## **Remembered Kibes:**

**Memory & Oblivion** A.W. Reinink, Jeroen Stumpel, 2012-12-06 Memory is a subject that recently has attracted many scholars and readers not only in the general historical sciences but also in the special field of art history. However, in this book, in which more than 130 papers given at the XXIXth International Congress of the History of Art Amsterdam 1996 have been compiled, Memory is also juxtaposed to its counterpart Oblivion, thus generating extra excitement in the exchange of ideas. The papers are presented in eleven sections, each of which is devoted to a different aspect of memory and oblivion, ranging from purely material aspects of preservation to social phenomena with regard to art collecting, from the memory of the art historian to workshop practices, from art in antiquity to the newest media, from Buddhist iconography to the Berlin Wall. The book addresses readers in the field of history, history of art, and psychology. **My Shakespeare** Greg Doran, 2023-04-20 THE TIMES BEST BOOKS OF THE YEAR This book charts the personal and professional journey of Greg Doran, Artistic Director of the Royal Shakespeare Company from 2012 until 2022, and one of the great Shakespearians of his generation. Sunday Times During his illustrious career, Doran has directed or produced all of the plays within Shakespeare's First Folio, a milestone reached in the same year that the world celebrates the 400th anniversary of its original publication. Each chapter looks at a different play, considering the choices made and weaving in both autobiographical detail and background on the RSC, as well as giving insights into key collaborations, including those with actors such as Judi Dench, David Tennant, Harriet Walter, Patrick Stewart, Simon Russell Beale, Paterson Joseph, and Doran's husband, the late Antony Sher, as well as seminal practitioners such as Cicerly Berry, John Barton, and Terry Hands. The book also includes 16 striking pages with stills from some of the RSC plays. Through Doran's account of this extraordinary journey, we see how Henry VIII, initially regarded as a poisoned chalice, became his lucky break; how the tragedy of 9/11 unfolded during a matinee of King John; and how the language of the play went some way in helping to articulate the unfathomable. How a RSC supporter bequeathed their skull to the company to be used as Yorick in Hamlet; how meeting Nelson Mandela inspired the production of Julius Caesar; how Falstaff was introduced to China for the very first time; and how arachnophobia informed the production of Macbeth. This book uniquely captures the excitement, energy, surprises, joys, and agonies of working on these greatest of plays, sheds new light on these plays through Doran's own research and discoveries made in the rehearsal room, and gives unprecedented access into the craft, life, and loves of this exceptional director. **My Shakespeare** is also available in audiobook format from audiobook retailers. No-thing is Left to Tell John L. Kundert-Gibbs, 1999 This study uses Zen Buddhism and Chaos theory as binocular lenses to examine the existential difficulties in Samuel Beckett's plays in terms that circumvent traditional Western schools of thought. The book first outlines the salient points of Zen Buddhism and Chaos theory, examining the interplay of ideas between the two disciplines. The balance of the book uses Zen and Chaos theory to reveal new patterns and layers of meaning or non-meaning in several of Beckett's most significant plays. *Shakespeare's Sonnets* James
