Religious Movements Genesis Exodus And Numbers:

Religious Movements Rodney Stark, 1985 *The Sociology of Religious Movements* William Sims

Bainbridge, 2021-12-24 Explaining how religion and society transform each other this book explores such movements as Holiness Adventism religious communes Satanism New Age and democratization *The Sociology of Religious Movements* is the culmination of work begun in *The Future of Religion* the 1986 award winner of the Society for the Scientific Study of Religion and *A Theory of Religion* 1993 award winner of the Pacific Sociological Association Explaining religious schism innovation and conversion to show how religion and society transform each other this book explores such movements as Holiness Adventism religious communes Children of God Satanism New York City Mission Society New Age Asian imports and democratization **The Flourishing of Jewish Sects in the Maccabean Era: An Interpretation** Albert I.

Baumgartner, 2021-12-06 This volume asks why Jewish groups Sadducees Pharisees Essenes and the Dead Sea Scroll sect flourished during the Maccabean era It argues that such a result is uncommon requiring special explanation In the introduction sectarianism is defined and its varieties in Second Temple Judaism assessed Among the causes of the known results suggested are the encounter with an outside culture that seemed to be weakening the external national perimeter the impact of expanded literacy the move to the city from the farm as well as eschatological hope aroused by Maccabean victory In proposing these conclusions full advantage is taken of recently published Qumran sources such as 4QMMT The objective is to discover the connection between context and consequence which will explain why sectarianism was so prominent at that time **Researching New Religious Movements** Elisabeth Arweck, 2006 This cutting edge analysis of American and European new religious movements explores the controversies between religious groups and the majority interests which oppose them It asks how modern societies can best respond to new religious movements [The Routledge Companion to the Study of Religion](#) , [Social Science and the Cults](#) John A. Saliba, 2019-03-20 This book first published in 1990 brings together descriptive comparative and theoretical materials on cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults **Exploring the Religious Life** Rodney Stark, 2004-04 Though religion is for most people one of the most important aspects of their lives social scientists and other observers of human society too often misunderstand and misrepresent the nature and role of religion in history and in daily life From the supposed decline of religious attitudes in Western Europe and the venal motivations attributed to the Christian Crusaders to the very definition of religion personal biases and an inadequate grasp of relevant data have led to the formulation and propagation of unsupportable views on the sacred In *Exploring the Religious Life* Rodney Stark boldly overturns much received wisdom

within the social sciences about religion drawing on a wide range of sources to reassess a diverse selection of topics in the study of religion In his first essay Stark addresses the carelessness with which scholars use the term religion and the conviction that the belief in divinity evolved from the practice of magic in primitive cultures In subsequent chapters he challenges the widespread attitude among social scientists that religion is nothing more than a mask for material realities and examines the effectiveness of religious doctrines in attracting converts and influencing individuals uncovers the surprising prevalence of upper class asceticism in medieval Christianity and explores the relationship between gender piety and criminal activity Divine revelation is a central aspect of many religions and Stark next applies empirical research to the phenomenon to assess its meaning in Judaism Christianity Islam and Mormonism He then turns to the confusion between faith and practice in debates over the secularization of the developed world before investigating the validity of the classic proposition within the social sciences that religion functions to sustain the moral order He does so examining the correlation between criminal behavior and depth of religious belief Stark concludes with an essay on the ingenious methods he uses to unearth data about the popularity of new religions in California and northern Europe the decline of Christian Science in America the spread of Christianity in the Roman world and the execution patterns during the antiwitchcraft frenzy of Enlightenment Europe Together the essays that constitute *Exploring the Religious Life* offer an engaging introduction to Rodney Stark's provocative insights and a fearless challenge to academic perceptions about religion's place in history society and private life

The Sacred in a Secular Age Phillip E. Hammond, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1985

In Gods We Trust Thomas Robbins, 2017-07-12 Much has changed since publication of the first edition of this established text in the sociology of religion Revised and expanded this edition emphasizes new patterns of religious change and conflict emerging in the United States in the latter part of the twentieth century Leading scholars describe and analyze developments in five main areas The fundamentalist and evangelical revival challenge and renewal in mainline churches spiritual innovation and the so called New Age women's movements and issues and their impact and politics and civil religion Chapters include an examination of religious movements responses to AIDS Christian schools quasi religions healing rites and goddess worship recruitment of women to charismatic and Hassidic groups televangelists and the Christian Right racist rural populism contemporary Mormonism and its growth cults and brainwashing Jonestown dissidence in the Catholic church and trance channeling among other topics A new introductory chapter by the editors establishes an integrating framework in terms of three themes increasing conflict and controversy associated with American religion increasing focus on various forms of power in American religion and challenges to models of secularization and modernization inherent in religious revival

innovation and politicization A concluding chapter by the editors looks at new trends and assesses their possible impact in coming years Like its predecessor this outstanding collection is a significant contribution to the literature as well as a valuable resource for the classroom

The Rajneesh Papers Susan J. Palmer, Arvind Sharma, 1993-01-01 Contributed articles

The Routledge Companion to the Study of Religion John R. Hinnells, 2005 The Routledge Companion to the Study of Religion contains everything a student needs for a full understanding of theory and methods in religious studies It begins by explaining the most important methodological approaches to religion including psychology philosophy anthropology and comparative study before moving on to explore a wide variety of critical issues Written entirely by renowned international specialists and using clear and accessible language throughout it is the perfect guide to the problems and questions found in courses and exams

Public Religions in the Modern World José Casanova, 2011-08-29 In a sweeping reconsideration of the relation between religion and modernity Jose Casanova surveys the roles that religions may play in the public sphere of modern societies During the 1980s religious traditions around the world from Islamic fundamentalism to Catholic liberation theology began making their way often forcefully out of the private sphere and into public life causing the deprivatization of religion in contemporary life No longer content merely to administer pastoral care to individual souls religious institutions are challenging dominant political and social forces raising questions about the claims of entities such as nations and markets to be value neutral and straining the traditional connections of private and public morality Casanova looks at five cases from two religious traditions Catholicism and Protestantism in four countries Spain Poland Brazil and the United States These cases challenge postwar and indeed post Enlightenment assumptions about the role of modernity and secularization in religious movements throughout the world This book expands our understanding of the increasingly significant role religion plays in the ongoing construction of the modern world

American Journal of Islamic Social Sciences 17:1 Syed Abdul Hamid al-Junaid & Syed Aziz Anwar, M. Habib Chirzin, Mahmoud Dhaouadi, The American Journal of Islamic Social Sciences AJISS established in 1984 is a quarterly double blind peer reviewed and interdisciplinary journal published by the International Institute of Islamic Thought IIIT and distributed worldwide The journal showcases a wide variety of scholarly research on all facets of Islam and the Muslim world including subjects such as anthropology history philosophy and metaphysics politics psychology religious law and traditional Islam

Misunderstanding Cults Benjamin Zablocki, Thomas Robbins, 2001-12-01 Misunderstanding Cults provides a uniquely balanced contribution to what has become a highly polarized area of study Working towards a moderate third path in the heated debate over new religious movements or cults this collection includes contributions from both scholars who have been characterized as anticult and those characterized as cult apologists The study incorporates multiple viewpoints as well as a variety of theoretical and methodological perspectives with the stated goal of depolarizing the discussion over alternative religious movements A prominent section within the book focuses explicitly on the issue of scholarly objectivity and the danger of partisanship in the study of cults The collection also

includes contributions on the controversial and much misunderstood topic of brainwashing as well as discussions of cult violence children brought up in unconventional religious movements and the conflicts between alternative religious movements and their critics Unique in its breadth this is the first study of new religious movements to address the main points of controversy within the field while attempting to find a middle ground between opposing camps of scholarship

Concepts of the Other in Near Eastern Religions Ilai Alon, Ithamar Gruenwald, Itamar Singer, 2023-08-14 This text examines the philosophical concept of other in the Near Eastern religions It contains essays that are divided into three sections the Ancient Near East Judaism and Christianity and Islam and India

Introduction to New and Alternative Religions in America William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations

examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more [The Sociology of Religion](#) Malcolm B. Hamilton,2012-06-12 This expanded second edition combines a discussion of the main theorists with a wide range of material illustrating the diversity of religious beliefs and practices **The Future of Religion** Rodney Stark,William Sims Bainbridge,2023-04-28 Religion is alive and well in the modern world and the social scientific study of religion is undergoing a renaissance For much of this century respected social theorists predicted the death of religion as inevitable consequence of science education and modern economics But they were wrong Stark and Bainbridge set out to explain the survival of religion Using information derived from numerous surveys censuses historical case studies and ethnographic field expeditions they chart the full sweep of contemporary religion from the traditional denominations to the most fervent cults This wealth of information is located within a coherent theoretical framework that examines religion as a social response to human needs both the general needs shared by all and the desires specific to those who are denied the economic rewards or prestige enjoyed by the privileged By explaining the forms taken by religions today Stark and Bainbridge allow us to understand its persistence in a secular age and its prospects for the future This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1985 Religion is alive and well in the modern world and the social scientific study of religion is undergoing a renaissance For much of this century respected social theorists predicted the death of religion as inevitable consequence of science education **Routledge Library Editions: Sociology of Religion** Various,2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class **The Craft of Religious Studies** NA NA,2016-04-30 Unlike other humanistic disciplines the academic study of religion must contend with a phenomenon that touches every dimension of human experience For scholars so engaged the study of religion often becomes a cross cultural as well as a necessarily interdisciplinary endeavor In this collection of original essays Jon R Stone has brought together the intellectual autobiographies of fourteen senior scholars all with national or international reputations in their respective fields each of whom reflects upon his or her own theoretical assumptions and methodological approaches to the study of religion Taken together these essays represent the variety of research methods and interpretive rigor mature scholars bring to the task of examining religious phenomena religious actions religious movements and religious ideas

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Religious Movements Genesis Exodus And Numbers eBooks, including some popular titles.

FAQs About Religious Movements Genesis Exodus And Numbers Books

What is a Religious Movements Genesis Exodus And Numbers PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religious Movements Genesis Exodus And Numbers PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religious Movements Genesis Exodus And Numbers PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religious Movements Genesis Exodus And Numbers PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religious Movements Genesis Exodus And Numbers PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
