Weddell Foreword by Bishop Philip A. Egan,2022-08-12 How can we transmit a living personal Catholic faith to future generations By coming to know Jesus Christ and following him as his disciples As we emerge from a pandemic into a post Christian world these are times of immense challenge and enormous opportunity for the Catholic Church in the United States Consider these statistics Fully 10 percent of all adults in America are ex Catholics Nearly three quarters of young Catholics think that they could be a good Catholic without going to Mass every Sunday Catholic marriages have declined by almost two thirds since 1969 even as the number of Catholics in the United States has grown significantly Only one third of Catholics believe that the bread and wine actually become the Body and Blood of Jesus Christ at the consecration during Mass If the Church is to reverse these trends the evangelizers must first be evangelized In other words Catholics in the pew must make a conscious choice to know and follow Jesus before they can draw others to him Ten years after it was first published *Forming Intentional Disciples* is still helping scores of Church leaders parish staff and all Catholics transform parish life from within World renowned author and speaker Sherry Weddell leads you through the steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity charisms and vocation that flow from that relationship for the sake of the Church and the world
