poignant and astonishingly personal this moving story of a death in Tennessee Bill Moyers shows hope can endure grace can redeem and humanity can exist even in the darkest of places It was a clash of race privilege and circumstance when Alan Robertson first signed up through a church program to visit Cecil Johnson on Death Row to offer friendship and compassion Alan s wife Suzanne had no intention of being involved but slowly through phone calls and letters she began to empathize and understand him That Cecil and Suzanne eventually became such close friends a white middle class woman and a Black man who grew up devoid of advantage is a testament to perseverance forgiveness and love but also to the notion that differences don t have to be barriers This book recounts a fifteen year friendship and how trust and compassion were forged despite the difficult circumstances and how Cecil ended up ministering more to Suzanne s family than they did to him The story details how Cecil maintained inexplicable joy and hope despite the tragic events of his life and how Suzanne Alan and their two daughters opened their hearts to a man convicted of murder Cecil Johnson was executed Dec 2 2009
