Michael Johnson

Making It With Music:

Making Music George Martin, 1983 **Making Time for Making Music** Amy Nathan, 2018 Are you a former music maker who yearns to return to music but aren't sure where to begin Or are you a person who never played music as a child but you are now curious about trying You're not alone Many adults who used to play an instrument haven't touched it in years because either they can't find the time to practice are afraid their skills are too rusty or are unsure of what kind of group they could join Others are afraid to sing or start playing an instrument because they received negative feedback from childhood experiences Performing practicing and composing music may seem like unattainable goals with insurmountable obstacles for busy adults with non-musical careers *Making Time for Making Music* can help adults find ways to make music part of their lives The first book of its kind it is filled with real life success stories from more than 350 adults who manage to fit music making into their jam-packed schedules They polished rusty skills found musical groups to join and are having a great time Their testimonies prove that you are never too old to learn to make music and that there are numerous musical paths to explore Featuring advice from dozens of music educators health care professionals and music researchers who point out that making music can even be good for your health as well as an extensive resource list of websites organizations and summer programs this book offers inspiration and tried and true strategies for anyone who wishes to return to music making or begin as an adult

Making Music in Montessori Michael Johnson, 2020-11-21 Infused with a warm affable tone *Making Music in Montessori* is the Guide's guide to music education providing Montessori teachers all at once a snappy practical handbook music theory mentor pedagogical manual and resource anthology The book's goal To give teachers confidence in music so that when their children walk away from a lesson all fired up to compose their own music their teacher will know how to guide them Before *Making Music in Montessori* teachers may have only dreamed of a classroom buzzing with children working learning and growing with music alongside all of the other subject areas in the Montessori curriculum Now it's a reality If children's minds are a fertile field then *Making Music in Montessori* will stir Montessori teachers of all musical backgrounds to don their overalls roll up their sleeves sow the musical seeds and watch them blossom under their children's flaming imagination

Making Music, Making Society Josep Martí, Sara Revilla, 2018-01-23 A society is the result of interacting individuals and individuals are also the result of this interaction This interaction happens through music among other factors As such music constitutes a powerful resource for symbolic interaction which constitutes the medium and substance of a culture The importance of music in a society is clearly brought to light in the role that it plays in the three basic parameters of the social logics identity social order and the need for exchange If music is so important to us it is because apart from its assigned aesthetic values it fits closely with the dynamics of each of these three different parameters These parameters which are consubstantial to the social nature of the human being constitute the core of the book as they manifest in musical practices This publication addresses important issues such as the role of music in shaping identities how

music and social order are intertwined and why music is so relevant in human interaction The last part of the book explores issues related to the social application of musical research The volume brings together specialists from different academic disciplines with the same powerful starting point music is not merely something related to the social but rather a social life itself something capable of structuring the social experience *Making Money, Making Music* David Bruenger, 2016-09-06 Musical experience as transaction Transience to permanence The rise of commercial markets Media revolutions Convergence and crossover Massification Scaling and selling live performance Visual media Artists audiences and brands Digitization State of the art **Making Music at the Piano** Barbara English Maris, 2000 Beginners can make music at the piano and play musically even during the earliest phases of piano study and this book shows how Written for early level adult piano students of any age the book enables students to play gratifying music while continuing to develop their skills steadily whether they are working in a private studio or in a piano class environment Throughout the book features numerous Concepts to Consider focusing on conceptual learning and Activities to Explore which build on the Concepts and emphasize ways to strengthen the kinesthetic aspects of learning The author discusses nearly every aspect encountered by the beginner from appropriate goals and good playing habits to the basics of how people learn and how the piano works She provides a hands on explanation of the characteristics of music playing and suggests specific strategies for using practice time effectively and for developing rhythmic security and technical control of sound For students who to play as well as practice this book is the ideal guide *Making Music for Life* Gayla M. The Top Books of the Year Making It With Music The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Making It With Music : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Making It With Music : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
