Making Groups

Marian Fatout, Steven R. Rose

Making Groups:

Making Groups Work Joan Benjamin, 2020-07-23 Most of us work in them most of us live in them Some are complex some are simple Some meet only once while others last for decades Whatever form they take groups are central to our lives *Making Groups Work* offers a comprehensive introduction to the key issues in group work It outlines the role of groups and the history of group work discusses group politics and shows how groups can help promote social change Detailed case studies are used to make the crucial link between theory and practice The authors also offer strategies for making groups work effectively *Making Groups Work* is essential reading for social workers health workers counsellors community workers youth workers trainers and anyone else interested in working with groups It is also a good introductory text for students and a handy reference for professionals

Decision-Making Groups and Teams Steven Silver, 2013-11-12 In recent years there has been increasing implementation of group and team decision making within organizations much of it managed electronically between members of what are virtual groups or teams Recent research into effective team implementation emphasizes trust as an intermediary process and trust must be a part of any account of team decision making This book provides an integrated framework that represents process in decision making by interactive groups and teams This framework furthers both our understanding of process and our capabilities in implementation based on an account of group decision making that differentiates the information types contributing to decision quality and relates them to process in interactive groups and teams Author Steve Silver emphasizes the social structure that is inherent in the interaction of decision makers as group or team members and effects on the information they exchange

Creating Effective Groups Randy Fujishin, 2023-02-06 This practical book gives students the fundamental knowledge and skills necessary to communicate more effectively and interact more productively in the small group setting With the help of this book any group member can learn the skills necessary to participate in and lead a task group in an effective productive and healthy manner The fourth edition features new content on communicating within virtual groups and conducting online meetings

Making the Most of Small Groups Debbie Diller, 2007 Debbie Diller has already shown us how to productively occupy the rest of the class while meeting with small groups Now she turns her attention to the groups themselves and the teacher's role in small group instruction

Small-group Decision Making and Complex Information Tasks Michael J. Saks, 1981 A report on a search of the psychological literature for information about the competence of jurors to find the facts in complex protracted civil trials The author noted that little research had focused directly on this issue and concluded that in legal fact finding in complex civil trials groups had advantages over individuals as decision makers

The Fundamentals of Small Group Communication Scott A. Myers, Carolyn M. Anderson, 2008-01-17 *The Fundamentals of Small Group Communication* provides readers with the fundamentals they need to become functional and productive members of any small group Readers are introduced to the fundamental issues faced by all small groups such as socialization development ethics diversity and the

procedures utilized by effective small groups for example task accomplishment decision making climate With a focus on the individual group member this textbook encourages readers to reflect on how their communication behaviors e g communication traits verbal and nonverbal communication listening style and practices e g their leadership style their conflict management style contribute to their current small group experiences Intended Audience This textbook is intended for introductory courses in group communication as found in department of communication studies leadership marketing management and interdisciplinary studies Accompanied by High Quality Ancillaries An Instructors Resource CD is available to qualified adopters This Instructor s Resource CD is designed to aid you in using easily The Fundamentals of Small Group Communication The CD has been created by Scott A Myers West Virginia University Katie N Dunleavy LaSalle University Brianna N Loy West Virginia University and Paul E Madlock West Virginia University Each chapter contains the following ancillary materials Chapter Outline Test Questions In Class Activities PowerPoint Slides A list of paper topics is also provided in the section titled Teaching Resources

Small Groups John M. Levine, Richard L. Moreland, 2008-02-19 Research on small groups is highly diverse because investigators who study such groups vary in their disciplinary identifications theoretical interests and methodological preferences The goal of this volume is to capture that diversity and thereby convey the breadth and excitement of small group research by acquainting students with work on five fundamental aspects of groups The volume also includes an introductory chapter by the editors which provides an overview of the history of and current state of the art in the field Together with introductions to each section discussion questions and suggestions for further reading make the volume ideal reading for senior undergraduate and graduate students interested in group dynamics

Expanding Underground - Knowledge and Passion to Make a Positive Impact on the World Georgios Anagnostou, Andreas Benardos, Vassilis P. Marinos, 2023-04-12 Expanding Underground Knowledge and Passion to Make a Positive Impact on the World contains the contributions presented at the ITA AITES World Tunnel Congress 2023 Athens Greece 12-18 May 2023 Tunnels and underground space are a predominant engineering practice that can provide sustainable cost efficient and environmentally friendly solutions to the ever growing needs of modern societies This underground expansion in more diverse and challenging infrastructure types or to novel underground uses can foster the changes needed At the same time the tunneling and underground space community needs to be better prepared and equipped with knowledge tools and experience to deal with the prevailing conditions to successfully challenge and overcome adversities on this path The papers in this book aim at contributing to the analysis of challenging conditions the presentation and dissemination good practices the introduction of new concepts new tools and innovative elements that can help engineers and all stakeholders to reach their end goals Expanding Underground Knowledge and Passion to Make a Positive Impact on the World covers a wide range of aspects and topics related to the whole chain of the construction and operation of underground structures Knowledge and Passion to Expand Underground for Sustainability and Resilience Geological

Task Groups in the Social Services Marian Fatout, Steven R. Rose, 1995-02-17 This work should serve as a sound foundation for students and practitioners as they begin their study of the significance of various groups in social work practice Choice Collective problem solving a powerful and effective means of assessing a situation determining a course of action and accomplishing goals In the realm of social services this formidable method has been evidenced in the development of task groups in the textbook arena it is clearly and definitively presented in Task Groups in the Social Services Focusing on the role of the social worker the authors consider such aspects as the recruitment and

composition of groups participation as a team member group shepherding and dealing with problem behaviors within the group Selected problem solving approaches including brainstorming societal judgment analysis and the Delphi technique are evaluated in terms of process and outcome From implementation through achievement the merits and methods of application for a variety of task groups are assessed This sophisticated work will be a vital resource for students of social work and social work practitioners alike *Effective Communication in Organisations* Michael Fielding, 2006 With a focus on outcomes based education this business communication manual caters to the needs of students of business communication at universities technikons and private colleges with updated information on writing e mail messages and using the Internet Adopting the premise that poor communication can cost an organization business and competitive status in the marketplace this text focuses on refining and clarifying the products of communication within the company and with the public Particular focus is paid to interpersonal conversation in small groups formal meetings and interviews written clarity in internal business plans e mails and memos accessible materials for mass communication and public relations and rules of basic grammar and punctuation Examples of all mentioned tools are provided along with the theory and practice of their use Group Communication Torsten Reimer, Ernest S. Park, Joseph A. Bonito, 2023-11-30 In this comprehensive advanced introduction to group communication the field s leading experts summarize theory methodological advancements and current research in the field This book follows a coherent structure specifying clear objectives and evidence based practical implications for the management of groups Each chapter provides case study examples highlighting the role of communication for group functioning The textbook takes a particular look at recent advancements in the research on virtual teams the role of technology in group communication and issues of diversity and inclusion considering group communication in various situations including health and organizational contexts It features theory driven descriptions an emphasis on empirical findings and reflections on research methods The book is an integrative and coherent textbook for advanced undergraduate and graduate group communication classes and a useful reference for students scholars and group communication professionals across different disciplines including communication studies psychology life sciences business administration management and engineering Online resources include a sample course syllabus discussion questions lecture slides and a test bank They are available at www.routledge.com 9781032114712 **Managing Group Risk Attitude** Ruth Murray-Webster, David Hillson, 2016-05-13 This book builds on the authors previous title *Understanding and Managing Risk Attitude* but this time looks exclusively at the challenges of understanding and managing those attitudes adopted by groups of people when faced with making decisions that they perceive as risky and important The book makes the link between risk management and decision making explicit building on existing work from the economic and risk psychology schools but taking a pragmatic practitioner focused approach that is relevant to all decision making groups in any situation The insights in *Managing Group Risk Attitude* are derived from the authors own applied research Details of the research methods and

findings are included in the book in support of a practical model and steps to manage risk attitude using applied emotional literacy Ruth Murray Webster and David Hillson have written a practical book for all decision makers supported by actual research by practitioners and underpinned by the seminal research of leading academics **Communication Yearbooks Vols 6-33 Set** Various,2021-12-02 The Communication Yearbook annuals originally published between 1977 and 2009 publish diverse state of the discipline literature reviews that advance knowledge and understanding of communication systems processes and impacts across the discipline Topics dealt with include Communication as Process Research Methodology in Communication Communication Effects Taxonomy of Communication and European Communication Theory Information Systems Division Mass Communication Research Mapping the Domain of Intercultural Communication Public Relations Feminist Scholarship Communication Law and Policy Visual Communication Communication and Cross Sex Friendships Across the Life Cycle Television Programming and Sex Stereotyping InterCultural Communication Training Leadership and Relationships Media Performance Assessment Cognitive Approaches to Communication **Applied Social Psychology** Gün R Semin,Klaus Fiedler,1996-05-28 This comprehensive and accessible textbook overviews the applications of social psychology to a wide range of problems and issues in contemporary society With internationally respected contributors who survey the major developments in their fields this practical guide incorporates advice examples and reading lists The first part of the book outlines a number of general frameworks that inform the applications of social psychology namely language attitudes decision making and survey research Part Two focuses on major behavioural domains including health and economic behaviour Part Three explains the relationship between social psychology and social institutions highlighting for instance the media law and politics and the final part addresses the broader social and cultural implications of contemporary social psychology covering such key concerns as violence ageing and cross cultural questions *Crisis Management: Concepts, Methodologies, Tools, and Applications* Management Association, Information Resources,2013-11-30 This book explores the latest empirical research and best real world practices for preventing weathering and recovering from disasters such as earthquakes or tsunamis to nuclear disasters and cyber terrorism Provided by publisher **The Emerald Handbook of Group and Team Communication Research** Stephenson J. Beck,Joann Keyton,Marshall Scott Poole,2021-11-05 This volume considers the current research of group communication scholars provides an overview of major foci in the discipline and points toward possible trajectories for future scholarship It establishes group communication s central role within research on human behaviour and fosters an identity for group communication researchers *Group Duties* Stephanie Collins,2019 Moral duties are regularly attributed to groups Does this make conceptual sense or is this merely political rhetoric And what are the implications for these individuals within groups Collins outlines a Tripartite Model of group duties that can target political demands at the right entities in the right way and for the right reasons *The Road to War in Iraq: Comparative Foreign Policy Analysis* Chris Featherstone,2025-04-09 This book combines three Foreign Policy

Analysis FPA models to explain both how and why the US and UK decided to invade Iraq in 2003 These three FPA models each examine a different but closely related aspect of the individual level of decision making Firstly Groupthink examines how pathologies of small group decision making affected the processes in the US and UK decision to invade Iraq Secondly the Leadership Style framework examines how the individual leader s style of exercising their leadership affected the navigation of the decision making process Thirdly analogical reasoning examines how decision makers frame their actions both in their own decision making and in how they present their decision to the wider public By achieving these objectives The Road to War contributes to the field of FPA and to our understanding of how the decision to invade Iraq was taken The comparative use of these FPA models within a single framework means that this book responds to the calls for multifactorial research within FPA proposing and testing a framework that provides more complex answers through adopting a multifactorial framework These more nuanced complex answers then reveal more about the role of the individuals involved in the decision to invade Iraq and how their cognition affected the process that led to the decision to invade

Decoding **Making Groups**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Making Groups Introduction

In the digital age, access to information has become easier than ever before. The ability to download Making Groups has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Making Groups has opened up a world of possibilities. Downloading Making Groups provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Making Groups has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Making Groups. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Making Groups. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Making Groups, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download

Making Groups has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Making Groups Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
