Facing the Enemy: A Look into One Man's Journey , Facing the Other Nigel Zimmermann,2015-07-24 What is the significance of the body What might phenomenology contribute to a theological account of the body And what is gained by prolonging the overlooked dialogue between St John Paul II and Emmanuel Levinas Nigel Zimmermann answers these questions through the agreements and the tensions between two of the most important thinkers of the twentieth century John Paul II the Polish pope philosopher and theologian and Emmanuel Levinas the French Jewish philosopher of Lithuanian heritage were provocative thinkers who courageously faced and challenged the assumptions of their age Both held the human person in high regard and did their thinking with constant reference to God and to theological language Zimmermann does not shirk from the challenges of each thinker and does not hide their differences However he shows how they bequeath a legacy regarding the body that we would overlook at significant ethical peril We are called Zimmermann argues to face the other In this moment God refuses a banal marginalization and our call to responsibility for the other person is issued in their disarming vulnerability In the body philosophy theology and ethics converge to call us to glory even in the paradox of lowly suffering

No! Paul C. McGlasson,2012-06-01 Sometimes theological ideas are good topics for ongoing debate Other times the community of faith needs to come to a decision yes or no Christian Reconstructionism offers the Christian church a basic approach to faith different from

mainstream historic Christianity Is their approach warranted Or is it a fundamental distortion of the gospel The present volume seeks to set out the case that Christian Reconstructionism is not a legitimate variation of Christian doctrine but rather a serious misunderstanding of the gospel attested in Holy Scripture First an attempt is made to look at the basic ideas of Christian Reconstructionism Rather than focusing on names and dates the focus is on the set of ideas that characterize this view of Christianity Second a response is given to each of the main ideas The response makes use of traditional Protestant Roman Catholic and Eastern Orthodox doctrine but it is based primarily on careful exegesis of Scripture The ultimate question is if Christian Reconstructionism is grounded in the Bible or in a political ideology foreign to Scripture An epilogue briefly points to a different way of seeing Christian involvement in contemporary global society **You Are Not What You Weigh** Lisa Bevere,2013-07-15 It is time for women to stop measuring themselves by the numbers on the scale How many women out there are tired of the tyranny of dieting Millions With candor and a gentle spirit Lisa Bevere shares powerful insights and liberating principles she discovered through her own personal struggles with weight This life changing book will empower women to Learn how to identify and maintain an ideal weight Discover riveting truths from God s Word that will deliver them from the lies of the world Trade their self consciousness for a deeper consciousness of God Break free from the destructive cycle of dieting This book also features inspiring testimonies since the original publishing in August 1999 **Christian Ministries And Basic Leadership** Dipo Toby Alakija,2015-10-17 As it is common to say that the hood does not make a monk the dignified positions and bogus titles of many Christian leaders in modern days do not really make them Gospel Ministers This course book a compilation of five resource materials on Missions And Outreach Ministries Christian Communication Arts Christian Leadership Christian Education Methodology and Ministries Of Improvisations aims at making every matured Christian an effective minister and leader at their respective homes communities and nations It teaches various ways Christians can communicate the word of God meeting up to their responsibilities as ministers and leaders that reconcile people to God edifying the Body Of Christ and reaching out to souls at the same time All of the resource materials are in use in Bible Schools like College Of Christian Education And Missions in Churches and other ministries to raise Christian workers Evangelists Missionaries and other Ministers that serve at various levels and leadership capacities
