asked Do you believe in God He replied No I believe only in horses I do not know why we always realize things when it is too late Ive also bet on horses for a period But differently from Bukowski whom I respect so much I quit horses and bet on God Really I think it is for this faith that I found myself with my back against the wall Against the wall was the first title I wanted to give to this book There are a lot of people in the world tramps prisoners all types of emarginated people who are alienated just because in my opinion they do not manage to keep pace with a cheering occidental cult of efficiency to keep up with the

rules for which the society the system did not forgive them But Christ said I came to the world for the ill not for the sane Thus is it really true the last will be the first Maybe if as far as I know a probable God does not consider things the way people do Anyway what I have never understood is there is a baby born from Gypsies and there is another one born from a rich American family What is the fault of the first one whose destiny is immediately signed A mystery So A Gemstone in the Rock in its essential message is an invitation to bet on God as it is the only chance we have in our life It is also an invitation to pray to pray more often during the day Even at work But without putting the entertainment aside it gives colours to our life Thats why the title is A Gemstone in the Rock life is nothing but a precious stone in the rock you can observe it in its splendour but you cannot take it with your naked hands As far as the emarginated people are concerned let us help them bearing in mind that differently from what the main part of respectable Catholics think to help them is not at all a walk of pleasure I say it with a poem How much pain I get for a kiss to a poor wretch This book has got a particular it is like a human being in the course of his life with its high and low moments between faith and total loss of courage P S As far as my poem Now Faith is concerned for a question of a dramaturgic effect I left the sequence of the passion events according to my poetic license Have a good time reading Sincerely Donato Placido This book was born as a synthesis of our writings our thoughts and vision of the world I made Donatos acquaintance while he was focused on hypotheses of a staged version of a Pirandellos play His poetry published and appreciated in Italy inspired me I proposed to him being published abroad I read Donatos material thoroughly and put it in a sequence I would rather say I had to cut it like a movie his writings evoke movie like images This book owes to me its structure order and some chapters trilogy Loneliness of Light I wrote on the basis of apocryphal Gospels found in the Dead Sea in 2004 in particular Judas and Magdalenes Gospels However the dialogue between Judas and Magdalene staged in 2006 in Moscow at an international festival of directing plays and Magdalenes monologue are of pure intuition or if we prefer so of artistic invention Other book parts of which I am the author are the dialogue Puppets of freedom inspired by Dantons Death by Georg Bchner extracts from Disillusions money power female love extracts from Absence and silence The end of the world Silence loneliness and the whole chapter of Encounter which is Donatos novel of the same name I put in a nutshell and in blank verse and my poem on a true love Till the darkness In a human life everyone passes from happiness to despair from the idea of God dissolved in everything to the idea of his absence one stakes on the material goods accumulation on power on love even on the idea of freedom but then one notices all these concepts are only illusions just glimpses     The Holy Bible Adam Clarke, 1837     Family Worship , 1856     *Refreshing of the Latter Rains* Riaan Engelbrecht, 2024-02-07 Volumes one and two of Revival and Awakenings part of the End Time Series explore what is a real revival and a spiritual awakening Prophetically it delves into what God has been saying for a long time which is that the Lord will sweep the earth with revival in the end times which will ignite many followers with His holy fire What will this revival look like This is the big question and one would rather say it will not be a singular event but a sequence

of Godly movements across the globe that will be infectious contagious and real In an awakening the Holy Spirit gives unbelieving people who are dead in their trespasses and sins a new awareness of their needs A revival is connected to the people of God and it is when those who are in churches those who are professing believers are ministered to by the Holy Spirit in such a way that they are renewed in their devotion to the Lord The time is ripe for the one final great harvest yet this calls for the revived church full of the fire of the Holy Spirit to go into the fields to awaken the lost and the forgotten and broken and to bring them into the loving embrace of a God who is full of compassion grace and mercy This is the time of spiritual latter rains and now is the time to welcome the embrace of a God who is real alive and who calls us all into His arms to reflect His beauty and greatness It is not God s Will that any soul should perish but that all men should come to the knowledge of God and be saved God is calling on all believers to cast their net in the deep for the harvest of souls Shodo Shozo Sato,2014-03-11 In this beautiful and extraordinary zen calligraphy book Shozo Sato an internationally recognized master of traditional Zen arts teaches the art of Japanese calligraphy through the power and wisdom of Zen poetry Single line Zen Buddhist koan aphorisms or zengo are one of the most common subjects for the traditional Japanese brush calligraphy known as shodo Regarded as one of the key disciplines in fostering the focused meditative state of mind so essential to Zen shodo calligraphy is practiced regularly by all students of Zen Buddhism in Japan After providing a brief history of Japanese calligraphy and its close relationship with the teachings of Zen Buddhism Sato explains the basic supplies and fundamental brushstroke skills that you ll need He goes on to present thirty zengo each featuring An example by a skilled Zen monk or master calligrapher An explanation of the individual characters and the Zen koan as a whole Step by step instructions on how to paint the phrase in a number of styles Kaisho Gyosho Soshō A stunning volume on the intersection of Japanese aesthetics and Zen Buddhist thought Shodo The Quiet Art of Japanese Zen Calligraphy guides beginning and advanced students alike to a deeper understanding of the unique brush painting art form of shodo calligraphy Shodo calligraphy topics include The Art of Kanji The Four Treasures of Shodo Ideogram Zengo Students of Shodo **The Christian Advocate** ,1910 **182 Greek Words: The Language of the New Testament Bible** Vinu V Das, Unlock the Depth of the New Testament Discover the power of original language with 182 Greek Words The Language of the New Testament Bible This indispensable resource invites you to dive deeper into Scripture by exploring the key Greek terms that shape the heart of the Gospel Whether you re a dedicated Bible scholar or a curious seeker this book is designed to enhance your understanding of God s Word offering clear translations insightful meanings and rich theological context Each carefully selected word unlocks layers of meaning that bring clarity to the teachings of Jesus the mystery of salvation and the dynamic life of the early Church By studying these words you ll gain a more intimate connection with the text uncover hidden nuances and enrich your personal devotional time Empower your Bible study and transform your spiritual journey 182 Greek Words is your guide to understanding the language that has inspired millions throughout the centuries making the New Testament
