Remembering Woolworths:

Remembering Woolworth's Karen Plunkett-Powell, 2014-04-08 Remembering Woolworth's brings back to life all the nostalgia and magic of the famous five and dime that captured the hearts of Americans for over a century Millions of Americans have fond memories of shopping at Woolworth's wandering the aisles in search of a humble spool of Woolco thread festive Christmas decorations a goldfish or parakeet or a blue bottle of Evening in Paris perfume And who could forget the special treat of a grilled cheese sandwich or ice cream sundae at the famous lunch counter These and countless other memories are celebrated in Karen Plunkett Powell's *Remembering Woolworth's* Packed with photos first hand remembrances vivid anecdotes and a lively well researched narrative the book tells the story of how a poor potato farmer named Frank Woolworth created a merchandising empire that touched the lives of Americans in small towns big cities and everywhere in between Chapters cover the store's humble beginnings surviving the Great Depression the civil rights sit ins Woolworth's around the globe the popularity of Woolworth's collectibles and much more *Remembering Woolworth's* Karen Plunkett-Powell, 2001-07-11 A century of Americana is brought to life with more than 150 photos of the famous five and dime with remembrances of everything from the background of its founder Frank W Woolworth to the store's legendary lunch counters and historic skyscraper of color photos *Re-imagining Government* Barry Quirk, 2011-06-03 In an age of austerity public leaders and managers face a range of external challenges fiscal social and political Combining theoretical insight empirical commentary and practical experience this book examines how democratic political systems work and how public decisions are made and how they could be made better **Like Wildfire** Sean Patrick O'Rourke, Lesli K. Pace, 2020-06-02 The sit ins of the American civil rights movement were extraordinary acts of dissent in an age marked by protest By sitting in at whites only lunch counters libraries beaches swimming pools skating rinks and churches young African Americans and their allies put their lives on the line fully aware that their actions would almost inevitably incite hateful violent responses from entrenched and increasingly desperate white segregationists And yet they did so in great numbers most estimates suggest that in 1960 alone more than seventy thousand young people participated in sit ins across the American South and more than three thousand were arrested The simplicity and purity of the act of sitting in coupled with the dignity and grace exhibited by participants lent to the sit in movement's sanctity and peaceful power In *Like Wildfire* editors Sean Patrick O'Rourke and Lesli K Pace seek to clarify and analyze the power of civil rights sit ins as rhetorical acts persuasive campaigns designed to alter perceptions of apartheid social structures and to change the attitudes laws and policies that supported those structures These cohesive essays from leading scholars offer a new appraisal of the origins growth and legacy of the sit ins which has gone largely ignored in scholarly literature The authors examine different forms of sitting in and the evolution of the rhetorical dynamics of sit in protests detailing the organizational strategies they employed and connecting them to later protests By focusing on the persuasive power of demanding space the contributors articulate the ways in which the

protestors battle for basic civil rights shaped social practices laws and the national dialogue O'Rourke and Pace maintain that the legacies of the civil rights sit ins have been many complicated and at times undervalued Bringing History Alive through Local People and Places Lynne Dixon, Alison Hales, 2013-12-04 A much needed and delightful book It shows how history can be taught with the meaningful experiences of each child at its centre making connections between the child the locality and community the national and global past and concepts of time Throughout the authors empower teachers to adopt their philosophy by showing them how to plan select resources and strategies and reflect on ideas and case studies Hilary Cooper Emeritus professor of history and pedagogy The University of Cumbria UK Bringing History Alive through Local People and Places puts the local environment and community at the heart of history showing how it can be used as the context for successful history teaching across the primary age range It considers how to develop children's concepts and skills through local history how to link local national and global aspects of history and helps you develop your own historical knowledge understanding and confidence in teaching the subject Practical topics explored include Investigating children's cultural and geographical roots through fieldwork Finding and visiting local museums archives and heritage sights Choosing and using resources Using significant people events and buildings to link with national history Environmental education and sustainable development through local history Understanding the links between history and everyday life Planning and assessing history Based on the latest research and practice in the field Bringing History Alive through Local People and Places offers an exciting template of creative ideas and activities to show teachers how they can make history relevant to all children Knox Farm State Park Gerald L. Halligan, Renee M. Oubre, 2013-06-03 A stone wall along Seneca Street in East Aurora New York welcomes visitors to Knox Farm State Park with its charming buildings woodlands and open fields The farmland was purchased by Seymour H Knox an entrepreneur from Russell New York Successful in the five and dime store industry with his cousin F W Woolworth Knox expanded his business interests to include raising horses and developing a self sustaining farm Following his death in 1915 his family maintained and expanded the property gracing it with architectural features reflecting their interests In the 1990s with the passing of Seymour Knox II and sons the family's desire to preserve the beloved property was fulfilled with the establishment of Knox Farm State Park The Santa Claus Man Alex Palmer, 2015-10-01 The true story of John Duval Gluck Jr who in 1913 founded the Santa Claus Association which had the sole authority to answer Santa's mail in New York City He ran the organization for 15 years gaining fame for making the myth of Santa a reality to poor children by arranging for donors to deliver the toys they requested until a crusading charity commissioner exposed Gluck as a fraud The story is wide in scope interweaving a phony Boy Scout group kidnapping stolen artwork and appearances by the era's biggest stars and New York City's most famous landmarks The book is both a personal story and a far reaching historical one tracing the history of Christmas celebration in America and the invention of Santa Claus London at War Alan Brooks, 2011-07-12 An extensively illustrated tour of relics and reminders of the city's WWI

and WWII experiences The two world wars of the twentieth century seem so distant from us now yet in London the evidence of these conflicts can be found in the many relics and reminders that are scattered across the fabric of the modern city And as Alan Brooks demonstrates in this fascinating photographic record they can be seen and visited today Plaques and inscriptions graves cemeteries and rolls of honor stone monuments and stained glass war damaged buildings pillboxes and air raid shelters painted signs and camouflage these are just some of the mementos of war and of the experience of Londoners during the greatest conflicts the country has known

AI Needs You Verity Harding,2025-08-19 A humanist manifesto for the age of AI Artificial intelligence may be the most transformative technology of our time As AI s power grows so does the need to figure out what and who this technology is really for AI Needs You argues that it is critical for society to take the lead in answering this urgent question and ensuring that AI fulfills its promise Verity Harding draws inspiring lessons from the histories of three twentieth century tech revolutions the space race in vitro fertilization and the internet to empower each of us to join the conversation about AI and its possible futures Sharing her perspective as a leading insider in technology and politics she rejects the dominant narrative which often likens AI s advent to that of the atomic bomb History points the way to an achievable future in which democratically determined values guide AI to be peaceful in its intent to embrace limitations to serve purpose not profit and to be firmly rooted in societal trust Now with a new foreword by the author AI Needs You gives us hope that we the people can imbue AI with a deep intentionality that reflects our best values ideals and interests and that serves the public good AI will permeate our lives in unforeseeable ways but it is clear that the shape of AI s future and of our own cannot be left only to those building it It is up to us to guide this technology away from our worst fears and toward a future that we can trust and believe in

Unearthing Family Tree Mysteries Ruth A. Symes,2016-07-31 The intriguing characters in these real family history mysteries include an agricultural labourer who left secrets behind in Somerset when he migrated to Manchester a working class woman who bafflingly lost ten of her fourteen children in infancy a miner who purportedly went to live with the Red Indians and a merchant prince of the Empire who was rumoured to have two wives This book shows how a variety of sources including birth marriage and death certificates censuses newspaper reports passports recipe books trade directories diaries and passenger lists were all used to uncover more and how much can be detected by setting the characters from your family tree in their proper historical backgrounds This book is an updated edition of Ruth Symes previous book titled *Stories From Your Family Tree Researching Ancestors Within Living Memory* 2008

Smothered and Covered Ty Matejowsky,2022-12-13 A critical meditation of the iconic 24 7 roadside chain and its place in the southern imaginary Waffle House has long been touted as an icon of the American South The restaurant s consistent foregrounding as a resonant symbol of regional character proves relevant for understanding much about the people events and foodways shaping the sociopolitical contours of today s Bible Belt Whether approached as a comedic punchline on the Internet television and other popular media or elevated as a genuine touchstone of messy

American modernity Waffle House its employees and everyday clientele do much to transcend such one dimensional characterizations earning distinction in ways that regularly go unsung Smothered and Covered Waffle House and the Southern Imaginary is the first book to socioculturally assess the chain within the field of contemporary food studies In this groundbreaking work Ty Matejowsky argues that Waffle House s often beleaguered public persona is informed by various complexities and contradictions Critically unpacking the iconic eatery from a less reductive perspective offers readers a more realistic and nuanced portrait of Waffle House shedding light on how it both reflects and influences a prevailing southern imaginary an amorphous and sometimes conflicting collection of images ideas attitudes practices linguistic accents histories and fantasies that frames understandings about a vibrant if also paradoxical geographic region Matejowsky discusses Waffle House s roots in established southern foodways and traces the chain s development from a lunch counter restaurant that emerged across the South He also considers Waffle House s place in American and southern popular culture highlighting its myriad depictions in music television film fiction stand up comedy and sports Altogether Matejowsky deftly and persuasively demonstrates how Waffle House serves as a microcosm of today s South with all the accolades and criticisms this distinction entails *London Plaques* Derek Sumeray, John Sheppard, 2011-08-20 London s buildings are dotted with commemorative plaques Many are the famous blue plaques indicating where a famous person was born lived stayed or if a significant event took place there or an earlier use of the site This book is a comprehensive gazetteer of all of London s plaques Using Derek Sumeray s classic book as a basis this thoroughly revised new edition arranges plaques alphabetically by area providing a text that is linked to London s geography and therefore of greater use to a resident or visitor wanting to explore the famous people and events commemorated in that area

Tales from the Buzzard Leighton Buzzard Writers, 2010-09-26 Local writers share stories and poems inspired by Leighton Buzzard This unique book showcases local writing talent and culture history and nature in this Bedfordshire market town **Lost Swansea** David Gwynn, 2019-08-15 Fully illustrated description of Swansea s well known and lesser known places that have been lost over the years Oral History , 1995

Remembering Lucy Maud Montgomery Alexandra Heilbron, 2001-10-01 Lucy Maud Montgomery Canada s most beloved author not only gave the world the classic novel *Anne of Green Gables* but she was also a devoted minister s wife mother neighbour and friend to many who in turn were honoured to have known this great lady In *Remembering Lucy Maud Montgomery* the writer is remembered through first hand reminiscences of the people who knew her Her Sunday school students neighbours maids family and friends paint a portrait of Montgomery as she has never before been seen Not only does this book uncover fascinating sides of the author and provide fresh anecdotes but it includes many photographs that are published for the first time Even Montgomery s most devoted fans will find stories to surprise delight and at times even shock them *Serving Seniors* Rosemary Honnold, Saralyn A. Mesaros, 2004 Provides program ideas and practical guidance for serving senior citizens at the library as well as bringing the library to seniors homes and residential facilities in a variety of

creative ways *Biography* ,2000 *Australian Hotelier* ,2002 **Cheap** Ellen Ruppel Shell,2009-07-02 A myth shattering investigation of the true cost of America s passion for finding a better bargain From the shuttered factories of the Rust Belt to the strip malls of the Sun Belt and almost everywhere in between America has been transformed by its relentless fixation on low price This pervasive yet little examined obsession with bargains is arguably the most powerful and devastating market force of our time having fueled an excess of consumerism that blights our land scapes escalates personal debt lowers our standard of living and even skews of our concept of time Spotlighting the peculiar forces that drove Americans away from quality durability and craftsmanship and towards quantity quantity and more quantity Ellen Ruppel Shell traces the rise of the bargain through our current big box profusion to expose the astronomically high cost of cheap
