## **Majority Rules Manual Of Procedure For Most Groups:**

*Notes and Comments on Robert's Rules, Fourth Edition* Jim Slaughter, Gaut Ragsdale, Jon L Ericson, 2012-11-13 While Robert's Rules of Order has long been the standard guide to parliamentary procedure many readers find the manual too daunting and complex to utilize its full potential In *Notes and Comments on Robert's Rules* fourth edition authors Jim Slaughter Gaut Ragsdale and Jon Ericson skillfully guide users through the intricate pathways of the latest edition of Robert's Rules transforming the often intimidating parliamentary guidebook into an easy to use tool *Notes and Comments* explains in simple terms the individual motions found in Robert's Rules presents extensive tips and suggestions regarding possible modifications to Robert's practices allows readers to witness the vigorous debate about the rules within the notes section and compares major parliamentary authorities A reader friendly question and answer format provides immediate solutions to the most common quandaries that arise during the meeting process and a card featuring simplified charts of parliamentary motions is available for the user's quick reference An essential volume for members of nonprofits voluntary associations unions condo and homeowner associations student organizations and government bodies *Notes and Comments on Robert's Rules* makes parliamentary procedure accessible to meeting participants as never before Each section of this authoritative straightforward guide is designed to empower participants with the confidence and knowledge necessary to navigate any meeting large or small with the utmost efficiency 2013 Winner of the Phifer Award from the National Communication Association

**Notes and Comments, 3rd Edition** , This third edition of Jon Ericson's *Notes and Comments on Robert's Rules* updates all references and page numbers to the tenth edition of Robert's Rules of Order Newly Revised published in 2000 Ericson's guide to the authoritative parliamentary resource clarifies many of the concepts and rules that intimidate or confuse the members of organizations who use it stressing that they have a choice in and may in fact modify the rules by which they are bound Ericson begins with the Order of Precedence which he defines as the key concept in understanding and utilizing parliamentary procedure He then uses a question and answer format in which a logical progression of essential parliamentary questions is explicitly answered with a rationale for each rule Throughout he provides specific page references to Robert's Rules Through these three elements he makes classic doctrine intelligible and workable leading the reader step by step through the rules and their applications and in the process encouraging people to feel more positive about parliamentary procedure and their ability to use it Far too many members armed or more accurately disarmed with a misconception of parliamentary procedure choose to spend a lifetime wondering what is going on and lamenting or blaming others when things fail to go their way writes Ericson in the Introduction Understanding parliamentary procedure also allows a person to have more fun not just the fun of socializing outside the business meeting but the fun of performing in the public arena A popular concise and clear handbook *Notes and Comments on Robert's Rules* emphasizes the simple machinery of the system relates its concepts to the procedures most commonly used in meetings and conventions and encourages members to

obtain and study rather than shy away from Robert's Rules of Order Newly Revised This new edition also expands the number of question and answer sections and surveys the research in and commentary on the field since 1991 A laminated removable card featuring simplified charts of parliamentary motions serves as an additional resource and is included with the volume
