The Essential Guide to Writing Research Papers James D. Lester, 1999. *The Essential Guide to Writing Research Papers* is the ultimate brief research reference. Pocket-sized and inexpensive, this research guide is priced to work as a supplement in any research-oriented course. More concise than the original *Writing Research Papers* by James D. Lester, this spiral-bound text nevertheless covers all aspects of the research writing process, from selecting a topic and gathering data to formatting the final draft, but with more frequent use of checklists and summaries to keep the text brief. Numerous student samples and excerpts model different types of research papers. Comprehensive coverage of the four most common documentation systems increases the text's usability beyond the composition classroom. Up-to-the-minute coverage of electronic research teaches students how to draw from and evaluate the enormous pool of resources available on the Internet. A dedicated website for the original *Writing Research Papers* is available to users of the brief version as well.

Ready! Set! Research! Marvin Terban, 2007. A fast, easy, and fun look at everything students need to know when writing a research paper: how to choose a topic, complete the research, and compose the report. It's easy for kids to feel intimidated by a research project. This new user-friendly guide is the simple answer to some not-so-easy questions. With big, helpful headings, humorous illustrations, and bold graphics, this fun and fast guide offers a logical step-by-step approach to finding it, writing it, and getting it done.

How to Write a Thesis Harry Teitelbaum, 1994. Covers every phase of writing a research paper or thesis, featuring advice on how to use the library, writing style, footnotes, and note cards, with a sample of a completed document.
