Making Of A Cop:

The Making of a Cop Harvey Rachlin,1991 An accurate account of the rigorous discipline and intensive instruction in the New York police academy and of how that training changes the lives of the young men and women who will soon be out there on the streets Rise of the Warrior Cop Radley Balko,2013-07-09 Now updated with new material the groundbreaking history of how police forces have become militarized both in equipment and mindset and what that means for American democracy The last days of colonialism taught America s revolutionaries that soldiers in the streets bring conflict and tyranny As a result our country has generally worked to keep the military out of law enforcement But according to investigative reporter Radley Balko over the last several decades America s cops have increasingly come to resemble ground troops The consequences have been dire the home is no longer a place of sanctuary the Fourth Amendment has been gutted and police today have been conditioned to see the citizens they serve as an other an enemy Today s armored up policemen are a far cry from the constables of early America The unrest of the 1960s brought about the invention of the SWAT unit which in turn led to the debut of military tactics in the ranks of police officers Nixon s War on Drugs Reagan s War on Poverty Clinton s COPS program the post 9 11 security state under Bush Obama by degrees each of these innovations empowered police forces always at the expense of civil liberties And under Trump these powers were expanded in terrifying new ways as evidenced by the tanks and overwhelming force that met the Black Lives Matter protesters in 2020 In Rise of the Warrior Cop Balko shows how politicians ill considered policies and relentless declarations of war against vague enemies like crime drugs and terror have blurred the distinction between cop and soldier His fascinating frightening narrative shows how over a generation a creeping battlefield mentality has isolated and alienated American police officers and put them on a collision course with the values of a free society *American Magazine* ,1912 **English Patents of Inventions, Specifications** ,1860 *America's Textile Reporter* ,1901 *Code of Federal Regulations, Title 26, Internal Revenue, PT. 300-499, Revised as of April 1, 2012* ,2012-07-12 Code of Federal Regulations ,1998 **Code of Federal Regulations** United States.
