All of this had been planned beforehand, including the fact that Jia Zhendong would come to Se Tian and the fact that Liu Xin Ran would also appear here, as well as the fact that Qin Huai was going to die here and Liu Xin Ran, who would record Chu Chu's death into Jia Zhendong's account, had never felt anything to be scary. But now Tian Bin was covered in cold sweat. Just who was this person and why did he do this? Jia Zhendong did not know what he was thinking about; he did not even know how he had sent Liu Xin Ran to the hospital, how Liu Xin Ran was escorted by a group of doctors to the operation room for rescue, his body was covered with Liu Xin Ran's blood, his mind was filled with Liu Xin Ran's shadow, layer upon layer coming and going. He could no longer think normally nor could he be certain what exactly he was doing. My Heart Bleeds Hamba Wanzola, 2017-07-12

In the light of this title, Hamba Wanzola probes the worsening conflict between natural and spiritual heart compared to the heart of Kongo that the geographers do not talk enough. Do you know how many people died from heart attack in every 5 minutes in rich and poor countries worldwide? The heart can bleed when it is either internally or externally wounded. The author lost six members of his family within three months from heart failure. Therefore, the heart is becoming an uncontrollable environmental phenomenon that everyone needs to think of to eradicate. This book is an environmental project over the heart's decision in order to create all diversity of sub-cultures such as freemason, tattoo, graffiti, sexual orientation, terrorism, greedy conflict, etc. to develop fruits of flesh rather than fruits of Spirit. This research is a questioning of every being that has a natural heart that touches the turning point of heart of love and heart of hate. I think so. I am. You know the key role plays the heart in human being. Everything we do depends on the thought of the heart that what God sees. It is not describing as the pumping blood. Everyone has a sole and unique heart; without it, there is no life. You can lie to everyone except to your own consciousness where God sits. Yet no one can lie to God. This book has a mega world audience unless you have a plastic heart to reject this book. Author Hamba Wanzola is not a paramedic to write about heart. But he lost about six members of his family from heart attack within three months. Therefore, he researched to present a comprehensive knowledge of the human heart, been trained for the First Aid and its decision impact in people's life. My heart bleeds is a masterpiece for people in regardless of our differences to have knowledge of what is going on in people's heart and mind. The book of Proverbs says that Every way of man is right in his own eyes but the Lord weighs the heart. The book needs
