Making Of Belize Globalization In The Margins:

The Making of Belize Anne Sutherland, 1998-07-23 Documents the history and rapid globalization of Belize as it confronts postmodernity *Belize and Its Identity* Godfrey Mwakikagile, 2010 This work is about Belize from a historical and contemporary perspective Once known as British Honduras Belize is the only English speaking country in Central America And it s only one of two such countries in Latin America The other one is Guyana in South America which was also once ruled by Britain The author looks at the different racial and ethno cultural groups which collectively constitute Belize a country founded by British settlers and African slaves more than 300 years ago The work is a general introduction to Belize It s also about life in Belize and how the different groups interact with each other in this multicultural society He examines Belize s multicultural character and identity and how members of different groups interact at different levels of national life as individuals as an integral part of an ethnic or cultural group and as an integral part of the nation How important is group identity Is Belize a melting pot Has it ever tried to be one if it s not one already Are ethnic relations good or bad How do immigrants fit in Are there true Belizeans Who is a native Belizean and who is not How have competing claims to native status affected ethnic and racial relations How many ethnic and racial groups are in Belize Are there ethnic enclaves in Belize Is Belize also an Afro Caribbean nation although it s in Central America Is it more black than Spanish What is the dominant culture in Belize and why Those are some of the subjects addressed in the book Members of the general public including those going to Belize may find this work to be useful It may also help some students learn a few things about the country **Tourism, Power and Culture** Donald V. L. Macleod, James G. Carrier, 2010-01-01 Power and culture are inextricably bound up with tourism The anthropological case studies in this groundbreaking book explore this relationship in Latin America the Caribbean Europe Africa Australia and South East Asia Two sections deal with tourism and the power struggle for resources and tourism and culture presentation promotion and the manipulation of image A concluding chapter investigates the relationship between tourism and power

Misiaszek, 2017-12-15 Misiaszek examines the dis connection between critical global citizenship education models and ecopedagogy which is grounded in Paulo Freire s pedagogy Exploring how concepts of citizenship are affected by globalization this book argues that environmental pedagogues must teach critical environmental literacies in order for students to understand global environmental issues through the world s diverse perspectives Misiaszek analyses the ways environmental pedagogies can use aspects of critical global citizenship education to better understand how environmental issues are contextually experienced and understood by societies locally and globally through issues of globalization colonialism socio economics gender race ethnicities nationalities indigenous issues and spiritualities **Religion and**

Contemporary Politics Timothy J. Demy, Jeffrey M. Shaw Ph.D., 2019-09-19 With respect to the countries of the world this work addresses two basic questions How does religion affect politics in this country and How does politics affect religion in this country Although there are many books on the topics of religion and politics reference works that consider the two

together are few with those that do exist primarily addressing theory rather than trends The present work does the latter contextualizing them within regional and national boundaries In so doing it recognizes the power of political and religious ideas and movements on individuals communities and nations making the work a valuable resource for several disciplines among them political science international relations religion and sociology The work focuses on the interplay of religion and politics in countries around the world with an emphasis on the post 2000s It is organized by global geographic regions including Africa Central and South America and the Middle East and presents countries alphabetically within those sections Each region has a brief overview of the political religious dynamics of the area so readers can compare and contrast the dynamics between and among countries in a region The work also includes an introduction sidebars and a bibliography

Capital Cities around the World Roman Adrian Cybriwsky, 2013-05-23 This informative resource is a fascinating compilation of the history politics and culture of every capital city from around the world making this the only singular reference on the subject of its kind Every country even the world's youngest nations has a capital city a centralized location which houses the seat of government and acts as the hub of culture and history But what role do capital cities play in the global arena Which factors have influenced the selection of a municipal center for each nation This interesting encyclopedia explores the topic in great depth providing an overview of each country's capital its history and early inhabitants ascension to prominence infrastructure within the government and influence on the world around them The author considers the culture and society of the area discussing the ethnic and religious groups among those who live there the major issues the residents face and other interesting cultural facts Capital Cities around the World An Encyclopedia of Geography History and Culture features the capital cities of 200 countries across the globe Organized in alphabetical order by country each profile combines social studies geography anthropology world history and political science to offer a fascinating survey of each location

The Feeling of the Fall Ines Taccone, 2023-08-11 As an inquiry into engagements with forces of loss and threat this work explores experimental ways to write about climate crisis in anthropology From Belize to Ontario and back this ambitious piece of ethnographic writing set during a time beyond ruin in a fictional ecotourist community in the year 2040 Here loss is taken up through an inventive form of ethnographic storytelling that brings together people animals landscapes and the weather in a world beyond the climate crisis right now where new entanglements with things which have fallen to ruin emerge in imagined milieus in which loss and life converge

Nation Shapes Fred M. Shelley, 2013-04-23 This book provides a concise and comprehensive description of all of the borders of every country in the contemporary world including physical boundaries their historical evolution and border related conflicts with other countries Nation Shapes The Story behind the World's Borders examines the importance of country boundaries the disconnects between these borders related factors such as cultures religions and economies and how conflicts over boundaries between neighboring countries are articulated The book is organized geographically and by region of the world the Americas Africa Europe the Middle East

South and Southeast Asia East and Southeast Asia and Australia and Oceania It provides comprehensive descriptions of the boundaries of each country in the world the historical evolution of these boundaries and current and potential future boundary disputes and conflicts While the work contains an entry for each country the emphasis is on countries of major importance in the modern global economy *Traveling with Sugar* Amy Moran-Thomas,2019-11-26 *Traveling with Sugar* reframes the rising diabetes epidemic as part of a five hundred year old global history of sweetness and power Amid eerie injuries changing bodies amputated limbs and untimely deaths many people across the Caribbean and Central America simply call the affliction sugar or as some say in Belize traveling with sugar A decade in the making this book unfolds as a series of crónicas a word meaning both slow moving story and slow moving disease It profiles the careful work of those still fighting it as they grapple with unequal material infrastructures and unsettling dilemmas Facing a new incarnation of blood sugar these individuals speak back to science and policy misrecognitions that have prematurely cast their lost limbs and deaths as normal Their families arts of maintenance and repair illuminate ongoing struggles to survive and remake larger systems of food land technology and medicine *Ecologies and Politics of Health* Brian Hastings King,Kelley A. Crews,2013 Human health exists at the interface of environment and society Decades of work by researchers practitioners and policy makers has shown that health is shaped by a myriad of factors including the biophysical environment climate political economy gender social networks culture and infrastructure Yet while there is emerging interest within the natural and social sciences on the social and ecological dimensions of human disease and health there have been few studies that address them in an integrated manner *Ecologies and Politics of Health* brings together contributions from the natural and social sciences to examine three key themes the ecological dimensions of health and vulnerability the socio political dimensions of human health and the intersections between the ecological and social dimensions of health The thirteen case study chapters collectively present results from Africa Asia Latin America the United States Australia and global cities Section one interrogates the utility of several theoretical frameworks and conventions for understanding health within complex social and ecological systems Section two concentrates upon empirically grounded and quantitative work that collectively redefines health in a more expansive way that extends beyond the absence of disease Section three examines the role of the state and management interventions through historically rich approaches centering on both disease and non disease related examples from Latin America Eastern Africa and the United States Finally Section four highlights how health vulnerabilities are differentially constructed with concomitant impacts for disease management and policy interventions This timely volume advances knowledge on health environment interactions disease vulnerabilities global development and political ecology It offers theoretical and methodological contributions which will be a valuable resource for researchers and practitioners in geography public health biology anthropology sociology and ecology **Belize and Its People** Godfrey Mwakikagile,2010-06 The author looks at Belize and its people to provide a general picture of the country and its ethnic

diversity and how different ethnic groups interact as members of a multicultural society Some of the main subjects covered include group identity Creole Mestizo Garifuna and so on and the role it plays in determining relations between members of different ethno cultural groups in a country which stands out probably as the most ethnically diverse in Central America The work is also a general introduction to Belize from a historical and geographical standpoint and has previously been published under another title Belize and Its Identity A Multicultural Perspective Although it s written for the general public some students and scholars may find it to be useful in different areas of study It s well documented with scholarly references and citations from many sources which go beyond the interest of the general reader and can even be used as a college text on Belize providing useful insights into the complexities of a multicultural society

Rice and Beans Richard Wilk, Livia Barbosa, 2013-05-09 Rice and Beans is a book about the paradox of local and global On the one hand this is a globe spanning dish a simple source of complete nutrition for billions of people in hundreds of countries On the other hand in every place people insist that rice and beans is a local invention deeply rooted in a particular history and culture How can something so universal also be so particular The authors of this book explore the specific history of the versions of rice and beans beloved and indigenous in cultures from Brazil to West Africa But they also plumb the shared African Native American and European trans Atlantic encounters and exchanges and the contemporary forces of globalization and nation building which combine to make rice and beans a powerful substance and symbol of the relationship between food and culture

On the Trail of the Maya Explorer Steve Glassman, 2007-03-25 Steve Glassman retraces John Lloyd Stephens 1839 route visiting the same archaeological sites towns markets and churches and meeting along the way the descendants of those people Stephens described from mestizo en route to the cornfields to town elders welcoming the Norte Americanos Glassman s work interlaces discussion of the history natural environment and architecture of the region with descriptions of the people who live and work there Glassman compares his 20th century experience with Stephens s 19th century exploration gazing in awe at the same monumental pyramids eating similar foods and avoiding the political clashes that disrupt the governments and economies of the area

On the Nervous Edge of an Impossible Paradise Kenneth Little, 2020-02-04 There are beastly forces in Belize Forces that are actively involved in making paradise impossible On the Nervous Edge of an Impossible Paradise is a collection of seven stories about local lives in the fictional village of Wallaceville Lives turn rogue in the face of runaway forces that take the form and figure of a Belize beast time which can appear as a comic mishap social ruin tragic excess or wild guesses Inciting the affective politics of life in the region this fable of emergence evokes the unnerving uncertainties of life in the tourist state of Belize
