

Making Journalists

**Bob Franklin, Mike Hogan, Quentin
Langley, Nick Mosdell, Elliot Pill**

Making Journalists:

Making Journalists Hugo de Burgh, 2006-03-13 At a time when the media's relation to power is at the forefront of political discussion this book considers how journalists can affect public discourse on politics economy and society at large From well known and respected authors providing all new material Making Journalists considers journalism education training practice and professionalism across a wide range of countries including Saudi Arabia Africa India USA and the UK The book offers insights into what journalism is how education makes the journalist and therefore the news models of journalism taught and practised across the globe the ethical implications of the process When news reporting can lead to decisions on whether or not to go to war everything can be affected by journalists and their mediation of the world This text brings these present issues together in one invaluable resource for all students of journalism politics and media studies

Making Journalists Hugo de Burgh, 2006-03-13 At a time when the media's relation to power is at the forefront of political discussion this book considers how journalists can affect public discourse on politics economy and society at large From well known and respected authors providing all new material Making Journalists considers journalism education training practice and professionalism across a wide range of countries including Saudi Arabia Africa India USA and the UK The book offers insights into what journalism is how education makes the journalist and therefore the news models of journalism taught and practised across the globe the ethical implications of the process When news reporting can lead to decisions on whether or not to go to war everything can be affected by journalists and their mediation of the world This text brings these present issues together in one invaluable resource for all students of journalism politics and media studies **Poland's Journalists** Jane Leftwich Curry, 1990-02-22 Originally published in 1990 Polish Journalists Professionalism and Politics is a study of how in the face of constant political instructions and restrictions Polish journalists act as independent forces in their society

Thinking Clearly Tom Rosenstiel, Amy S. Mitchell, 2003 Explores the issues that shape the production and presentation of news in the twenty first century with case studies depicting real life moments in which people in the news had to make critical decisions **Audience Research Methodologies** Geoffroy Patriarche, Helena Bilandzic, Jakob Linde Jensen, Jelena Jurišić, 2013-07-31 The transformations of people's relations to media content technologies and institutions raise new methodological challenges and opportunities for audience research This edited volume aims at contributing to the development of the repertoire of methods and methodologies for audience research by reviewing and exemplifying approaches that have been stimulated by the changing conditions and practices of audiences The contributions address a range of issues and approaches related to the diversification integration and triangulation of methods for audience research to the gap between the researched and the researchers to the study of online social networks and to the opportunities brought about by Web 2.0 technologies as research tools

Journalist Safety and Self-Censorship Anna Grøndahl Larsen, Ingrid Fadnes, Roy Krøvel, 2020-07-08 This book explores the relationship between the safety of journalists and self

censorship practices around the world including local case studies and regional and international perspectives Bringing together scholars and practitioners from around the globe Journalist Safety and Self Censorship provides new and updated insights into patterns of self censorship and free speech focusing on a variety of factors that affect these issues including surveillance legislation threats violent conflict gender related stereotypes digitisation and social media The contributions examine topics such as trauma risk and self censorship among journalists in different regions of the world including Central America Estonia Turkey Uganda and Pakistan The book also provides conceptual clarity to the notion of journalist self censorship and explores the question of how self censorship may be studied empirically Combining both theoretical and practical knowledge this collection serves as a much needed resource for any academic student of journalism practicing journalist or NGO working on issues of journalism safety free speech and censorship

Impact of Globalization on the Local Press in China Shixin Ivy Zhang, 2014-04-02 Impact of Globalization on the Local Press in China investigates Chinese news production and content as well as the main factors that have caused significant changes to Chinese newspapers over the past three decades By conducting an in depth study of a particular leading newspaper group in China Beijing Youth Daily Zhang identifies and analyzes essential changes in press structure news organization and the role of journalists thus revealing the relations between the global and local external and internal influences the Party state and the media and the media and the market This is the first comprehensive study of news making at both macro and micro levels in China It provides up to date empirical data analysis on the operation and practices of transforming Chinese newspapers offers a tool to form clarify and refine concepts on media globalization and journalism in developing countries like China and serves as a reference point for policy makers media practitioners academics and students who engage in journalism studies Chinese studies media management and globalization studies

The Ethical Journalist Tony Harcup, 2007 As one of the main scriptwriters of the two internal BBC training sessions which were produced following the Hutton inquiry I can heartily recommend this book Peter Stewart BBC Training Department Packed with illustrations of journalistic heroism and skulduggery This is an engaging and useful reference book and should become essential reading for serious students of journalism and for those who practise it Times Higher Education Supplement A must read for all journalists be they reporters editors or bloggers It is both a straightforward explanation of ethical dilemmas using real life examples and a subtle commentary on the state of British journalism British Journalism Review This engaging and accessible book cannot fail to inspire those who want to be good journalists in every sense of the word Journalism Practice Everything that journalists do has ethical implications and in this book Tony Harcup explores the range of issues likely to confront those studying journalism or training to become journalists The starting point for this engaging and innovative book is that ethical journalism is good journalism Building on the reflective and questioning approach of the author's acclaimed Journalism Principles and Practice this book discusses journalists' personal anecdotes alongside relevant critical studies by academics

Original interviews include Andrew Gilligan on his meeting with weapons expert Dr David Kelly and Ryan Parry on being an undercover reporter in Buckingham Palace Informed by new research and the author's own experience within mainstream and alternative journalism The Ethical Journalist addresses topics such as trust the public interest deception news values source relationships crime reporting regulation and the Hutton inquiry This exciting new title discusses ethics as fundamental rather than as a set of problems or an added extra and it should become essential reading for everyone interested in journalism

Key Concepts in Public Relations Bob Franklin, Mike Hogan, Quentin Langley, Nick Mosdell, Elliot Pill, 2009-03-05 This is a good text to accompany a core text on Public Relations It is also very useful for marketing and business students Valuable for post grads new to PR also Robbie Smyth Griffith College Dublin Offers the reader a concise and very readable tour through the many facets of PR Providing a detailed reference of just under 200 alphabetically listed entries covering a range of topics from account management to wikis destination branding and Hong Bo that one you'll have to look up yourselves each entry takes up roughly a page sometimes less is colloquial in tone and offers several recommendations for further reading making it an excellent jumping off point for further exploration Communication Director The SAGE Key Concepts series provides students with accessible and authoritative knowledge of the essential topics in a variety of disciplines Cross referenced throughout the format encourages critical evaluation through understanding Written by experienced and respected academics the books are indispensable study aids and guides to comprehension Key Concepts in Public Relations Provides a comprehensive easy to use overview to the field Covers over 150 central concepts in PR Paves the way for students to tackle primary texts Grounds students in both practice and theory Takes it further with recommended reading Bob Franklin Mike Hogan Quentin Langley Nick Mosdell and Elliot Pill all teach at the Cardiff School of Journalism Media and Cultural Studies

The Elements of Journalism, Revised and Updated 4th Edition Bill Kovach, Tom Rosenstiel, 2021-08-10 A timely new edition of the classic journalism text now featuring updated material on the importance of reporting in the age of media mistrust and fake news and how journalists can use technology to navigate its challenges More than two decades ago the Committee of Concerned Journalists gathered some of America's most influential newspeople and asked them What is journalism for Through exhaustive research surveys interviews and public forums the committee identified the essential elements that define journalism and its role in our society The result is one of the most important books on media ever written winner of the Goldsmith Book Prize from Harvard a Society of Professional Journalists Award and the Bart Richards Award for Media Criticism from Penn State University Updated with new material covering the ways journalists can leverage technology to their advantage especially given the shifting revenue architecture of news and with the future of news facts and democracy never more in question this fourth edition of The Elements of Journalism is the authoritative guide for journalists students and anyone hoping to stay informed in contentious times

Journalism Education, Training and Employment Bob Franklin, Donica Mensing, 2010-12-14 This edited volume of studies by

respected international scholars describes the diverse issues journalism educators are grappling with and the changes they are making in purpose and practice **Media and Maltese Society** Carmen Sammut,2007-01-01 This seminal work is the first comprehensive analysis of the media landscape in the Mediterranean island of Malta It examines the media owned by political parties trade unions and the church and how they successfully compete for audiences with the public and private sectors **Writing for Broadcast Journalists** Rick Thompson,2004-11-25 Writing for Broadcast Journalists is the essential guide to writing news for television and radio guiding readers through the significant differences between writing text to be read and writing spoken English that will be heard This book helps broadcast journalists at every stage of their careers to avoid newspaper style journalese cliché s jargon and inaccurate grammar or pronunciation while capturing the immediacy of the spoken word in creative broadcast news scripts It also gives advice on providing concise online material for broadcasters websites Sections include Practical advice on how to write accurately but conversationally How to cope with a dynamic English language with new expressions and words changing their meanings Writing scripts that match the TV pictures and use real sound on radio Detailed guidance on correct terminology and the need for sensitive language An appendix of dangerous words and phrases to be avoided in scripts Written in a lively and accessible style by a former BBC news editor Writing for Broadcast Journalists is an invaluable guide to the techniques of writing news for television radio and online audiences **Mass Communication** Ralph E. Hanson,2025-01-07 The best selling Mass Communication Living in a Media World presents a highly accessible introduction to mass communication that equips students with the critical thinking skills to become savvy media consumers To help students better retain the material author Ralph E Hanson uses a storytelling approach that weaves in examples drawn from everyday life Readers are encouraged to consider the media industry from the inside out and in doing so discover the many dimensions of mass communication that operate in our society This newly revised Ninth Edition highlights the aftermath of how the media industry and media consumers have evolved since the global pandemic closely examining the changing the face of media today **The Palgrave Handbook of Media Misinformation** Karen Fowler-Watt,Julian McDougall,2022-12-12 The Palgrave Handbook of Media Misinformation provides a comprehensive and cutting edge resource on the critical debates surrounding fake news and misinformation online Spanning all continents and linking academic journalistic and educational communities this collection offers authoritative coverage of conspiracy theories the post Trump and Brexit landscape and the role of big tech in threats to democracy and free speech The collection moves through a diagnosis of misinformation and its impacts on democracy and civic societies the mainstreaming of conspiracy theory the impacts of misinformation on health and science and the increasing significance of data visualization Following these diagnoses the handbook moves to responses from two communities of practice the world of journalism and the field of media literacy **News as Culture** Ursula Rao,2010 More than just a fascinating description of newsmaking and practice in an Indian city this book has implications for theories of news and communication that make it a timely and

significant contribution to the literature on journalism and newsmaking in the changing global environment Mark Peterson
Miami University

Information at War Philip Seib, 2021-06-30 A war's outcome is determined by more than bullets and bombs In our digital age the proliferation of new media venues has magnified the importance of information whether its content is true or purposely false in battling an enemy and defending the public In this book Philip Seib one of the world's leading experts on media and war offers a probing analysis of the role of information in warfare from the Second World War to the present day and beyond He focuses on some of the thorniest issues on the contemporary agenda When untruthful and inflammatory information poisons a nation's political processes and weakens its social fabric what kind of response is appropriate How can media literacy help citizens defend themselves against information warfare Should militaries place greater emphasis on crippling their adversaries with information rather than kinetic force Well written and wide ranging Information at War suggests answers to key questions with which governments journalists and the public must grapple during the years ahead Information at war affects us all and this book shows us how

The Ethical Journalist Gene Foreman, 2015-06-02 This new edition of a well regarded student friendly textbook for journalism ethics has been extensively revised and updated to meet the needs of the 21st century journalist working in the digital age Educates aspiring journalists on ethical decision making with coverage of key applied issues such as the principles of fairness and accuracy the duty of verification the role of social media the problems of plagiarism fabrication and conflicts of interest business issues that affect journalism ethics and questions relating to source relationships privacy and deception in reporting Includes extensive revisions to the majority of chapters as well as six new Point of View essays eight new case studies and a full glossary Brings together the authoritative engaging voice of a veteran journalist the viewpoints of distinguished scholars and print broadcast and digital practitioners and insights from complex real world case studies Supplemented by an annually updated companion website with resources for teachers and students including links to current articles discussing the subjects covered in each of the book's chapters and a teachers guide that offers sample syllabi discussion guides PowerPoint slides sample quiz and exam questions and links to audiovisual material

European Journalism Education Georgios Terzis, 2010-02-08 This book is the first comprehensive directory of the journalism education and training offered in thirty three European countries The volume organized by country discusses the history of journalism education and includes an analysis of all the current university programs and training provided by private media and professional organizations in each location In addition each section includes a thorough examination of the historical political economic and social framework of journalism in each country that looks towards the future of journalism education and media in Europe European Journalism Education will be an asset to scholars of international communication studies and to media policy makers around the world

International News in the 21st Century Chris Paterson, Annabelle Sreberny, 2004 In the aftermath of September 11 the nature of international news has resumed a central place in media debates and political analysis In the first collection of its kind

influential journalists and scholars probe the future of international news Topics include the conglomerates ethnocentric imbalances in news reporting the rise of non Anglo news channels approaches for reconstructing the international news agenda the impacts of new technologies of production and diffusion international news rhetoric and audiences imagination of the global and their perceptions of international news coverage In a dialogue that is both descriptive and prescriptive this book begins an encounter between media practitioners activists and academics constituencies that have tended to talk past each other but are now beginning to find some shared concerns

The book delves into Making Journalists. Making Journalists is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public.
