**Fiction, Folklore, Fantasy & Poetry for Children, 1876-1985: Authors, illustrators** ,1986 **AB Bookman's Weekly** ,1997 The Pictus Orbis® Sambo Phyllis Settecase Barton,1998 **Congressional Record** United States. Congress,1971 **Isles of the North** Ian Mitchell,2012-07-30 In the summer of 2002 Mitchell set sail aboard the 30 foot yacht Foggy Dew on a voyage that took him from his home through the Western Isles to Orkney and Shetland and on to the west coast of Norway Against the backdrop of one of the world s most spectacular coastlines he sailed up the Nordfjord down to Bergen then out to Utsira and back home via Inverness The object of his journey was more than just to enjoy a few contemplative drams during a summer at sea In this sequel to his much acclaimed Isles of the West 1999 Mitchell continues his investigation into official Britain s failure to administer rural Scotland for the mutual benefit of people and nature Ian Mitchell s narrative combines authoritative background information and personal interviews with local people many enlivened by the measured dispensation of Scotland s most famous aid to creative thought He shows how Norway a country outside the EU and therefore in control of its own resources has been able to give a wide measure of freedom to the sort of communities which in Scotland are subject to debilitating control by Edinburgh London and Brussels He points to many lessons which centralised bureaucratic Britain could learn from its more democratic neighbour across the North Sea

**Public health** Great Britain: Parliament: House of Commons: Health Committee,2011-11-02 The Government plans major changes to the public health system in England These will affect all three domains of public health health protection addressing environmental threats to population health health improvement tackling health inequalities and lifestyle issues impacting on health and wellbeing and healthcare public health applying public health expertise to the provision of healthcare services A new dedicated public health service Public Health England PHE will become operative from April 2013 The Committee believes the PHE must be visibly and operationally independent of Ministers Major new responsibilities for public health will also be assumed by local authorities but the Committee finds that the lack of a statutory duty on local authorities to address health inequalities in discharging their public health functions is a serious omission in the Government s plans The Committee also call for the Secretary of State for Health to be given an explicit statutory duty to reduce inequalities in public health as well as to protect the public from dangers to health the DH to set public health budgets both nationally and locally that take account of objective measures of need the Chief Medical Officer to give professional leadership in respect of both the medical and public health professions the Government to review its opposition to proposals on regulation of health professions the role of the Public Health Interventions Advisory Committee of the National Institute for Health and Clinical Excellence to be clarified **Thy Father's Instruction** Naomi Feuchtwanger-Sarig,2021-12-06 The Nuremberg Miscellany Germanisches Nationalmuseum N rnberg Bibliothek 8 Hs 7058 RI 203 is a unique work of scribal art and illumination Its costly parchment leaves are richly adorned and illustrated with multicolour paint and powdered gold It

was penned and illustrated in southern Germany probably Swabia in 1589 and is signed by a certain Eliezer b Mordechai the Martyr The Miscellany is a relatively thin manuscript In its present state it holds a total of 46 folios 44 of which are part of the original codex and an additional bifolio that was attached to it immediately or soon after its production The book is a compilation of various Hebrew texts most of which pertain to religious life Others are home liturgies Biblical exegeses comments on rites and customs moralistic texts homiletic and ethical discourses and an extensive collection of home liturgies its major part being dedicated to the life cycle The unparalleled text compilation of the Nuremberg Miscellany on the one hand and the na ve untrained illustrations on the other hand are puzzling Its illustrations are hardly mindful of volume depth or perspective and their folk art nature suggests that an unprofessional artist possibly even the scribe himself may have executed them Whoever the illustrator was his vast knowledge of Jewish lore unfolds layer after layer in a most intricate way His sharp eye for detail renders the images he executed a valid representation of contemporary visual culture The iconography of the Nuremberg Miscellany with its 55 decorated leaves featuring 25 text illustrations falls into two main categories biblical themes and depictions of daily life both sacred and mundane While the biblical illustrations rely largely on artistic rendering and interpretation of texts the depictions of daily life are founded mainly on current furnishings and accoutrements in Jewish homes The customs and rituals portrayed in the miscellany attest not only to the local Jewish Minhag but also to the influence and adaptation of local Germanic or Christian rites They thus offer first hand insights to the interrelations between the Jews and their neighbors Examined as historical documents the images in the Nuremberg Miscellany are an invaluable resource for reconstructing Jewish daily life in Ashkenaz in the early modern period In a period from which only scanty relics of Jewish material culture have survived retrieving the pictorial data from images incorporated in literary sources is of vital importance in providing the missing link Corroborated by similar objects from the host society and with descriptions in contemporary Jewish and Christian written sources the household objects as well as the ceremonial implements depicted in the manuscript can serve as effective mirrors for the material culture of an affluent German Jewish family in the Early Modern period The complete Nuremberg Miscellany is reproduced in the appendix of this book
