Reverberating Word Michael Denham, 2018-06-12 Like sounds of beautiful music worship can renew us for God's glory and our good by the invigorating power of God's reverberating Word. It is God's story that redeems all our stories. We want to tell it again and again as best we can, clearly conveying its message, meaning, richness, claim, and call. Through its every facet and component, worship that is biblically expositional can heighten how we proclaim God's story faithfully and creatively, pointing to the One who alone offers us true identity, security, and destiny. If you seek me, you will find me; if you search with all your heart, declares the Lord. With the ancient prophets and apostles, we must repeat and repeat and repeat the most wonderful truth that God wants to be found. In Christian worship, such a tremendous and tender encounter is available to us as nowhere else.

Helping Johnny Listen Thad Bergmeier, 2010-03-01 The preaching of God's Word happens tens of thousands of times each week across the world. As these sermons are given when the preacher is faithful to the text of the Scripture, it is as if God is speaking to the people of that given congregation. The question is: are people listening? Listening to preaching is more than showing up, sitting still, or even nodding one's head. It is taking that which is preached and applying it to life. *Helping Johnny Listen* is a book designed to help the average person who sits in the average church on the average Sunday take full advantage of the sermons they hear so that they are able to live what they hear.

Preaching and the Personal J. Dwayne Howell, 2014-07-31 Preaching is a very personal process: a minister or speaker prepares his or her own sermon and presents it to the congregation. Sermons draw upon the Bible as a central source, and the source provides a basis of faith for the believing community. The preaching event is also personal for the individual members of the congregation who receive the preacher's words based on a biblical text in their own unique way. In the synthesis of Biblical text, sermon, and listener response, many testimonies are present. *Preaching and the Personal* is a collection of papers that have been presented at the Society of Biblical Literature. These papers encourage and nurture dialogue among scholars who share an interest in the unique theological problems inherent to the relationship between biblical interpretation and proclamation. *Preaching and the Personal* opens a stimulating dialogue in the field.

What Not to Say John C. Holbert, Alyce M. McKenzie, 2011-01-01 In this humorous guide, John C. Holbert and Alyce M. McKenzie provide helpful and practical advice for avoiding the common mistakes that many preachers make in their sermons. Useful for preachers, students, and teachers alike, *What Not to Say* addresses how to use language about God, how to use stories in preaching, and what not to say and what to say in the beginning, middle, and end of sermons. A companion video with preaching illustrations is available online at wjkbbooks.com.

Believing in Preaching: what Listeners Hear in, *My Burden Is Light* Craig A. Satterlee, 2023-01-10 *My Burden Is Light* Making Room for Jesus in Preaching invites preachers to reclaim proclaiming Jesus as the goal of preaching. Too often, Satterlee observes, we usher Jesus to the back of the pulpit, invite him to make a cameo appearance, or even excuse him from the sermon altogether. With the author's guidance, readers imagine the ways Jesus is present in their favorite liturgical space.

and explore ways they can make room for Jesus in preaching and experience abundant life for themselves and for their people Satterlee argues that by preaching the mystery of Jesus's life, death and resurrection as good news for God's people, the church and the world, all of whom long for salvation, we powerfully address the issues we face including pandemic, climate change, assaults on democracy, social justice and division. Drawing on his lifetime of experience, learning, preaching and teaching the gospel, this book is foundational for preaching courses and a balm for preachers needing nourishment and renewal.

Religious Involvement in Hearing Sermons Theo Pleizier, 2010

One Year to Better Preaching Daniel Overdorf, 2013-09-06

One Year to Better Preaching provides preachers with fifty-two hands-on exercises that sharpen their homiletical skills. The book is designed particularly for those who preach each week and have been perhaps for some time to help them get out of the rut of the routine and infuse their preaching with new sparks of creativity. Fresh approaches to sermon preparation and design and sharpened verbal and nonverbal communication skills. Novice preachers also will find the exercises useful in developing their preaching abilities. Each chapter includes instructions for an exercise, tools and suggestions needed for the exercise, comments from preachers who completed it, and recommended resources for further study. The exercises address eight categories of homiletics: Prayer and Preaching, Bible Interpretation, Understanding Listeners, Sermon Construction, Illustrations and Applications, Word Crafting, The Preaching Event, Sermon Evaluation. Readers can complete the exercises in the order presented, which address different categories week to week, or they can sharpen their skills in a particular category over a period of weeks by using the chart provided. They might also work through the exercises in collaboration with other preachers. One Year to Better Preaching will leave a preacher reinvigorated and better equipped to proclaim the Word of God skillfully, passionately and effectively.

Wake Up, Lazarus! Volume II Peter Phan, Pierre Hegy, 2013-06-24

This book presents research in three new areas: Sunday liturgies, homilies, and pastoral concepts. First, it presents to the readers the major Latin American document, *Disciples and Missionaries of Jesus Christ*, which sets the course of the Church in Latin America for the next decade. Next, I present the findings about the Sunday liturgies in 100 churches, 50 in Guatemala and 50 in the U.S. The following chapter analyzes 100 Sunday homilies in comparison to lay talks, homilies by Fr. Robert Barron, and evangelical sermons. In one more chapter, I discuss basic concepts for pastoral research. Chapter 6 discusses the consequences of papal centralization for church renewal. The last chapter outlines ten basic paths of renewal. What is new in this book is the research on Sunday liturgies, homilies, and pastoral concepts.

preacher as 'first listener' : 'calling' as a source of authority within the Flemish evangelical preaching tradition Filip De Cavel, 2020-01-01

The preacher's weekly assignment is brutally repetitive. Fill the blank page by Sunday at least twice a month, if not even more. This book offers a biblical, theological, and empirical grounding to support the preacher's self-reflective listening and sermonizing practices in order for the preacher to be aware of his/her spirituality of listening and discernment.

Preaching at the Double Feast Michael Monshau, 2006

What is the role of preaching in the double feast churches—churches whose normative

liturgical worship features rites at the two tables of the Word and of the Eucharist Father Michael Monshau adds timely and critical new perspective to the issue by bringing together five significant voices from double feast churches whose presentations in effect become varied short textbooks on how to preach Connections: Year A, Three-Volume Set Joel B.
