Maurice S. Friedman

Martin Buber Prophet Of Religious Secularism:

Martin Buber, Prophet of Religious Secularism Donald J. Moore, 1974 **Martin Buber** Donald Moore, 1996 In this study of Martin Buber's life and work Donald Moore focuses in on Buber's central message about what it means to be a human being and a person of faith **Martin Buber, prophet of religious secularism** Donald J. S. J. Moore, 1974

Martin Buber Donald J. Moore, 1996 This new edition with a foreword by Maurice Friedman contains a new preface by the author The preface addresses the new generation of readers who will be introduced to Buber In addition textual changes represent an increased awareness of gender a recognition of important Buber scholarship since the first edition and a strengthening of the author's original thesis that Buber the critic of religion was in the mold of the biblical prophets a man of profound religious faith Martin Buber Maurice S. Friedman, 2003-09-02 Martin Buber The Life of Dialogue the first study in any language to provide a complete overview of Buber's thought remains the definitive guide to the full range of his work and the starting point for all modern Buber scholarship Maurice S Friedman reveals the implications of Buber's thought for theory of knowledge education philosophy myth history and Judaic and Christian belief This fully revised and expanded fourth edition includes a new preface by the author an expanded bibliography incorporating new Buber scholarship and two new appendices in the form of essays on Buber's influence on Emmanuel Levinas and Mikhail Bakhtin **Martin Buber and the Human Sciences** Maurice Friedman, 2012-02-01 The specific focus of Martin Buber and the Human Sciences is dialogue as the foundation of and integrating factor in the human sciences using dialogue in the special sense which Buber has made famous mutuality presentness openness meeting the other in his or her uniqueness and not just as a content for one's own thought categories and knowing as deriving in the first instance from mutual contact rather than knowledge of a subject about an object By the human sciences the authors editors mean material that can be meaningfully approached in a dialogic way hence the humanities education psychology speech communication anthropology history sociology and economics The essays in Martin Buber and the Human Sciences demonstrate that thirty years after Buber's death his influence is still resonating in many countries and in many fields **Jewish Public Culture in the Late Russian Empire** Jeffrey Veidlinger, 2009-04-14 In the midst of the violent revolutionary turmoil that accompanied the last decade of tsarist rule in the Russian Empire many Jews came to reject what they regarded as the apocalyptic and utopian prophecies of political dreamers and religious fanatics preferring instead to focus on the promotion of cultural development in the present Jewish Public Culture in the Late Russian Empire examines the cultural identities that Jews were creating and disseminating through voluntary associations such as libraries drama circles literary clubs historical societies and even fire brigades Jeffrey Veidlinger explores the venues in which prominent cultural figures including Sholem Aleichem Mendele Moykher Sforim and Simon Dubnov interacted with the general Jewish public encouraging Jewish expression within Russia's multicultural society By highlighting the cultural experiences shared by Jews of diverse social backgrounds from seamstresses to parliamentarians

and in disparate geographic locales from Ukrainian shtetls to Polish metropolises the book revises traditional views of Jewish society in the late Russian Empire **The Vision of Gabriel Marcel** Brendan Sweetman,2008-01-01 This book illustrates the profound implications of Gabriel Marcel s unique existentialist approach to epistemology not only for traditional themes in his work concerning ethics and the transcendent but also for epistemological issues concerning the objectivity of knowledge the problem of skepticism and the nature of non conceptual knowledge among others There are also chapters of dialogue with philosophers Jacques Maritain and Martin Buber In focusing on these themes the book makes a distinctive contribution to the literature on Marcel **The Existential Philosophy of Etty Hillesum** Meins G. S. Coetsier,2014-01-09 In *The Existential Philosophy of Etty Hillesum* Meins G S Coetsier breaks new ground by demonstrating the Jewish existential nature of Etty Hillesum s spiritual and cultural life in light of the writings of Martin Buber Emmanuel Levinas and Dietrich Bonhoeffer Hillesum s diaries and letters written between 1941 and 1943 illustrate her struggle to come to terms with her personal life in the context of the Second World War and the Shoah By finding God under the rubble of the horrors she rediscovers the divine presence between humankind while taking up responsibility for the Other as a way to embrace justice and compassion In a fascinating accessible and thorough study Coetsier dispels much of the confusion that assails readers when they are exposed to the bewildering range of Christian and Jewish influences and other cultural interpretations of her writings The result is a convincing and profound picture of Etty Hillesum s path to spiritual freedom **Martin Buber's Journey to Presence** Phil Huston,2007 Publisher description
