Ferguson,2009-01-14 *Little Victories Small Defeats* Our world is fully capable of taking an innocent sensitive intelligent young man and through death hypocrisy retribution and remorse turn him into a drifting aimless shell of what he might have been That this happens to James Branaugh is not a story in itself That James can find his way back from a useless existence find and give lasting love and muster the will to redeem his place in society while battling for his life is a story That tale comprises the theme of this book James the central character hails from a small farm in the back country of West Virginia Before his life can really begin he is left spiritually destitute through the death of his wife and daughter at the hands of a small time drug dealer and morally adrift by his own redress of the crime The next several decades of idle wander brings him full circle to his boyhood home This return is made to finally embrace peace and live his remaining years amid the soothing comfort of the ancestral farm Before any solace is found James finds himself in the middle of an old and on going Machiavellian plot to acquire or control all lands in the immediate area including his own The ever escalating war of greed is delivered to his doorstep by none other than a US Senator and County Sheriff Thankfully James does not have to fight alone and acquires fellow soldiers in the form of a crippled lawyer half crazy woodsman renegade FBI agent and a two fisted lover The battles rage from Washington townhouses to high pasture barns and include some decidedly undesirables in hand to hand fighting Someone once said that all real stories end in death Death is no stranger to the characters in this archetypical yarn of good versus evil Set among bucolic hills the rustic normalcy of country life serves as counterpoint to the chaotic appeal of contemporary living The charm of simplicity stands in stark contrast to the narcotic of progress This blend of

contradictory desires and lifestyles forms the backdrop for a reflection on greed gone mad That James can succeed is given Whether he does and how he goes about it is the story Bethlehem Bound Andrew Nunn,2022-08-31 It was not only Mary and Joseph who journeyed to Bethlehem all the characters and creatures we meet in the nativity stories found their way to the manger summoned by stars angels or political circumstance Each time we celebrate Christmas we travel there too and open ourselves to transformation Bethlehem Bound is a daily spiritual travel companion for the season beginning with the great Advent antiphons that herald the feast and ending with the Presentation in the Temple Each day it travels with a different character from scripture and the Christian tradition Jesse Anna Gabriel the donkey the innkeeper and his wife the shepherds the martyrs we commemorate at Christmas and many more The journey had its challenges for the original characters and it will for us but at its end is a wondrous gift from God God s own self in a baby laid in a manger Bethlehem Bound invites us to embrace that gift afresh **Master of the World** Edward Willett,2019-09-10 From an Aurora Award winning author comes the second book in a gripping portal fantasy series in which one woman s powers open the way to a labyrinth of new dimensions Shawna Keys has fled the world she only recently discovered she Shaped narrowly escaping death at the hands of the Adversary who seized control of it and losing her only guide Karl Yatsar in the process Now she finds herself alone in some other Shaper s world where in her first two hours she s rescued from a disintegrating island by an improbable flying machine she recognizes from Jules Verne s Robur the Conqueror then seized from it by raiders flying tiny personal helicopters and finally taken to a submarine that bears a strong resemblance to Captain Nemo s Nautilus Oh and accused of being both a spy and a witch Shawna expects hopes Karl Yatsar will eventually follow her into this new steampunky realm but exactly where and when he ll show up she hasn t a clue In the meantime she has to navigate a world where two factions fanatically devoted to their respective leaders are locked in perpetual combat figure out who the Shaper of the world is find him or her and obtain the secret knowledge of this world s Shaping Then she has to somehow reconnect with Karl Yatsar and escape to the next Shaped world in the Labyrinth through a Portal she has no idea how to open
