Singleness, Marriage, and the Will of God J. Robin Maxson, 2012 Not everyone will marry or should but virtually all single adults think about marriage And all make decisions that either maintain their singleness or attempt to change it This book by the authors of the groundbreaking *Decision Making and the Will of God* offers an in depth tutorial to help singles apply biblical principles to the critical choices they confront Do I want to get married Are there good reasons to remain single What sort of person should I consider as a potential spouse How do I look for a mate What should I do if no spouse shows up What is God s role in the decision making process This comprehensive volume will equip readers to make wise choices about marriage according to the will of God It s also an invaluable resource for parents counselors and pastors **"I Do" or Do I?** J. Robin Maxson, Garry Friesen, 2014-04-01 I want to get married If you re a Christian single chances are good that thought has crossed your mind You think about getting married and wonder if someday God will lead you to the soul mate He s chosen specially for you But decisions about whether to marry and whom to marry have never been more complicated Opinions about singleness dating sex and marriage have undergone tremendous changes as our culture continues to move away from biblical values and practices Given the current complexity it s vital that you find sure footed answers to two key questions What does the Bible say about marriage How do I discover God s will for me when it comes to finding a mate *I Do or Do I* is the ideal guide to help you answer these questions It will equip you to think about marriage within the whole scope of your relationship with God and will enable you to discover your unique place in His world whether single or married *Global Mission Handbook* Steve Hoke, Bill Taylor, 2012-04-25 Veteran mission professionals Steve Hoke and Bill Taylor offer a practical guide for preparing for intercultural missions They provide resources for personal spiritual preparation as well as crosscultural skills and hands on missionary training **The Truth About Material Wealth: Is It God'S Blessing in Disguise?** Revd Dr Gabriel J. Anan PhD, 2015-11-23 The text of this book reveals the fact that because of poverty in our world theres a desire for every being to accumulate material possessions therefore the temptation to pursue this cause of action can never be underestimated regardless of our belief in the Lord God Regardless of the desire to be wealthy however many believers still ascertain the fact that poverty must be encouraged as part of our faith in Jesus Christ our Lord They support the argument from the biblical text thus For it is easier for a camel to go through the eye of a needle than for a rich person to enter the kingdom of God Luke 18 25 Conversely other believers assert that God does not refute

richness and therefore also affirms their belief with the biblical verse that says in the Proverbs 22 7 that the rich rule over the poor and the borrower is servant to the lender In Ecclesiastes 5 19 we hear further thus When God gives any man a wealth and possessions and enables him to enjoy them to accept his lot and be happy in his work this is a gift of God Furthermore we hear from 1 Samuel 2 7 that the Lord makes poor and makes rich he brings low and he exalts These biblical verses indicate the fact that God raises both the rich and the poor The Good News Bible in giant print expands this verse to mean the Lord makes some men poor and others rich He humbles some and makes others great 1 Sam 2 7 Deducing from these texts we can come to some kind of understanding that further reflection on both sides of the arguments is fundamentally in demand for an in depth illumination of how to live within the grace of the Living God

Noah Built His Ark In The Sunshine Rev. James W. Moore, 2003-08-01 Noah built his ark on a sunny day trusting in God he prepared in advance for the storm that was to come He didn't wait until the last minute He used the sunny days to get himself ready He used those bright days to build up the resources he would need when the rain and the floods came later In his story we learn many important things about his faith gratitude and spiritual strength But the question is How do we get there How do we reach that level of spiritual maturity That kind of faith and spiritual maturity doesn't just happen overnight We have to build it We have to work at the faith practice it express it study it share it And as we do our faith will grow and our gratitude will deepen and we too will be able to pray Lord whatever this day may bring you are here you are in it you are with us so may your name be praised

Decision Making and the Will of God Garry Friesen, J. Robin Maxson, 2009-10-07 Does God Have a Perfect Will for Your Life Does God have a perfect will for each Christian Can you be absolutely certain of God's specific will for your life In this expanded twenty fifth anniversary edition of his highly acclaimed work Garry Friesen examines the prevalent view on God's will today and provides a sound biblical alternative to the traditional teaching of how God guides us This new edition includes these helpful resources Study guide for small groups Responses to Frequently Asked Questions Guide to painless Scripture memorization Friesen tackles the very practical issues of choosing a mate picking a career and giving in this fresh and liberating approach to decision making and the will of God Story Behind the Book Most Christians have been taught how to find God's will yet many are still unsure whether they've found it God does guide His people but the question is How does He guide After putting out a fleece to decide which college to attend Garry Friesen began pondering why it was so hard to find God's will when he had so sincerely sought it Was he the only one who did not have 100 percent clarity for every decision Then a new possibility struck perhaps his understanding of the nature of God's will was biblically deficient Maybe there was a better way to understand HOW God guides
