Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger:

Makers of American diplomacy, from Benjamin Franklin to Henry Kissinger Frank J. Merli, Theodore A. Wilson, 1974 **The Presidencies of James A. Garfield & Chester A. Arthur** Justus D. Doenecke, 1981 This is the first single volume to focus on the presidencies of both James A Garfield and Chester A Arthur Drawing from a host of studies on the foreign and domestic policies of the nation during the Gilded Age as well as from his own primary research the author presents a somewhat revisionist look at Garfield and Arthur revisionist in that he gives the reader a renewed appreciation of both men Far from being cynical spoilsmen or naive incompetents individuals whose presidencies provide studies in ineptitude Garfield and Arthur emerge as men of considerable ability While making no claims of greatness Doenecke maintains that each was a significant transitional figure playing a crucial role as the institution of the presidency moved from the weak leadership of Andrew Johnson to the forceful direction of Theodore Roosevelt According to Doenecke Garfield saw the office of chief executive primarily in administrative terms and his great battle was over keeping the power of appointment in his own hands His victory over the Stalwarts enhanced both the power and prestige of the office His knowledge of how government worked was unmatched long before Woodrow Wilson made his mark Garfield was the scholar in politics The diplomacy of Secretary of State James G Blaine comes under critical scrutiny Doenecke evaluates his performance in the Chile Peru War War of the Pacific the Guatemala Mexico dispute the isthmian canal issue Irish American activities in Britain and efforts to secure markets in Korea br Garfield was assassinated less than six months after he entered office he had yet to be tested on major issues of public policy Chester A Arthur was ill prepared to be chief executive was in poor health much of the time while he was in office and was faced with a hopelessly divided party Nevertheless he was one of the nation s great political surprises His administration pioneered in the development of the navy sought foreign markets for American surpluses fostered civil service reform and pressed for a scientific tariff Doenecke devotes one chapter to the spoils system and the background to the Pendleton Act one to Arthur s strategy regarding the South and then offers an in depth analysis of diplomacy during Arthur s tenure During the presidencies of Garfield and Arthur the United States attempted to intervene in a war between Chile and Peru sought to turn Nicaragua into a protectorate supplied leading advisers to Madagascar and Korea and took a major part in the Congo conference of 1884 In examining these activities even while pointing to uncoordinated statecraft and inept diplomacy Doenecke challenges the long held view that from 1881 to 1885 the nation was withdrawn and insular His fresh perspective on the Garfield and Arthur years will be of considerable interest to historians of the Gilded Age **With Wings as Eagles** Cecil B. Currey, 1984 **American Foreign Relations since Independence** Richard Dean Burns, Joseph M. Siracusa, Jason C. Flanagan, 2013-03-21 This book provides a succinct and accessible interpretation of the major event and ideas that have shaped U S foreign relations since the American Revolution historical factors that now affect our current debates and commitments in the Middle East as well as Europe and Asia American

Foreign Relations since Independence explores the relationship of American policies to national interest and the limits of the nation's power reinterpreting the nature and history of American foreign relations. The book brings together the collective knowledge of three generations of diplomatic historians to create a readily accessible introduction to the subject. The authors explicitly challenge and reject the perennial debates about isolationism versus internationalism instead asserting that American foreign relations have been characterized by the permanent tension inherent in America's desire to engage with the world and its equally powerful determination to avoid entanglement in the world's troubles. This work is ideally suited as a resource for students of politics, international affairs and history and it will provide compelling insights for informed general readers.

Race over Empire Eric T. L. Love, 2005-10-12 Generations of historians have maintained that in the last decade of the nineteenth century white supremacist racial ideologies such as Anglo-Saxonism, social Darwinism, benevolent assimilation and the concept of the white man's burden drove American imperialist ventures in the nonwhite world. In *Race over Empire* Eric T. L. Love contests this view and argues that racism had nearly the opposite effect. From President Grant's attempt to acquire the Dominican Republic in 1870 to the annexations of Hawaii and the Philippines in 1898, Love demonstrates that the imperialists' relationship with the racist ideologies of the era was antagonistic, not harmonious. In a period marked by Jim Crow, lynching, Chinese exclusion and immigration restriction, Love argues no pragmatic politician wanted to place nonwhites at the center of an already controversial project by invoking the concept of the white man's burden. Furthermore, convictions that defined whiteness raised great obstacles to imperialist ambitions, particularly when expansionists entered the tropical zone. In lands thought to be too hot for white blood, white Americans could never be the main beneficiaries of empire. What emerges from Love's analysis is a critical reinterpretation of the complex interactions between politics, race, labor, immigration and foreign relations at the dawn of the American century.

France and America in the Revolutionary Era Thomas J. Schaeper, 1995 This is the first detailed study account of the life and career of Chaumont, whose chief claim to fame was the fact that from 1777 to 1785 Benjamin Franklin lived in his home in the Parisian suburb of Passy. Basing his work on documents from two dozen archives in the United States and France, Schaeper demonstrates that Chaumont was far more than merely a landlord. Prior to the American Revolution, he had become one of the most powerful and respected businessmen of the Old Regime. For personal as well as patriotic reasons, he aided the American insurgents and worked with a wide array of persons. In addition to Franklin, these included John Adams, Silas Deane, Caron de Beaumarchais, the marquis de Lafayette and the comte de Vergennes. Chaumont performed an astounding range of services, acting as intermediary, an adviser and a supplier of arms and clothing. His most dramatic contribution to the American cause involved John Paul Jones. It was Chaumont who obtained the famous Bonhomme Richard for the commodore. Through looking at the activities of this intriguing individual, the author is able to offer many new insights into both American and French history. Lively and well written, this biography will appeal to both the historian and the general reader.

Origins of

Containment Deborah Welch Larson, 2020-06-30 The description for this book *Origins of Containment A Psychological Explanation* will be forthcoming Useful Adversaries Thomas J. Christensen, 2020-05-05 This book provides a new analysis of why relations between the United States and the Chinese Communists were so hostile in the first decade of the Cold War Employing extensive documentation it offers a fresh approach to long debated questions such as why Truman refused to recognize the Chinese Communists why the United States aided Chiang Kai shek s KMT on Taiwan why the Korean War escalated into a Sino American conflict and why Mao shelled islands in the Taiwan Straits in 1958 thus sparking a major crisis with the United States Christensen first develops a novel two level approach that explains why leaders manipulate low level conflicts to mobilize popular support for expensive long term security strategies By linking grand strategy domestic politics and the manipulation of ideology and conflict Christensen provides a nuanced and sophisticated link between domestic politics and foreign policy He then applies the approach to Truman s policy toward the Chinese Communists in 1947 50 and to Mao s initiation of the 1958 Taiwan Straits Crisis In these cases the extension of short term conflict was useful in gaining popular support for the overall grand strategy that each leader was promoting domestically Truman s limited containment strategy toward the USSR and Mao s self strengthening programs during the Great Leap Forward Christensen also explores how such low level conflicts can escalate as they did in Korea despite leaders desire to avoid actual warfare The American Military on the Frontier James P. Tate, 1978 *The Burden of Confederate Diplomacy* Charles M. Hubbard, 2000-08-04 Thoroughly researched Hubbard s interpretation is solid well supported and touches all of the major aspects of Confederate diplomacy American Historical Review As the first examination of the topic since King Cotton Diplomacy 1931 this work deserves widespread attention Hubbard offers a convincingly bleak portrayal of the limited skills and myopic vision of Rebel diplomacy at home and abroad Virginia Magazine of History and Biography Of the many factors that contributed to the South s loss of the Civil War one of the most decisive was the failure of Southern diplomacy In this penetrating work Charles M Hubbard reassesses the diplomatic efforts made by the Confederacy in its struggle to become an independent nation Hubbard focuses both on the Confederacy s attempts to negotiate a peaceful separation from the Union and Southern diplomats increasingly desperate pursuit of state recognition from the major European powers Drawing on a large body of sources Hubbard offers an important reinterpretation of the problems facing Confederate diplomats He demonstrates how the strategies and objectives of the South s diplomatic program themselves often poorly conceived were then placed in the hands of inexperienced envoys who were ill equipped to succeed in their roles as negotiators The Author Charles M Hubbard is associate professor of history at Lincoln Memorial University and executive director of the Abraham Lincoln Memorial Museum in Harrogate Tennessee Early U.S.-Hispanic Relations, 1776-1860 Rafael E. Tarrago, 1994-12 Tarrago goes back to 1776 when the thirteen rebel English colonies in North America sought the help of the Spanish Crown A selective bibliography including many printed primary sources as well as monographs and journal articles **At the**

President's Pleasure Sally K. Burt, 2015-05-26 At the President's Pleasure offers a new perspective on the way the United States and China interacted during World War II Sally K Burt examines President Franklin Roosevelt's methods of conducting diplomacy particularly his tendency to centralise foreign policy making into his own hands as it applied to wartime Sino US relations By critiquing the president's foreign policy leadership with China Burt provides a new perspective on US diplomacy and opens the door for further exploration of contemporary methods of conducting relations between the US and China This book then will interest scholars historians international relations specialists and practitioners and those interested in global politics both historical and in the present day *Actors of Globalization: New York Merchants in Global Trade, 1784-1812* Lisa Sturm-Lind, 2017-12-18 The monograph *Actors of Globalization* portrays a group of New York businessmen engaged in global trade from 1784 to 1812 It follows their businesses around the world and shows how through wit flexibility and the help of a worldwide net of business partners the merchants were able to quickly rise to global entrepreneurs speculating on wars food crises and slave revolts The ramifications of their commerce were felt at home where the merchants invested in land and city development established new financial institutions and contributed to a rising consumer culture This book brings together global and local history arguing that private actors played an important role in the economic and social development of the young United States *Faith and the Presidency From George Washington to George W. Bush* Gary Scott Smith, 2006-10-12 Publisher description **The American Civil War** Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work's value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America's pivotal experience **The United States and the Global Struggle for Minerals** Alfred E. Eckes, 2014-09-10 In 1973 1974 soaring commodity prices and an oil embargo alerted Americans to the twin dangers of resource exhaustion and dependence on unreliable foreign materials suppliers This period seemed to mark a watershed in history as the United States shifted from the era of relative

resource abundance to relative materials scarcity Alfred E Eckes s comprehensive study shows that resource depletion and supply dislocations are not concerns unique to the 1970s Since 1914 the quest for secure and stable supplies of industrial materials has been an important underlying theme of international relations and American diplomacy Although the United States has been blessed with a diversified materials base it has pursued a minerals strategy designed to exploit low cost high quality ores abroad Eckes demonstrates how this policy has led to official protection for overseas private investments involving a role for the Central Intelligence Agency Some modern historians have neglected the importance of resources in shaping diplomacy and history This book based on a vast variety of unutilized archival collections and recently declassified government documents helps to correct that imbalance In the process it illuminates an important and still timely aspect of America s global interests *Lives at Risk* Russell D. Buhite,1995 Presents the historical content needed to understand

terrorism and America s responses to terrorist acts **American Presidential Statecraft** Ronald E. Powaski,2017-04-04 This book examines the presidency in twentieth century America and explores why some presidents succeed as makers of U S foreign policy while others fail sometimes tragically It explores each president s ability to apply his skills to a foreign policy issue in the face of opposition that may come from a variety of sources including the Congress the Pentagon the State Department the press and often their own in house advisers This volume in particular focuses on Theodore Roosevelt Woodrow Wilson Herbert Hoover Franklin D Roosevelt and Harry Truman **Encyclopedia of Chinese-American**

Relations Yuwu Song,2016-03-18 Since 1784 when the American ship Empress of China arrived in Guangzhou Chinese American relations have experienced advances and setbacks As the Chinese economy rapidly expands China assumes a more dominant position in world politics and continued fruitful relations with the United States are a primary concern for both nations in the twenty first century This encyclopedia contains more than 400 descriptive entries of important events issues personalities controversies treaties agreements organizations and alliances in the history of Sino American relations from Chinese and American perspectives Also included are maps a chronology a list of acronyms and three appendices American chiefs on missions to China Chinese chiefs on missions to the United States and the correspondence of Wade Giles to Pinyin *American Statesmen* Edward Mihalkanin,2004-08-30 The Secretary of State is in charge of defining and implementing U

S foreign policy While that role has weakened some over the past 50 years a mere roll call of illustrious past Secretaries of State invokes the position s importance Thomas Jefferson Henry Kissinger John Quincy Adams William Jennings Bryan Henry Clay James Madison George C Marshall George Schultz and Daniel Webster are just a few of the Secretaries profiled within these 65 entries Arranged A to Z each essay is multifaceted offering information personal professional and political The majority of each piece deals with foreign policy ideas before he or she became the Secretary what American foreign policy was like while in office and the major foreign policy issues during tenure Each piece concludes with a concise and useful bibliography A unique look at U S foreign policy making and diplomacy through the experience of the person whose job is to

craft and implement it Each secretary s early life and background are included as is his or her education and influences Careers before becoming Secretary of State are detailed as are expressions of ideas relating to U S foreign policy prior to appointment Then the piece examines his tenure in office itself from appointment as secretary to relations with the President Cabinet and Congress Most importantly the major foreign policy issues of the day are given a thorough going over Finally the circumstances of leaving office a post career summary and then a general assessment of his or accomplishments and shortcomings as secretary

Embracing the Beat of Expression: An Emotional Symphony within **Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger**

In a global taken by screens and the ceaseless chatter of quick conversation, the melodic elegance and psychological symphony developed by the written word frequently fade in to the backdrop, eclipsed by the relentless noise and disruptions that permeate our lives. But, located within the pages of **Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger** a marvelous literary treasure full of raw feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, this fascinating masterpiece conducts visitors on an emotional journey, skillfully unraveling the hidden songs and profound impact resonating within each carefully constructed phrase. Within the depths of the emotional assessment, we shall investigate the book's main harmonies, analyze their enthralling publishing type, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.

Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger Introduction

In the digital age, access to information has become easier than ever before. The ability to download Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger has opened up a world of possibilities. Downloading Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Makers

Of American Diplomacy From Benjamin Franklin To Henry Kissinger. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger Books

1. Where can I buy Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
