Beyond Recognition George Kanawaty, 2022-03-22 In this Novel our hero Arthur a regular church goer and a married father of two children leaves his native Wales UK for a two years assignment with a charitable foundation on the Island of Mindanao the Philippines Exposed to a more permissive society than his own he fends off various temptations until he meets Didi His love for her breaks his ability to think rationally and he accepts to participate in a scheme developed by her shrewd brother that would free him to marry her For a fee and with the help of the Islamic fundamentalist movement of Abu Sayyaf active on the Island his death is staged in a car accident where his body is presumably burnt beyond recognition Arthur then marries Didi under an assumed name With time his life becomes increasingly turbulent and circumstances force him to try and redeem his original identity However he finds the task daunting as he struggles to start a new life with Didi back in the UK and reconcile it with his own British family who gave him for dead twelve years earlier Eventually things fall into place with the various pieces fitting together While the characters in this novel are fictitious their actions are woven in non fiction real life settings reflected in present day issues such as the difficulties sometimes encountered in keeping up a married life the behavior of persons as they move from one culture to another and the underlying causes and realities of fundamentalist insurgency movements

Beyond Recognition Ridley Pearson, 2025-05-01 Seattle police sergeant Lou Boldt is stunned when the local fire investigator presents him with frightening evidence in a series of fires that have occurred in the Seattle area These white hot fires burn so cleanly that even the ash disintegrates leaving not a trace of its victims or any evidence of criminal activity Only when Boldt is taunted by someone sending him pieces of melted green plastic houses from a Monopoly board does he realize that an arsonist is

Mrs. Gu, Marry Me Again Gu BeiBei,2020-07-25 He was the high and mighty emperor of business in Peace City She was the thorn in his side the apple of his eye It was a conspiracy He had forgotten about her and everyone was laughing at her She was full of anger She had just returned home and accidentally bumped into his car and entered the hospital She did everything she could but he only said No No Nonsense Finally he recovered his memories and she left The truth that he had been hiding came one after another torturing him to the point that his heart and liver ached Ps She burst into laughter hit the face torture in a smile with tears in favor The final text of Married Wife Decided *The Closing of the Liberal Mind* Kim R. Holmes,2017-12-12 A former U S Assistant Secretary of State and currently Acting Senior Vice President for Research at The Heritage Foundation Kim R Holmes surveys the state of liberalism in America today and finds that it is becoming its opposite illiberalism abandoning the precepts of open mindedness and respect for individual rights liberties and the rule of law upon which the country was founded and becoming instead an intolerant rigidly dogmatic ideology that abhors dissent and stifles free speech Tracing the new illiberalism historically to the radical Enlightenment a movement that rejected the classic liberal ideas of the moderate Enlightenment that were prominent in the American Founding Holmes argues that today s liberalism has forsaken its American roots incorporating instead the authoritarian anti clerical and anti capitalist prejudices of the radical and largely European Left The result is a closing of the American liberal mind Where once freedom of speech and expression were sacrosanct today liberalism employs speech codes trigger warnings boycotts and shaming rituals to stifle freedom of thought expression and action It is no longer appropriate to call it liberalism at all but illiberalism a set of ideas in politics government and popular culture that increasingly reflects authoritarian and even anti democratic values and which is devising new strategies of exclusiveness to eliminate certain ideas and people from the political process Although illiberalism has always been a temptation for American liberals lurking in the radical fringes of the Left it is today the dominant ideology of progressive liberal circles This makes it a new danger not only to the once venerable tradition of liberalism but to the American nation itself which needs a viable liberal tradition that pursues social and economic equality while respecting individual liberties
