The Better Angels Robert C. Plumb, Elisabeth Griffith, 2020 Harriet Tubman Harriet Beecher Stowe Clara Barton Julia Ward Howe and Sarah Josepha Hale came from backgrounds that ranged from abject enslavement to New York City s elite Surmounting social and political obstacles they emerged before and during the worst crisis in American history the Civil War Their actions became strands in a tapestry of courage truth and patriotism that influenced the lives of millions and illuminated a new way forward for the nation In this collective biography Robert C Plumb traces these five remarkable women s awakenings to analyze how their experiences shaped their responses to the challenges disappointments and joys they encountered on their missions Here is Tubman fearless conductor on the Underground

Railroad alongside Stowe the author who awakened the nation to the evils of slavery Barton led an effort to provide medical supplies for field hospitals and Union soldiers sang Howe's Battle Hymn of the Republic on the march And amid national catastrophe Hale's campaign to make Thanksgiving a national holiday moved North and South toward reconciliation *The Tragedy of Child Care in America* Edward Zigler, Katherine W. Marsland, Heather Lord, 2009-01-01 Why the United States has failed to establish a comprehensive high quality child care program is the question at the center of this book Edward Zigler has been intimately involved in this issue since the 1970s and here he presents a firsthand history of the policy making and politics surrounding this important debate Good quality child care supports cognitive social and emotional development school readiness and academic achievement This book examines the history of child care policy since 1969 including the inside story of America's one great attempt to create a comprehensive system of child care its failure and the lack of subsequent progress Identifying specific issues that persist today Zigler and his coauthors conclude with an agenda designed to lead us successfully toward quality care for America's children **A Chesapeake Family and Their Slaves** Anne E. Yentsch, 1994-05-12 This book is a unique archaeological study of a British aristocratic family in eighteenth century Chesapeake **The Racketeer's Progress** Andrew Wender Cohen, 2004-05-03 The Racketeer's Progress explores the contested and contingent origins of the modern American economy by examining the violent resistance to its development Historians often portray Chicago as an unregulated industrial metropolis composed of factories and immigrant labourers In fact the city was home to thousands of craftsmen carpenters teamsters barbers butchers etc who formed unions and associations that governed commerce through pickets assaults and bombings Working together these groups forcefully challenged the power of national corporations and physically managed the development of mass culture in the city **BOOK JACKET** What American Women Did, 1789-1920 Linda Miles Coppins, 2015-07-25 This reference book chronicles what American women did from the emergence of the republic through the end of World War I and the passage of the Nineteenth Amendment A broad spectrum of activities are depicted showing their many accomplishments and how their activities affected the world around them It was an era of great transition for all women A who's who of American women and some men those who showed great support or ironically great opposition to women's reform are described one year at a time beginning with 1789 and ending with 1920 Each year's activities are organized into seven possible categories domesticity work education religion the arts the law and politics and joining forces The book is thoroughly indexed What is Environmental History? J. Donald Hughes, 2015-11-30 What is environmental history It is a kind of history that seeks understanding of human beings as they have lived worked and thought in relationship to the rest of nature through the changes brought by time In this new edition of his seminal student textbook J Donald Hughes provides a masterful overview of the thinkers topics and perspectives that have come to constitute the exciting discipline that is environmental history He does so on a global scale drawing together disparate trends from a rich variety of countries into a unified whole illuminating

trends and key themes in the process Those already familiar with the discipline will find themselves invited to think about the subject in a new way This new edition has been updated to reflect recent developments trends and new work in environmental history as well as a brand new note on its possible future Students and scholars new to environmental history will find the book both an indispensable guide and a rich source of inspiration for future work Journal of Women's History, 1995
