My Glorious Brothers:

My Glorious Brothers Howard Fast, 2011-11-01 Fast is at his best as a storyteller Christian Science Monitor The strength of five brothers will define a nation My Glorious Brothers is the epic story of perhaps the most breathtaking chapter in the history of Israel a stirring tale of courage for those who like to find meaning for today s world in the great events of history After witnessing a ransacked and desecrated Jerusalem Simon and his four brothers soon to be known and revered as the Maccabees rise to lead an earthshaking rebellion Their tale has almost no parallel in human history Theirs was the will fire and unbending spirit that inspired the timeless rite of Hanukkah transforming a society of farmers and scholars into an unconquerable army that would wage the first modern fight for freedom and the first victory for religious freedom Master storyteller Howard Fast recounts the story of great battles brutal atrocities and undying love and loyalty But it is also a sensitive and sure picture of a people and an age in which the mood of a small but spirited segment of humanity two thousand years ago is recreated with gripping authenticity PRAISE FOR HOWARD FAST Emotional exciting and entertaining Philadelphia Inquirer Relentless pace of events real experience leaping full bodied from Fast s imagination New York Times

Stonewall Jackson and Religious Faith in Military Command Kenneth E. Hall, 2005-05-03 The relationship between war and religion is nothing new For millennia humankind has waged war over religion and derived religion from war It is not surprising then that military leadership and religious conviction frequently coincide This study documents the long tradition of the religious warrior in Western history and literature with a special focus on Civil War general Thomas J Stonewall Jackson It also provides a general survey of the religious antecedents of Jackson and other more modern American military heroes The book begins with an introduction to the Confederate general largely from the perspective of those who lived with and served under him whose testimonies attest to his courage initiative innate tactical talent deep religious faith and eccentric personal habits The author analyzes the extent to which Jackson's national zeal has elevated him to the status of a religious martyr remembered today within an epic frame of sainthood and heroism Concise comparisons are drawn between Jackson and his Old World predecessors including Ulrich

Zwingli John Knox and Oliver Cromwell Similar associations are made between Jackson and such Civil War contemporaries as William Dorsey Pender and Oliver Otis Howard A chapter addressing the representation of Stonewall in modern Civil War literature and film particularly in the novel and subsequent motion picture Gods and Generals provides an insightful juxtaposition of Jackson's status among the gods of the Civil War and his own reverence for the God of his Presbyterian faith
