*Marxism and Media Studies* Mike Wayne, 2017-08-08 *Marxism and Media Studies Key Concepts and Contemporary Trends* By Mike Wayne     *Marx and the Political Economy of the Media* , 2015-09-29 More than 130 years after Karl Marx's death and 150 years after the publication of his opus magnum *Capital Critique of Political Economy* capitalism keeps being haunted by period crises The most recent capitalist crisis has brought back attention to Marx's works This volume presents 18 contributions that show how Marx's analyses of capitalism the commodity class labour work exploitation surplus value dialectics crises ideology class struggles and communism help us to understand media cultural and communications in 21st century informational capitalism Marx is back This book is a key resource on the foundations of Marxist Media Cultural and Communication Studies     **Marxism and Communication Studies** Lee Artz, Steve Macek, Dana L. Cloud, 2006 There is a timely and urgent need for a reasoned dialogue reassessing how Marxism can advance the study of human communication and transform the social world in which it is embedded Indeed ongoing world historical events including the vigorously organized market globalization the corresponding insurgent global anticorporate movement and the conflicts engendered by the U S invasion of Iraq have underscored the importance of a thorough critique of global capitalism and its telecommunication technologies and practices This important new collection featuring essays by leading scholars and practitioners provides a much needed overview and assessment of Marxism's significance to contemporary thinking in communication and media studies Contributors demonstrate how a Marxist perspective can be usefully applied to specific case studies in communication providing valuable insights and understandings that are not obtainable using other approaches     **The SAGE Handbook of Television Studies** Manuel Alvarado, Milly Buonanno, Herman Gray, Toby Miller, 2014-12-09 Genuinely transnational in content as sensitive to the importance of production as consumption covering the full range of approaches from political economy to textual analysis and written by a star studded cast of contributors Emeritus Professor Graeme Turner University of Queensland Finally we have before us a first rate and wide ranging volume that reframes television studies afresh boldly synthesising debates in the humanities cultural studies and social sciences This volume should be in every library and media scholar's bookshelf Professor Ravi Sundaram Centre for the Study of Developing Societies Bringing together a truly international spread of contributors from across the UK US South America Mexico and Australia this Handbook charts the field of television studies from issues of ownership and regulation through to reception and consumption Separate chapters are dedicated to examining the roles of journalists writers cinematographers producers and manufacturers in the production process whilst others explore different formats including sport novella and soap opera news and current affairs music and reality TV The final section analyses the pivotal role played by audiences in the contexts of gender race and class and spans a range of topics from effects studies to audience consumption The SAGE Handbook of Television Studies is an essential reference work for all advanced undergraduates graduate students and academics across

broadcasting mass communication and media studies      The Film Cultures Reader Graeme Turner, 2002 This companion reader to *Film as Social Practice* brings together key writings on contemporary cinema exploring film as a social and cultural phenomenon      **Fredric Jameson and Film Theory** Keith B. Wagner, Jeremi Szaniawski, Michael Cramer, 2022-01-14

Frederic Jameson and Film Theory is the first collection of its kind it assesses and critically responds to Fredric Jameson's remarkable contribution to film theory The essays assembled explore key Jamesonian concepts such as totality national allegory geopolitics globalization representation and pastiche and his historical schema of realism modernism and postmodernism considering in both cases how these can be applied revised expanded and challenged within film studies Featuring essays by leading and emerging voices in the field the volume probes the contours and complexities of neoliberal capitalism across the globe and explores world cinema's situation within these forces by deploying and adapting Jamesonian concepts and placing them in dialogue with other theoretical paradigms The result is an innovative and rigorously analytical effort that offers a range of Marxist inspired approaches towards cinemas from Asia Latin America Europe and North America in the spirit of Jameson's famous rallying cry always historicize      *British Marxism and Cultural Studies* Philip Bounds, David Berry, 2016-04-20 A comprehensive exploration of the profound influence of Marxist ideas on the development of Cultural Studies in Britain this volume covers a century of Marxist writing balancing synoptic accounts of the various schools of Marxist thought with detailed analyses of the most important writers Arguing that a recognisably Marxist tradition of cultural analysis began in the last two decades of the nineteenth century and continues unbroken to the present day *British Marxism and Cultural Studies* traces the links between contemporary developments in the field and the extended tradition of which they form a part With discussion of figures such as Jack Lindsay C L R James Julian Stallabrass and Mike Wayne as well as the cultural thinking of the New Left Gramscian Althusserian and Political Economy schools this book shows that the history of British cultural Marxism is broader and richer than many people realise As such it will be of interest to scholars and students of sociology cultural studies intellectual history and the history of the Left      **Marxism and the History of Art** Andrew Hemingway, 2006-07-20 This book is the first comprehensive introduction to Marxist approaches to art history Although the aesthetic was a crucial part of Marx and Engels's thought they left no full statement on the arts Although there is an abundant scholarship on Marxist approaches to literature the historiography of the visual arts has been largely neglected This book encompasses a range of influential thinkers and historians including William Morris Mikhail Lifshits Frederick Antal Francis Klingender Max Raphael Meyer Schapiro Walter Benjamin Henri Lefebvre and Arnold Hauser It also addresses the heritage of the New Left In the spirit of Marxism the authors interpret the achievements and limitations of Marxist art history in relation to the historical and political circumstances of its production providing an indispensable introduction to contemporary radical practices in the field      **The A to Z of Marxism** David Walker, Daniel Gray, 2009-08-13 Marxism one of the few philosophies that turned into an effective movement not so long ago was the official

ideology in one form or another of much of humanity It was promulgated initially by the Soviet Union then imposed on much of Central and Eastern Europe later emerged in the People s Republic of China and gradually spread to other parts of Asia and even bits of Africa and Latin America Although declining in its initial popularity it still remains strong in several countries and is supported by numerous communist and other parties and countless individuals around the world The A to Z of Marxism covers the history of Marxism and all its thinkers and schools of thought in a comprehensive manner This is done through a chronology an introductory essay a bibliography and hundreds of cross reference dictionary entries on basic terms and concepts significant thinkers and doers and also the parties and countries that followed it     Digital Labour and Karl Marx Christian Fuchs,2014-01-03 How is labour changing in the age of computers the Internet and social media such as Facebook Google YouTube and Twitter In Digital Labour and Karl Marx Christian Fuchs attempts to answer that question crafting a systematic critical theorisation of labour as performed in the capitalist ICT industry Relying on a range of global case studies from unpaid social media prosumers or Chinese hardware assemblers at Foxconn to miners in the Democratic Republic of Congo Fuchs sheds light on the labour costs of digital media examining the way ICT corporations exploit human labour and the impact of this exploitation on the lives bodies and minds of workers
