a wealthy friend of Grammy Lee's into selling her stately home. Cooper and her Bible study friends are called in to investigate before any crime has been committed. Grammy's fear is that the man is so devious he'll try to bump off her friend in order to get his hands on the estate. But before Cooper and the gang can do much more than confirm he's as sketchy as Grammy suspects, someone else takes matters into their own hands and takes the agent out of the picture permanently. The Bible study group knows that even the wicked deserve justice, so they continue to investigate this time to catch a killer. There's a full roster of service staff heading up their list of suspects along with the elderly home owner herself. Then Cooper learns that the feds have taken an interest in the case and suddenly she and her friends begin to worry they're in real danger. Because nothing about this case is what it seems and while charity may begin at home, this home is full of secrets that may cost Cooper her life. Includes heavenly recipes from Magnolia Lee's kitchen.

The Woman Who Had Two Navels and Tales of the Tropical Gothic Nick Joaquin, 2017-04-18 Celebrating the centennial of his birth, the first ever U.S. publication of Philippine writer Nick Joaquin's seminal works with a foreword by PEN Open Book Award winner Gina Apostol. A New York Times Book Review Editor's Choice, Nick Joaquin is widely considered one of the greatest Filipino writers, but he has remained little known outside his home country despite writing in English. Set amid the ruins of Manila devastated by World War II, his stories are steeped in the post-colonial anguish and hopes of his era and resonate with the ironic perspectives on colonial history of Gabriel Garcia Marquez and Mario Vargas Llosa. His work meditates on the questions and challenges of the Filipino individual's new freedom after a long history of colonialism, exploring folklore, centuries-old Catholic rites, the Spanish colonial past, magical realism, and baroque splendor and excess. This collection features his best-known story, *The Woman Who Had Two Navels*, centered on Philippine emigrants living in Hong Kong and later expanded into a novel, the much anthologized stories *May Day Eve* and *The Summer Solstice*, and a canonic play *A Portrait of the Artist as Filipino*. As Penguin Classics previously launched his countryman Jose Rizal to a wide audience, now Joaquin will find new readers with the first American collection of his work. Introduction and Suggestions for Further Reading by Vicente L. Rafael. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
