxiu General de l'Administració d'Alcalá de Henares El tercer capítol és un resum dels expedients compilats pelsensors espanyols sobre les obres de l'escriptor publicades a Espanya durant el règim de Franco El quart comenta l'expedient que elsensors franquistes van reunir sobre el llibre Hemingway entre la vida y la muerte de l'autor espanyol Jos Luis

Castillo Puche Aquest capítol demostra com els censors controlaren la crònica sobre Hemingway a més de censurar els llibres de l'escriptor El cinquè capítol reproduïx i comenta la correspondència sobre el film Per a qui toquen les campanes enviada entre l'ambaixador d'Espanya a Washington i els consols espanyols als Estats Units El sisè capítol publica i comenta la correspondència sobre el film Les neus del Kilimanjaro enviada entre els diplomàtics espanyols destinats als Estats Units El setè estudia l'expedient compilat sobre Gustavo Durán amic de Hemingway durant la Guerra Civil i personatge de la novel·la Per a qui toquen les campanes Aquest expedient aporta una nova interpretació de les al·lusions al poble d'Usser en la novel·la de Hemingway

Spain, 1833-2002 Mary Vincent, 2007-12-06 A lively and concise introduction to the politics and national life of Spain in the 19th and 20th centuries covering both cultural and political history and exploring the complicated questions of citizenship and national identity that characterized Spain's political life even into the 1970s

The Spanish Civil War Hugh Thomas, 2013-11-06 Mr Thomas has understood the Spanish Civil War incredibly well and has written it superbly A full vivid and deeply serious treatment of a great subject Vincent Sheean The New York Times Book Review A masterpiece of the historian's art Hugh Thomas's The Spanish Civil War remains the best most engrossing narrative of one of the most emblematic and misunderstood wars of the twentieth century Revised and updated with significant new material including new revelations about atrocities perpetrated against civilians by both sides in this epic conflict this definitive work on the subject Richard Bernstein The New York Times has been given a fresh face forty years after its initial publication in 1961 In brilliant moving detail Thomas analyzes a devastating conflict in which the hopes dreams and dogmas of a century exploded onto the battlefield Like no other account The Spanish Civil War dramatically reassembles the events that led a European nation in a continent on the brink of world war to divide against itself bringing into play the machinations of Franco and Hitler the bloodshed of Guernica and the deeply inspiring heroics of those who rallied to the side of democracy Communists anarchists monarchists fascists socialists democrats the various forces of the Spanish Civil War composed a fabric of the twentieth century itself and Thomas masterfully weaves the diffuse and fascinating threads of the war together in a manner that has established the book as a genuine classic of modern history Stands without rivals as the most balanced and comprehensive book on the subject American Historical Review

The Spanish Civil War George R. Esenwein, 2005-11-16 This exciting collection of primary sources on the Spanish Civil War uses military and political documents media accounts and contemporary propaganda to create a representative and illuminating survey of this enormously complicated event more than sixty five years after it ended Structured chronologically from a full introduction which delineates the field this book ranges from the origins of the uprising against Franco through to its turbulent aftermath It clearly outlines key points in the conflict and highlights the little known roles of race and gender in determining the war's outcome The book also unearths many rare sources for the first time and reveals the variety of perspectives held by those immediately involved in the war This is an ideal resource for all students of history and military history

Spanish Carlism

and Polish Nationalism Marek Jan Chodakiewicz, John Radzilowski, While both Spain and Poland developed genteel cultures grounded in Catholic religion and experienced periods of growth followed by long decline it is also the case that large differences in political economy and military structures also existed Thus while Spain merely declined in power Poland was partitioned by three powerful and rapacious neighbors The Catholic and conservative elements that have been strong in both Poland and Spain have often been portrayed as obscure nativist and racist and even fascist The purpose of this volume is to move beyond the simplistic vision this created about both countries into a more balanced and careful appraisal of tradition and development Puncturing this stereotype Eugene Genovese wryly notes that as every schoolboy knows Europe's Catholic Right has consisted of reactionaries who began in the service of residual feudal landowners and ended in support of big capital's exploitation and oppression of the masses Still the totalitarian horrors of the twentieth century proved prescient the warnings of the Catholic traditionalist Right about the consequences of radical democracy and cultural nihilism These splendid essays as readable as they are scholarly launch a long overdue assessment of vital political events Ewa Thompson professor of Slavic Studies at Rice University writes The fall of Communism facilitated growth of research in areas previously difficult to access One such area is Polish interest in Spain the history of the Catholic Right in Europe This pioneering volume explores both narratives and succeeds in showing that they are related The similarities have to do with the symmetrical positions of Poland and Spain as frontiers of Europe against invasions from Islam The present collection of papers explores recent history developing against this background **Twentieth Century Forcible Child Transfers** Ruth Amir, 2018-11-27

The current surge of displaced and trafficked children child soldiers and child refugees rekindles the virtually dead letter of the Genocide Convention prohibition on transferring children of one group to another This book focuses on the gap between genocide as a legal term and genocidal forcible child transfer as a catastrophic experience that disrupts a group's continuity It probes the Genocide Convention's boundaries and draws attention to the diverse yet highly similar patterns of forcible child transfers cases such as colonial genocide in the US Canada and Australia Jewish Yemeni immigrants in Israel children of Republican parents during the Spanish Civil War and its aftermath and Operation Peter Pan in Cuba The analysis highlights the consequences of the under inclusive protection granted only to four groups Ruth Amir argues effectively for the need to add an Amending Protocol to the Genocide Convention to protect from forcible transfer to children of any identifiable group of persons perpetrated with the intent to destroy the group as such This proposed provision together with Communications and Rapid Inquiry Procedures will highlight the gravity of forcible child transfers and contribute to the prevention and punishment of genocide *Franquisme i repressió* Pelai Pagès i Blanch, 2004 El règim totalitari i feixista que va imposar Franco després de la Guerra Civil espanyola va suposar la negació de les llibertats i els drets fonamentals de la població civil i la repressió contra els venuts L'empresonament l'exili la censura i les execucions són algunes de les formes més conegudes de depuració que va imposar el Generalísimo arreu de l'Estat La dictadura franquista va marcar el destí de tots els

pobles d'Espanya Les particularitats per de la repressi derivades de la capacitat omni moda d'adaptaci del r gim a les circumst ncies i als llocs les regions de l'Estat foren tan extraordin rries com perverses Aquest llibre parteix de l'an lisi d algunes de les claus generals de la repressi franquista i centra l estudi historiogr fic en les especificitats que aquesta repressi va cobrar als Pa sos Catalans Franquisme i repressi aplega de manera ordenada i sistem tica la majoria de les pon ncies i intervencions del simposi sobre la repressi franquista que tingu lloc a Val ncia en el marc de la XXXII edici dels Premis Octubre
