Synoptic Christology of Lament Channing L. Crisler, 2023-05-04 In *A Synoptic Christology of Lament The Lord Who Answered and the Lord Who Cried* Channing Crisler explores an oft underappreciated description of Jesus in which the Synoptic writers portray him as both answering cries of distress and uttering them himself Matthew Mark and Luke take up the quintessential language of suffering from Israel's Scriptures namely lament Their engagement with lament overlaps and diverges from one another based upon their specific biographical aims What emerges from this engagement is a diverse biographical portrait in which Jesus both responds to the cries of the afflicted as Israel's God did and shares in their cries as righteous sufferers from Israel's past did The explanatory climax of this phenomenon arises in the respective passion narratives where Jesus's ability to answer and utter lament finally converge in the same literary setting The implications of this dynamic are far reaching as it provides yet another consideration for ongoing research on early Christology The lament language embedded in the Synoptic Gospels and reflected in subsequent early Christian writings points to a belief among some Christ followers that Jesus answered their cries and participated in them **The Priest and Levite as Temple**

Representatives Michael Blythe, 2023-07-07 The parable of the good Samaritan is well known yet scholarship has not plumbed the depths of its meaning within its first century Palestinian context For the majority of Christian history the parable has suffered either from extreme allegorical treatments or from unimaginative readings limiting the parable to a single point example story of virtue A creative reading employing social and historical methods generates a refreshing telling

of the story within Jesus's context whereby each variable from the Samaritan to the priest and even the innkeeper takes on representative forms not only indicative of widespread concerns from Jesus's audience but also becoming symbols of the eschatological age when the new temple supplants the old **Lord, Teach Us to Pray** John T. Commentary on the Holy Bible, 1874 The Message of the Holy Spirit Keith Warrington, 2020-05-21 Despite the teaching of the Bible and church tradition it seems that many Christians can still lack an appreciation of God the Holy Spirit He has sometimes been valued more for the gifts he bestows than for who he is or he has been viewed simply as the third person of the Godhead However Keith Warrington's conviction is that the Holy Spirit is more important more central more immanently involved in his creation the church and individual believers more often and more strategically than many Christians realise When Jesus left his disciples and went to heaven he gave the best gift he could the Holy Spirit knowing that he will be our dynamic guide and partner as we seek to live as God's people In this practical biblically based exploration of the Spirit Warrington encourages believers to recognize that the same Spirit seeks to encounter us and desires that we encounter him

Lukan Theology in the Light of the Gospel's Literary Structure Douglas S. McComiskey, 2007-01-01 Numerous scholars have noted various elements of literary structure in the Gospel of Luke many of them patterned such as chiasm Several of these scholars have rigorously explored the significance of such structure A common conclusion is that if Luke is consistent with other ancient writers then the observation of some elements of patterned structure e.g. what has already been discovered in the Gospel suggests that there is probably considerably more This book offers a comprehensive literary structure for the Gospel of Luke thoroughly and critically evaluates it and ultimately focuses on theology that may be derived from this structure As groundwork the Introduction provides rigorous tests for assessing the intentionality behind proposals of parallelism The first chapter then employs the tests in an evaluation of Robert C. Tannehill's work on Luke Acts which is representative of studies on correspondences that are not strictly structural in nature His contribution enables us to grasp how Luke encourages the reader to read passages in the light of other passages within the Gospel and accordingly provides an interpretive aid for our study The second chapter applies the tests to the Lukan correspondences suggested by Charles H. Talbert which are inherently structural His analysis of Luke Acts and other Greco-Roman literature provides a strong theoretical foundation for our own proposal Chapter three surveys OT Greco-Roman and NT texts that bear a similar

patterned structure to what we discover in Luke The structure of Luke is presented and carefully evaluated in chapter four and the theological implications of that structure are developed in chapter five shedding much fresh light on Lukan theology

“A” Commentary, Critical and Explanatory, on the Old and New Testaments: Old Testament. Genesis-Esther Robert Jamieson, Andrew Robert Fausset, David Brown, 1890 **Vox Petri** Gene L. Green, 2019-11-12 Peter stands at the beginning of Christian theology Christianity's central confessions regarding the person of Jesus the cross salvation the inclusive nature of the people of God and the end of all things come to us through the apostle who was not only the church's leader but also its first theologian Peter is the apostle for the whole church and the whole church resonates with his theology We sing his song though we may not have glanced at the bottom of the page in the hymnbook to see who wrote the words and composed the tune Peter is the lost boy of Christian theology a person overlooked as a theological innovator and pillar but his rightful place is at the head of the table If we look closely however we may recognize that he has been seated there all along **The Ministry of Women in the New Testament** Dorothy A. Lee, 2021-02-16 Respected scholar Dorothy Lee considers evidence from the New Testament and early church to show that women's ministry is confirmed by the biblical witness Her comprehensive examination explores the roles women played in the Gospels and the Pauline corpus with a particular focus on passages that have been used in the past to limit women's ministry She argues that women in the New Testament were not only valued as disciples but also given leadership roles which has implications for the contemporary church **The Biblical World** William Rainey Harper, Ernest DeWitt Burton, Shailer Mathews, 1900 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352 **The Letter to the Hebrews** Sigurd Grindheim, 2023-11-28 What does the Letter to the Hebrews have to say to Christians today A compelling exhortation to hold true to the faith in the face of adversity A sermon full of iconic imagery and Old Testament allusions A signal work of theology in the New Testament Above all the Letter to the Hebrews proclaims the high priesthood of Jesus Christ Yet readers may find this central theme difficult to discern given the epistle's complexity and long history of interpretation In this Pillar commentary Sigurd Grindheim richly illuminates the Letter to the Hebrews explaining difficult texts offering a coherent reading and paying careful attention to linguistic features and historical context all while focusing on its relevance to modern readers Grindheim clearly and comprehensively addresses major issues including authorship date canonicity formal qualities and important themes Following his thorough introduction he explains each line of the text and its significance for believers today Grindheim's commentary offers pastors students and scholars the clarity and fresh insights they want in their scriptural study **Commentary on the Gospel of Mark** John Albert Broadus, 1905 **John** Andreas J.
