Married Cooperators:

The Economics of Reciprocity, Giving and Altruism NA NA, 2019-06-12 Reciprocity is a pervasive type of social interaction in encounters groups and organizations This volume gathers basic recent works in its main domains such as the theory of reciprocity the public economics of transfers the economics of the family charities gifts of organs or the motivations for gift giving The book constitutes a landmark in this rapidly expanding field of research **The Practical Utopians**

Steven Bernard Leikin, 2005 An exploration of the ideological conflicts and practical experiences of late nineteenth century American workers who pursued cooperation as an alternative to competitive capitalism Between 1865 and 1890 in the aftermath of the Civil War virtually every important American labor reform organization advocated cooperation over competitive capitalism and several thousand cooperatives opened for business during this era The men and women who built cooperatives were practical reformers and they established businesses to stabilize their work lives families and communities Yet they were also utopians envisioning a world free from conflict where workers would receive the full value of their labor and freely exercise democratic citizenship in the political and economic realms Their visions of cooperation though were riddled with hierarchical notions of race gender and skill that gave little specific guidance for running a cooperative The Practical Utopians closely examines the experiences of working men and women as they built their cooperatives contested the meanings of cooperation and reconciled the realities of the marketplace with their various and often conflicting conceptions of democratic participation Steve Leikin provides new theories and examples of the failure and successes of the cooperative movement including how the Gilded Age s most powerful labor organization the Knights of Labor collapsed in the face of the expanding industrial economy Dealing with a critically important yet largely ignored aspect of working class life during the late nineteenth century The Practical Utopians brings crucial aspects of the cooperative movement to light and is a necessary study for all scholars of history labor history and political science **The American Cooperator [devoted to the Ideals of a Cooperative Commonwealth]**. Ralph Albertson, 1903

The Mirages of Marriage William J. Lederer, Don De Avila Jackson, 1968 This helpful incisive analysis of marriage in America discusses the false assumptions of modern marriage and how to make a marriage work It is imperative to realize the authors argue that the marital relationship is an interlocked system in itself not a function of individual partners They offer techniques for appraising one s own marriage discuss the use of counselors and the dangers of unilateral therapy and outline the major elements of a satisfactory marriage

Family Disintegration Anton Purcell, 2002 The contemporary family is being distracted disturbed and distraught by societal pressures from every direction The nuclear family concept believed crucial to child rearing is becoming pass according to census data Or has the wave of disruption to families crested It is hoped that this bibliography will serve as a useful tool to researchers seeking further information on families and the pressures being exerted upon them in the 21st century

Married Cooperators J. Don Bloom, 2019-07-09 First published in 1997 in the context of dramatically rising

divorce rates this volume examines Non Discordant Marital Separations NMS what holds families together in difficult times and family support mechanisms Factors in tension with that unity such as when couples have to live apart due to work related travel questions of identity causes of extra marital affairs and the greedy world of work are considered This unique book portraying how parents and children cope with employment will be of interest to academics and lay people who are concerned about the impact of work on family life

Hunter-Gatherers of the Congo Basin Barry S. Hewlett, 2017-07-12 The forest foragers of the Congo Basin known collectively as Pygmies are the largest and most diverse group of active hunter gatherers remaining in the world At least fifteen different ethno linguistic groups exist in the Congo Basin with a total population of 250 000 to 350 000 individuals Extensive knowledge about these groups has accumulated in the last forty years but readers have been forced to piece together what is known from many sources French Japanese American and British researchers have conducted the majority of the research each national research group has its own academic traditions history and publications Here leading academic authorities from diverse national traditions summarize recent research on forest hunter gatherers The volume explores the diversity and uniformity of Congo Basin hunter gatherer life by providing detailed but accessible overviews of recent research It represents the first book in over twenty five years to provide a comprehensive and holistic overview of African forest hunter gatherers Chapters discuss the cultural variation in characteristic features of Congo Basin hunter gatherer life such as their yodeled polyphonic music pronounced egalitarianism multiple child caregiving and complex relations with neighboring farming groups Other contributors address theoretical issues such as why Pygmies are short how tropical forest hunter gatherers live without the carbohydrates they receive from neighboring farmers and how hunter gatherer children learn to share so extensively

Financial Management Practices of Young Families Helen Laverne Wells, 1958

The Journal of Electrical Workers and Operators, 1923

Altruism and Beyond Oded Stark, 1999-10-07 Revised updated and in paperback studies altruistic and nonaltruistic motives for transfers between families and groups

Embracing the Melody of Appearance: An Emotional Symphony within **Married Cooperators**

In a world consumed by displays and the ceaseless chatter of immediate conversation, the melodic beauty and mental symphony developed by the written word usually diminish into the backdrop, eclipsed by the relentless sound and distractions that permeate our lives. Nevertheless, situated within the pages of **Married Cooperators** an enchanting literary value brimming with natural feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, this fascinating masterpiece conducts readers on an emotional trip, well unraveling the hidden melodies and profound affect resonating within each carefully constructed phrase. Within the depths of this touching review, we shall examine the book's main harmonies, analyze their enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.
