Kleiner, William Kluback, 1949 **Dylan Thomas** Rushworth M. Kidder, 2015-03-08 Since the Bible appears so frequently in Dylan Thomas work some critics have decided that he must be a religious poet Others noting blasphemous statements and certain irreligious aspects of Thomas personal life contend that he was no such thing Rushworth M Kidder investigating this problem looks below the surface of the obviously religious imagery and discovers a more profound poetry The first part of this book discusses the nature of religious poetry and the application of that term to Thomas work it then develops the necessary background based on his letters and prose comments to provide a foundation for the study and finally it examines the relationship between the religious aspects of his poetry and his well known ambiguity The author re defines the vocabulary for dealing with religious imagery by establishing three distinct categories of imagery referential allusive and thematic This original technique is used to examine critically Thomas poems to show the development of his religious and poetic thought There are numerous close sensitive readings of individual poems to show how his poetry like the Bible teaches by parable speaking deliberate ambiguity rather than simple dogma This strategy inspired poetry that is technically complex but thematically simple a mode of verse that became more explicitly religious in the poet's final years Originally published in 1973 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Artists in Dylan Thomas's Prose Works** Ann Elizabeth Mayer, 1996-01-20 Through an analysis of the artist figures in Thomas's early experimental prose Portrait of the Artist as a Young Dog Adventures in the Skin Trade and Under Milk Wood Mayer illustrates that he was continually exploring and re evaluating his vocation the nature of his chosen medium and the world itself Mayer links Thomas's prose works to his poetry through the blending of lyric and narrative strategies As well she examines Thomas's self

conscious concerns about his relationship to his modernist contemporaries Mayer goes beyond the traditional New Critical approaches that dominate Thomas scholarship and uses contemporary critical theory to offer new insights into the complexity and ambiguity of a major twentieth century writer Studies of Dylan Thomas, Allen Ginsberg, Sylvia Plath and Robert Lowell Louis Simpson,1979-06-17 **Study Guide to the Major Poems by Dylan Thomas** Intelligent Education,2020-06-28 A comprehensive study guide offering in depth explanation essay and test prep for selected works by Dylan Thomas popular Welsh poet in the twentieth century Titles in this study guide include The Map of Love Once Below A Time In Country Sleep and Death and Entrances As a poet of the modernist movement Thomas work included themes of religion innocence and the human awareness of experience Moreover he utilized literary devices to captivate his audience such as alliteration internal rhyme sprung rhythm and was even noted as a skilled writer of prose poetry This Bright Notes Study Guide explores the context and history of Thomas classic work helping students to thoroughly explore the reasons they have stood the literary test of time Each Bright Notes Study Guide contains Introductions to the Author and the Work Character Summaries Plot Guides Section and Chapter Overviews Test Essay and Study Q As The Bright Notes Study Guide series offers an in depth tour of more than 275 classic works of literature exploring characters critical commentary historical background plots and themes This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research **Understanding Nietzsche, Understanding Modernism** Brian Pines,Douglas Burnham,2019-02-21 Friedrich Nietzsche believed his own work represented the dawning of a new historical era and despite the fact that he lived most of his sane life suffering in obscurity it is not an exaggeration to say that his vision helped lay the foundations for modernism in style substance and attitude Nietzsche was himself devoted to the modern for he reinterpreted every philosophy every historical figure and event every movement that came before him This reconceptualization of the past through new modern eyes opened up Nietzsche s thinking to exploring daring possibilities for the future This prophetic boldness which is so unique to his style seduced the modernist generation across the spectrum He was read by early Zionists as well as by Nazi racial theorists by Thomas Mann and as well as by Salvador Dali His influence stretched from psychoanalysis to anarchist politics Understanding Nietzsche Understanding Modernism traces the effect of Nietzsche s thinking upon a diverse set of problems from ontology to politics to musical and literary aesthetics The first section of the volume is a series of essays each exploring a major work of Nietzsche s explaining its significance while contributing new interpretations of the text The middle portion connects Nietzsche s thought to the various strands of modernism in which it reveals itself The final section is a glossary of key terms that Nietzsche uses throughout his works An excellent resource for any scholar attempting to conceptualize the foundations of modernism or the historical importance of Nietzsche this volume seeks to outline the philosopher s works and their reception amongst the generations that immediately followed his passing **Critical Essays on Dylan Thomas** Georg Gaston,1989 Six reviews
