**We Are Left without a Father Here** Eileen J. Suárez Findlay, 2015-02-15 We Are Left without a Father Here is a transnational history of working people s struggles and a gendered analysis of populism and colonialism in mid twentieth century Puerto Rico At its core are the thousands of agricultural workers who at the behest of the Puerto Rican government migrated to Michigan in 1950 to work in the state s sugar beet fields The men expected to earn enough income to finally become successful breadwinners and fathers To their dismay the men encountered abysmal working conditions and pay The migrant workers in Michigan and their wives

in Puerto Rico soon exploded in protest Chronicling the protests the surprising alliances that they created and the Puerto Rican government s response Eileen J Su rez Findlay explains that notions of fatherhood and domesticity were central to Puerto Rican populist politics Patriarchal ideals shaped citizens understandings of themselves their relationship to Puerto Rican leaders and the state as well as the meanings they ascribed to U S colonialism Findlay argues that the motivations and strategies for transnational labor migrations colonial policies and worker solidarities are all deeply gendered
