God's Word Alone---The Authority of Scripture Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people. God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God. Revitalizing one of the five great declarations of the Reformation, sola Scriptura, Barrett analyzes what the idea of sola Scriptura is and what it entails, clarifying why the doctrine is true and why it is so essential to Christianity. Surveys the development of this theme in the Reformation and traces the crisis that followed, resulting in a shift away from the authority of Scripture. Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church. This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today. THE FIVE SOLAS: Historians and theologians have long recognized that at the heart of the sixteenth-century Protestant Reformation were five declarations often referred to as the solas. These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures. acknowledge the work of Christ alone as sufficient for redemption, recognize that salvation is by grace alone through faith alone, and seek to do all things for God's glory. The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them, leading to a more profound theological vision of our lives and callings as Christians and churches. **MY FATHER'S BUSINESS** GODSWORD

GODSWILL ONU, **Child of God** Terry W. Anthony, 2023-06-01 What is Christianity? What does it mean to be a Christian? Why do we see so many bad things taking place in the world and what is God doing about it? With over nine hundred Scripture references, poems, personal accounts, and examples, this book will help you understand who Jesus Christ is and what he wants to do in your life. It will take you from humanity's break with God to God's sacrifice to save humanity. It shares the challenges and struggles all Christians must face as it addresses many of the difficult issues facing the family of God openly and honestly from Scripture. Finally, it shows how God will bring his children through it all as he helps us fulfill the supreme goal for our lives: to serve and love God most and to love our neighbor as ourselves. God made the ultimate sacrifice so that you can become a part of his family and share the future that awaits the children of God in glory. This book will show you how.

Israel and the Covenants in New Testament Times Peter Williams, 2016-05-23 Second Edition Updated and Revised A Bible student reference. A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end. Yet Christianity has overwhelmingly moved so far from its first-century roots that it could not even recognize this or that Christ's return is therefore now almost upon us. How and why this is the case is here explained thoroughly and logically with many examples.

directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that
