Making Liturgy:

Making Liturgy Dorothea McEwan, 2002 A group of women writers from a variety of traditions share their experiences of creating and using liturgy Part One offers a complete guide to creating your own liturgy Part Two provides a broad selection of liturgies that have been specially written for the seasons of the Christian year or for landmarks in our personal lives The liturgies are readily adaptable to a wide range of occasions but it is the editors hope that in sharing their collection of liturgies you will be encouraged to create your own **Ritual Making Women** Jan Berry, 2017-07-05 Ritual Making Women looks at the way in which women s making of ritual has emerged from the rapidly developing field of women s spirituality and theology The author uses ethnographic material to explore how the construction of ritual uses story making and embodied action to empower women Ritual far from being a timeless and universal practice is shown to be a contextual and gendered performance in which women subvert conventional distinctions of private and public The book combines narrative and case study material and draws on feminist theology and theory social anthropology and gender studies *Creating Uncommon Worship* Richard Giles, 2005 Offering helpful suggestions on how to avoid the common problem of restricting liturgy to words being spoken in the front of the church Creating Uncommon Worship is filled with ideas on how to enrich the liturgy by creating a context of action movement and symbolic expression involving the whole assembly Making the Most of the Lectionary Thomas O'Loughlin, 2012-08 A valuable resource for enhancing liturgical understanding What is the point of the Lectionary What are the problems and opportunities that it presents to those who use it What are its strengths and weaknesses as an aid to worship How can it be used and communicated most effectively today These are among the key questions Thomas O Loughlin addresses in this stimulating and much needed liturgical guide to the design history theology and purposes of the Lectionary Making Worship Real Aimee Wallis Buchanan, Bill Buchanan, Jodi B. Martin, 2001-01-01 A resource for youth and their leaders this handbook introduces the history theology and practice of Reformed worship

Making a Scene in the Pulpit Alyce M. McKenzie, 2018-10-23 How can preachers ensure that their sermons continue to engage listeners in a world defined by visual media and the short segmented delivery of information Alyce McKenzie harnesses the element of drama and the human fascination with scenes to offer ministers a modern means of sermon development and delivery McKenzie s core strategy is to invite listeners into scenes whether from Scripture or contemporary life and once they are there to point them toward the larger story of God s relationship with humankind Creating such scenes unifies the whole process of preaching she says from the preacher s daily life observations to interpretation of scenes from Scripture to sermon shaping sequencing and delivery The process culminates in a specific understanding of the purpose of the sermon to send listeners out into the scenes they ll play in their lives for the next week equipped to act out their parts in ways that are kinder more just and more courageous than last week **Gender Differences and the Making of**

Liturgical History Teresa Berger, 2020-03-26 Mapping uncharted territory in the study of liturgy s past this book offers a

history to contemporary questions around gender and liturgical life Teresa Berger looks at liturgy's past through the lens of gender history understood as attending not only to the historically prominent binary of men and women but to all gender identities including intersexed persons ascetic virgins eunuchs and priestly men Demonstrating what a gender attentive inquiry is able to achieve Berger explores both traditional fundamentals such as liturgical space and eucharistic practice and also new ways of studying the past for example by asking about the developing link between liturgical presiding and priestly masculinity Drawing on historical case studies and focusing particularly on the early centuries of Christian worship this book ultimately aims at the present by lifting a veil on liturgy's past to allow for a richly diverse notion of gender differences as these continue to shape liturgical life

[The Making of Stanley Hauerwas](#) David B. Hunsicker, 2019-09-10 Stanley Hauerwas is often associated with the postliberal theological movement yet he also claims to stand within Karl Barth's theological tradition Which is true Theologian David Hunsicker offers a reevaluation of Hauerwas's theology arguing that he is both a postliberal and a Barthian theologian helping us understand both the formation and the ongoing significance of one of America's great theologians

Liturgy's Imagined Past/s Teresa Berger, Bryan D. Spinks, 2016 This book calls attention to the importance of scholarly reflection on the writing of liturgical history The essays not only probe the impact of important shifts in historiography but also present new scholarship that promises to reconfigure some of the established images of liturgy's past Based on papers presented at the 2014 Yale Institute of Sacred Music Liturgy Conference *Liturgy's Imagined Past/s* seeks to invigorate discussion of methodologies and materials in contemporary writings on liturgy's pasts and to resource such writing at a point in time when formidable questions are being posed about the way in which historians construct the object of their inquiry

[The Making of Liturgy in the Ottonian Church](#) Henry Parkes, 2015-01-15 This highly original study examines the history and religious life of the Ottonian Church through its ritual books With forensic attention to the writing and design of four important manuscripts from the city of Mainz a musician's troper a priest's ritual handbook a bishop's pontifical and a copy of the enigmatic compilation now known as the Romano German Pontifical Henry Parkes transforms liturgical sources into eloquent witnesses to the ecclesiastical history of early medieval Germany He also presents the first comprehensive revision of Michel Andrieu's influential Romano German Pontifical theory from the dual perspective of Mainz's cathedral of St Martin and its Benedictine monastery of St Alban Challenging long held assumptions about the geographies of Ottonian power in particular the central role of Mainz and its archbishops the book opens up important new ways of understanding how religious ritual was organised transmitted and perceived

[Music and the Making of Medieval Venice](#) Jamie L. Reuland, 2023-10-26 This path breaking account of music's role in Venice's Mediterranean empire sheds new light on the city's earliest musical history

Bake & Pray KENDALL. VANDERSLICE, 2024-10-08 From God's provision of manna in the wilderness to Jesus' miraculous multiplication of loaves bread functions throughout Scripture as a sign of God's presence and provision Professional baker and practical theologian Kendall Vanderslice has spent a lot of time reflecting on

the connection between the dough that clung to her hands at work and the bread blessed and pressed into her palm at church ultimately seeing that they both were tangible reminders that God was with her and that God cared Weaving baking science and technique together with theological reflections drawn from a wide range of Christian traditions Kendall will teach you how to incorporate bread making into the rhythms of your busy life reveal the ins and outs of bread baking while unlocking the spiritual parallels woven into each loaf provide breadmaking liturgies and historical recipes to bake through a variety of liturgical holidays and seasons show how to incorporate baking as a form of prayer in our lives As you follow the steps to bake bread whether you are a lifelong baker or intimidated by the thought of yeast you will learn something about the character of God and the life of faith In *Bake Pray* you will get not only a practical understanding of how to bake bread but also receive a deeper appreciation for the ways God can shape you in the process The God We Worship Wolterstorff, Nicholas, 2015-03-03 In *The God We Worship* Nicholas Wolterstorff takes a ground up approach to liturgical theology examining the oft hidden implications of traditional elements of liturgy Given that no liturgy has ever been composed from scratch Wolterstorff argues that the assumptions taken into worship are key to perceiving the real depths of historical Christianity s understanding of God Across the liturgies of the Orthodox Catholic Episcopal Lutheran and Reformed churches Wolterstorff highlights theologically neglected elements of God such as an implicit liturgical understanding of God as listener A dissection of liturgy is not only interesting Wolterstorff argues but crucial for reconciling differences between the God studied by theologians and the God worshiped by churchgoers on Sunday The Place of Christ in Liturgical Prayer Bryan D. Spinks, 2008 Proceeding from Josef A Jungmanns groundbreaking book of the same title this volume gathers new work from fifteen renowned scholars on christological and trinitarian themes in prayer and worship Eastern and Western traditions Catholic and Protestant ancient and contemporary are all represented in this record of the 2005 meeting of the Yale Institute of Sacred Music Collectively these practitioners and theologians from their varied settings grapple with the competing ideas and expressions of christological and trinitarian doctrine in meaningful liturgy *How to Hit the Ground Running* Neal O. Di Mauro, 2008-06-20 Is abortion ethical The answer to this

question is often obscured by rhetoric slogans and politics And the media message on abortion is often of little help When the typical American opens up her morning newspaper she sees the topic debated between pro lifers and pro choicers but receives little information that could help her make an informed moral decision And as she reads further about the subject it seems that the Christian church often an ethical guide in many of her decisions is of no use to her Sadly she is told that the church is just as divided as the rest of society on the topic So our average American is left to fend for herself She must somehow decide the right answer with little guidance from society from the church or even from God himself But is our average American really without guidance Has she gotten all the information she needs about abortion or has she received only the five second sound bite that leaves her as confused as she was before she heard about the abortion debate And has God been silent on the abortion question Has the church really shown a diversity of opinion on the sanctity of life A Love for Life will provide Christians with the biblical and historical information that they need to make an informed decision on the abortion question It will also take a critical and biblically based look at the arguments and theologies of today's most prominent pro choice clergy And it will determine if abortion really fulfills the will of God as many pro choice Christians believe or whether abortion is a clearly sinful act In short readers of A Love for Life will discover the real message of the church on abortion
