he lost in a political takeover in 1963 The interviews in this book offer a range of insights into the theoretical critical and practical circumstances of Rohmer's remarkably coherent body of films but also allow Rohmer to act as his own critic providing us with an array of readings concerning his interest in setting season color and narrative Alongside the application of a theoretical rigor to his own films Rohmer's interviews also discuss directors as varied as Godard Carné Renoir and Hitchcock and the relations of film to painting architecture and music This book reproduces little known interviews such as a debate Rohmer undertakes with Women and Film concerning feminism alongside detailed discussions from Cahiers and Positif many produced in English here for the first time      **Eric Rohmer** K.
