Luke Saving A Fallen World:

Twelve Months of Sundays Nan, 2008-08-12 *A Thematic Access-Oriented Bibliography of Jesus's Resurrection*
Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present-day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic (e.g., Christian, Jewish, Muslim, etc.), agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease. *A Guide to Biblical Commentaries and Reference Works, 11th Edition* John F. Evans, 2025-01-21 *A Guide to Biblical Commentaries and Reference Works, 11th Edition* by John F. Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible, giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation. The easy-to-use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library. *A Guide to Biblical Commentaries and Reference Works, 11th Edition* is a key reference tool for any student of the Bible, pastors, laity, and scholars alike. **A Guide to Biblical Commentaries and Reference Works** John F. Evans, 2016-05-03 *A Guide to Biblical Commentaries and Reference Works* by John F. Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible, giving insightful comments on the approach of each commentary and its interpretive usefulness, especially for evangelical interpreters of the Bible. *A Guide to Biblical Commentaries and Reference Works* is essentially an annotated bibliography of hundreds of commentators. More scholarly books receive a longer, more detailed treatment than do lay commentaries, and highly recommended commentaries have their author's names in bold. The author keeps up on the publication of commentaries and intends to update this book every three to four years. [Rescue Plan For The Lost Planet](#)
Linda Grace, 2024-02-28 History repeats itself. George Eliot: Those who cannot learn from history are doomed to repeat it. Winston Churchill: *Rescue Plan for the Lost Planet* provides the reader with a commonsense approach to understanding earth's past, present, and future history. Discover through the use of historical quotations from one of the world's most published authors how earth became the lost planet of the universe and how a plan has been implemented to rescue it from its current

situation *Systematic Theology, Volume One* Stephen J. Wellum, 2024-02-15 Stephen Wellum's *Systematic Theology Volume One* is a Trinitarian reformational and baptistic systematic theology committed to serious evangelical engagement with the Scriptures. Building on decades of research, Wellum formulates doctrine exegetically, covenantally, and canonically for a new generation of students, pastors, church leaders, and seasoned theologians as well. **Heaven** Christopher W. Morgan, Robert A. Peterson, 2014-09-30 Our culture has a lot to say about heaven. But too much of it is based more on imaginative speculation or supernatural experiences than on the Bible itself. In the latest addition to the *Theology in Community* series, Christopher Morgan and Robert Peterson have assembled an interdisciplinary team of evangelical scholars to explore the doctrine of heaven from a variety of angles. Among other contributors, Ray Ortlund examines the concept of heaven in the Old Testament; Gerald Bray explores the history of theological reflection about heaven; and Ajith Fernando looks at persecuted saints' special relationship to heaven in the New Testament. This team of first-rate scholars offers modern readers a comprehensive overview of this often misunderstood topic, shedding biblical light on the eternal hope of all Christians. Part of the *Theology in Community* series. *Jesus Becoming Jesus, Volume 2* Thomas G. Weinandy, 2021-03-26 *Jesus Becoming Jesus Volume 2: A Theological Interpretation of the Gospel of John Prologue and the Book of Signs* follows upon the first volume of this series entitled *Jesus Becoming Jesus*. The first volume was a theological interpretation of the Gospels of Matthew, Mark, and Luke. Unlike many conventional biblical commentaries, Weinandy concentrates on the theological content contained within John's Gospel. He does this in the light of the Church's doctrinal and theological tradition, particularly in keeping with the Second Vatican Council's Dogmatic Constitution *Dei Verbum*. This is accomplished through a close reading of John's Gospel, theologically interpreting each chapter of the Gospel sequentially. In so doing, he also takes into account the Johannine corpus as a whole. He also relates John's Gospel to relevant material found within the Synoptic Gospels, the Pauline Corpus, and other New Testament writings. This original theological interpretation focuses primarily on the intertwining theological themes contained within John's Gospel, specifically within the Prologue and the Book of Signs: light and darkness, the seven miracle signs, the sacraments of baptism and the Eucharist, the seven "I Am" sayings, the contentious dialogues with the Jews, Jesus' relationship to his Father as the Father's incarnate Word and Son, etc. Within all of these interlocking themes, one finds the importance of Jesus' saving actions, the salvific works of his Father. The overarching theme of this book, as the title suggests, is that Jesus, being named Jesus throughout his public ministry, is enacting his name and so becoming who he is: YHWH. Saves. Weinandy offers a singular, vibrant, and luminous reading of John's Gospel, one that reveals the Evangelist's theological depth and doctrinal sophistication. In so doing, Weinandy makes manifest the particular beauty of the Gospel. According to John. **The Bible and Poetry** Michael Edwards, 2023-08-15 A fresh, provocative look at the link between poetry and Christianity, both as it relates to the Bible itself as well as to Christian and religious life, by an accomplished scholar. The Bible is full of poems. In the Old Testament, there are the Psalms and the Song of Songs, the great

exhortations and lamentations of the Prophets and passages of poetry woven in throughout In the New Testament Jesus describes the kingdom of heaven with poetic epithets such as a treasure hid in a field calling the Son of God the true vine the light of the world the good shepherd and the way the truth and the life The Gospels reverberate with allusions to the poetry of the Old Testament the last book of all is Revelation a visionary poem The Bible in other words asks to be read poetically from start to end and yet readers have rarely considered what that might mean much less heeded that call In The Bible and Poetry the poet and scholar Michael Edwards reshapes our understanding of the Bible and religious belief arguing that poetry is not an ornamental or accidental feature but is central to both He speaks personally of his early unanticipated transformative encounters with scripture He offers close insightful and resonant readings of biblical passages Poetry as he sees it is the vital and necessary medium of the Creator's word and the truth of the Bible is not a question of precepts and propositions but of a direct experience of its poetry its power Daily Worship; ... When Wright is Wrong Phillip D. R. Griffiths, 2019-01-14 In today s world the Christian is constantly being challenged with new teachings Some of these are particularly dangerous because they are put forward by those with evangelical credentials Tom Nicholas Wright is one of the leading proponents of the New Perspective on Paul Wright sees himself as the new Luther a discoverer of the true biblical understanding of key doctrines like that of justification by faith According to him the Reformation misunderstood the nature of justification by faith alone and the role of the law in the Old Testament Wright maintains that this has continued to be the case for those of the Reformed Faith He tells us that we are guilty of anachronism whereby we interpret first century Judaism in the light of medieval Roman Catholicism In this work the writer not only defends the Reformed understanding of this vital doctrine but also seeks to show how Wright has misunderstood the nature of the new covenant and the place of ethnic Israel
