Married Or Single:

Why Singles are Not Married and the Married are Single Mike Marra, 2006-01 With all of this turmoil around us we definitely have a need for God love family and patriotism These ingredients are the foundations of a great nation They re the power to defeat the enemy They provide a desire to thrive toward oneness and uniqueness Our strength and foundation for values morals passion and prosperity are found within these virtues Because we are designed for relationship and the need to love one another selflessly we now ache and grieve for attention and the feeling of love due to our selfishness The yearning for love stems from coast to coast and throughout the nations True love is difficult to achieve because our advancements have actually divided hurt and depressed people beyond our comprehension The world has turned its back on God and what He intended life to be Yet there are myriads of reasons excuses and blame for the high rates of divorce and singleness
