**Herman Melville's Malcolm Letter** Hennig Cohen, Donald Yannella, 1992 The Malcolm Letter was written by Melville in 1849 on the birth of his son This letter is one of thirty six to be retrieved since the publication of The Letters of Herman Melville 1960 and has earned a place in the New York Public Library's Gansevoort Lansing Collection Addressed to Melville's brother the letter entices critics to read it on several levels It reveals Melville's serious consideration of his own father's influence on his upbringing as he anticipates undertaking the role of father himself It is not a literary work but a deeply personal outpouring distinguished by dark underpinnings barely hidden by his light hearted tone In a bit of dramatic irony Melville reflects on the responsibility looming ahead of him as the reader notes the tragedy that Melville cannot possibly foresee his son Malcolm's suicide eighteen years later Cohen's and Yannella's careful study relives for the reader this and other events which shaped the clannish Melville family history They also show how the author's struggle with these pressures are manifested in his writing This volume is published in cooperation with the New York Public Library      *A Very Queer Family Indeed* Simon Goldhill, 2016-10-03 We can begin with a kiss though this will not turn out to be a love story at least not a love story of anything like the usual kind So begins *A Very Queer Family Indeed* which introduces us to the extraordinary Benson family Edward White Benson became Archbishop of Canterbury at the height of Queen Victoria's reign while his wife Mary was renowned for her wit and charm the prime minister once wondered whether she was the cleverest

woman in England or in Europe The couple's six precocious children included E F Benson celebrated creator of the Mapp and Lucia novels and Margaret Benson the first published female Egyptologist What interests Simon Goldhill most however is what went on behind the scenes which was even more unusual than anyone could imagine Inveterate writers the Benson family spun out novels essays and thousands of letters that open stunning new perspectives including what it might mean for an adult to kiss and propose marriage to a twelve year old girl how religion in a family could support or destroy relationships or how the death of a child could be celebrated No other family has left such detailed records about their most intimate moments and in these remarkable accounts we see how family life and a family's understanding of itself took shape during a time when psychoanalysis scientific and historical challenges to religion and new ways of thinking about society were developing This is the story of the Bensons but it is also more than that it is the story of how society transitioned from the high Victorian period into modernity

**The Arts and Crafts of Literacy** Andrea Brigaglia, Mauro Nobili, 2017-09-25 During the last two decades the re-discovery of thousands of manuscripts in different regions of sub-Saharan Africa has questioned the long standing approach of Africa as a continent only characterized by orality and legitimately assigned to the continent the status of a civilization of written literacy However most of the existing studies mainly aim at serving literary and historical purposes and focus only on the textual dimension of the manuscripts This book advances on the contrary a holistic approach to the study of these manuscripts and gather contributions on the different dimensions of the manuscript i.e. the materials the technologies the practices and the communities involved in the production commercialization circulation preservation and consumption The originality of this book is found in its methodological approach as well as its comparative geographic focus presenting studies on a continental scale including regions formerly neglected by existing scholarship

provides a unique opportunity to expand our still scanty knowledge of the different manuscript cultures that the African continent has developed and that often can still be considered as living traditions
